CIVIL CITY

I pledge to take our City's commitment to civility from City Hall to every street and sidewalk in Beverly Hills.

As a driver, a pedestrian or bicyclist, I will stay alert, obey all traffic regulations and share the streets/pathways safely.
I will treat users of our City streets with the same civility that I expect from others.
I will remember that good will and patience are antidotes to stress and frustration.
I will display my Civil City sticker and encourage others to take the pledge.
