Re: Appointment of Daniel M. Yukelson as Deputy City Treasurer

Dear Mayor and Council Members;

I am pleased to confirm the appointment of Daniel M. Yukelson as Deputy City Treasurer of Beverly Hills.

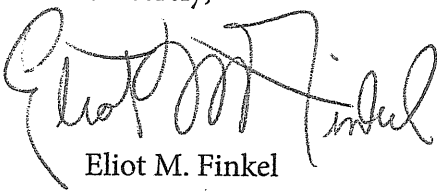
Mr. Yukelson, a member of the Planning Commission and former member of the Public Works Commission, has expressed interest in the City Treasurer's position. I am making this formal announcement now, even though Dan actually accepted the position earlier this year. To acquaint you with Mr. Yukelson's outstanding qualifications, I have included the following information.

Dan is the executive vice president and chief financial officer of Premiere Radio Networks, a $400 million per year provider of network radio programming. He has more than 20 years of experience as a senior financial professional and executive, in public and private financings, mergers and acquisitions, strategic planning, operations and cost management, financial reporting and SEC filings, and cash management.

Dan is a graduate of California State University, Northridge and a Certified Public Accountant in the State of California.

Beverly Hills is fortunate to have the advice and counsel of Mr. Yukelson available to guide our General Portfolio investments.

Sincerely,



Eliot M. Finkel
Treasurer of Beverly Hills
