Subject: APPROVAL OF AN AGREEMENT BETWEEN THE CITY OF BEVERLY HILLS AND UTOPIA ENTERTAINMENT, INC. FOR HOLIDAY PROGRAM MANAGEMENT; AND, AUTHORIZATION OF A PURCHASE ORDER IN THE AMOUNT OF \$915,918.50
Attachments: 1. Agreement

RECOMMENDATION

Staff recommends that City Council approve the attached agreement with Utopia Entertainment, Inc. for management and implementation of the City's holiday program including the development and management of the holiday lighting ceremony and approve a purchase order in the amount of \$915,918.50 to Utopia Entertainment, Inc. for these services.

INTRODUCTION

In 2006, the City implemented a three-year holiday program comprising coordinated themes, new decorations and the introduction of a street entertainment schedule. In 2007, the City also assumed the responsibility for the holiday lighting ceremony. To streamline production management, subcontracting and development of programming, the City entered into an agreement with Utopia Entertainment, Inc. The professional services and event management services of Utopia have been productive for the City in developing a more cohesive and effective program.

The 2008 holiday represents the third year of the three year program and will be the last year of the current themes.

SUBCOMMITTEE RECOMMENDATION

The Rodeo Drive/Special Events/Holiday Decorations Committee (Committee) met and reviewed the principal elements of the City's 2007 holiday program on February 5, 2008. The Committee made some general recommendations for improvement in 2008 – including continuation of the LED roll out for the twinkle lights, minor changes in the entertainment schedule and signage, continued monitoring for quality of the out door

wireless speaker system and inclusion of a day time entertainment element on South Beverly. In addition, the Committee requested Utopia to start visioning and development of conceptual plans for 2009, which would be the beginning of a new three-year program.

In particular the Committee registered its interest in developing a theme that was more reflective of classic elegance while still being unique, as a counter point to the essentially modernist themes of the current program.

The subcommittee recommended that staff proceed with development of the agreement with Utopia at the appropriate time, and that the Committee should re-convene in the summer for review and for approval at a formal City Council meeting.

The Committee is scheduled to meet again in early August to review details for 2008 and review and make recommendations on concepts for 2009.

DISCUSSION

Last year's holiday program marked the second of a new three year holiday theme – "Deck the Hills"- based around the swinging 50's and 60's. This theme will continue through the end of 2008 with some minor modifications. Concepts for the new three year program starting in 2009 will be developed in the summer of 2008 under the direction for the Events Committee.

As mentioned earlier in this report, in 2007 the City assumed full responsibility for the Holiday Lighting Ceremony, which had been previously managed by Baccarat. To manage this new element the holiday budget was increased by \$250,000 to accommodate this.

The 2007 Holiday Lighting Ceremony was overall a great success under the management of Utopia Entertainment, with fireworks being the highlight of the show.

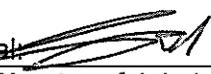

The City will again host the 2008 Holiday Lighting Ceremony, scheduled for November 22, 2008. Utopia will work with City staff and the Events committee on minor modifications and improvements to ensure that the show is again a success. Further, the City will continue its partnership with UNICEF.

The entire Agreement with Utopia Entertainment is for a not-to-exceed amount of \$915,918.15. This represents hard costs of \$542,719.60 for the holiday décor and entertainment program and \$235,715.95 for the holiday lighting ceremony along with a \$50,000 management fee (unchanged from 2007) and sales tax of approximately \$5,000 on certain elements. The contract also anticipates "Ad Alternate" items of up to \$82,482.60, which will be approved once the Committee and staff have discussed details; these items include additional LED lights and other enhancements.

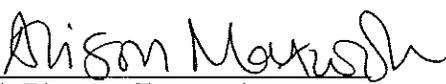

Staff and Utopia Entertainment will continue to work closely with the Events Committee to coordinate this program.

FISCAL IMPACT

Expenditures of \$915,918.15 have been budgeted in the Tourism & Marketing (2% TOT) account 0101311-73440 for fiscal year 2008-2009.
