MEMORANDUM

TO: Health and Safety Commission
FROM: Pamela Mottice Muller, Director
DATE: May 23, 2016
SUBJECT: Health and Safety Observances

The Health and Safety Observances for each month will provide information on groups and organizations to raise awareness of an issue or commemorate a group or event. Commemorative observances could last for a day, week, or month.

The Commission would like to highlight the commemorative observance by reading the list for the month or by having a speaker at the beginning of a meeting highlight one of the observances.

For the month of May, National Stroke Awareness Month and Lupus Awareness Month will be observed.
