

Planning Commission Report

Meeting Date: June 23, 2016

Subject: **Transportation Projects Update
Study Session**

This item will include a presentation by Public Works Staff on the Westside Subway Extension and Santa Monica Boulevard Reconstruction projects.

Project Applicant: N/A – Study Session

Recommendation: Receive information about the Westside Subway Extension and Santa Monica Boulevard Reconstruction projects.

INTRODUCTION

This item includes a presentation by the project managers for two major transportation projects that will be completed in the City and are scheduled to involve multiple years of construction. The project managers for the Westside Subway Extension and Santa Monica Boulevard Reconstruction projects will provide the Planning Commission with information and updates on both projects. The project managers will also be available to answer questions from the Planning Commission on these major transportation projects.

NEXT STEPS

It is recommended that the Planning Commission conduct the study session.
