

CITY OF BEVERLY HILLS
POLICY AND MANAGEMENT

MEMORANDUM

TO: Health and Safety Commissioners

FROM: Meena Janmohamed, Intern to Pamela Mottice-Muller, Director of
Emergency Management

DATE: June 27, 2016

SUBJECT: Mosquito-borne Diseases

The L.A. County Department of Public Health (DPH) has created information to help prevent mosquito bites. Warmer months bring greater risk of mosquito-borne diseases. The L.A. County Department of Public Health has put together a public relations toolkit to better protect the population they serve.

The toolkit is comprised of the following resources:

- [Webpage](http://publichealth.lacounty.gov/media/zika/) with vital information: <http://publichealth.lacounty.gov/media/zika/>
- [Video](#) in English and Spanish: [Preventing Mosquito Bites](#) and [Protegete Contra los Mosquitos](#)
- [FAQs](#) in multiple languages: [West Nile Virus \(Spanish\)](#) and [Zika Virus](#)

The video will be shown as part of the meeting.
