RECITALS

A. City has entered into a Cooperation Agreement with the Los Angeles County Community Development Commission to execute the County's Community Development Block Grant ("CDBG") Program which includes the Handyworker Services Multi-family Units Project ("Program") under the Housing and Community Development Act of 1974, as amended ("Act");

B. Consultant desires to participate in said Program and is qualified by reason of experience, preparation, organization, staffing and facilities to provide the services described herein.

NOW, THEREFORE, the parties hereto agree as follows:

1. SCOPE OF SERVICES. Consultant shall perform all of the services set forth in the Project Description, Exhibit A, attached hereto and incorporated herein by this reference.

2. TIME OF PERFORMANCE. Consultant shall commence the performance of this Agreement on July 1, 2016, and shall complete performance of this Agreement no later than June 30, 2017. The City Manager or his designee shall have the option

to extend this Agreement for two additional one-year terms pursuant to the same terms and conditions of this Agreement and upon thirty (30) days' prior written notice to Consultant. If both City and Consultant agree to such extensions, they shall be incorporated into this Agreement by written amendments.

3. AGREEMENT ADMINISTRATION. The Human Services Administrator of the City of Beverly Hills ("City Project Director") or his/her designee shall administer this Agreement for the City.

4. COMPENSATION AND METHOD OF PAYMENT.

A. City shall compensate Consultant in an amount of money not to exceed the sum of One Hundred Nine Thousand Nine Hundred Sixty-Nine Dollars (\$109,969.00), which payment shall constitute full and complete compensation for Consultant's services under this Agreement. Compensation shall be paid by the City out of CDBG funds received from the Los Angeles County Community Development Commission, as budgeted in Exhibit B, Budget and Budget Justification, attached hereto and incorporated herein by this reference. Any increase to that Budget shall be approved as set forth in Section 5 of this Agreement.

B. Payment shall be made according to the following procedure: on or about the fifteenth day of each calendar month, commencing with the calendar month of July 2016, Consultant shall submit to the City an invoice for Consultant's expenses during the preceding calendar month, including the construction costs for all Handyworker projects approved during the preceding month. The invoice shall itemize all expenses in detail conforming to the budget outlined in Exhibit B, unless otherwise approved as set forth in Section 5 of this Agreement. The invoice shall be approved by the City's Chief Financial Officer or his

or her designee and shall be in a form and detail satisfactory to the Auditor-Controller for the Los Angeles County Community Development Commission. Within 30 days of a timely receipt of each invoice, and after approval by the City's Project Director, the City shall draw a warrant in favor of Consultant for the amount of the monthly expenses and forward the same to Consultant. Any money received by Consultant under this Agreement and not expended for expenses incurred during the term of this Agreement shall be promptly returned to the City upon the expiration of the term of this Agreement.

5. BUDGET. Consultant shall not spend more than the amounts specified in the Budget and Budget Justification, Exhibit B, for the separate cost categories specified in Exhibit B without the prior written approval of the City's Project Director.

6. CHANGES. The City may, from time to time, request changes in the Scope of Services, Section 1 and Exhibit A of this Agreement, including any increase or decrease in the amount of Consultant's compensation. If both City and Consultant agree to such changes, they shall be incorporated into this Agreement by written amendments.

7. TIME OF PERFORMANCE MODIFICATIONS. The City's Project Director may modify the time of performance of this Agreement when such modifications:

- A. In aggregate do not exceed two (2) calendar months;
- B. Are specifically requested by Consultant;
- C. Do not change the project goals or scope of services; and
- D. Are in the best interests of the City and Consultant in performing

this Agreement.

8. BUDGET MODIFICATIONS. The City's Project Director or his/her designee may make budget modifications with respect to this Agreement for the transfer of funds within the budget categories identified in Exhibit B, when such modifications:

- A. Do not exceed \$10,000 per budget cost category;

The City's Project Director, subject to the restrictions in Sections 7 and 8 of this Agreement, may authorize reallocation of Budget line items in Exhibit B to other items within the Program.

9. TERMINATION AND TERMINATION COSTS. Either party may terminate this Agreement at any time upon thirty (30) days' written notice to the other party. City may immediately terminate this Agreement upon the termination, suspension, discontinuation or substantial reduction in CDBG funding for the Agreement activity, or if for any reason the timely completion of the work under this Agreement is rendered improbable, infeasible or impossible. In such an event, Consultant shall be compensated for all services rendered and all necessary costs incurred in good faith in accordance with the terms of this Agreement that have not been previously reimbursed up until the date of termination, but only to the extent CDBG funds are available.

10. REQUEST FOR FINAL PAYMENT. The City reserves the right to withhold ten percent (10%) of the Agreement amount on a completed project until a Notice of Completion is issued to the City by the County of Los Angeles.

11. FINANCIAL PHASE-OUT PERIOD. Within a period of not more than thirty (30) calendar days from the expiration date of this Agreement ("financial phase out period"), Consultant agrees to complete all necessary financial phase-out procedures required by the City's Project Director, or his/her designee. The City shall not provide reimbursement for any expenses or costs associated with this Agreement after the expiration of the financial phase-out period. After the expiration of the financial phase-out period, City may immediately reprogram those funds not paid to Consultant under this Agreement into other eligible activities. Consultant shall provide a final financial audit for activities performed under this Agreement at the expiration of the financial phase-out period.

12. FISCAL LIMITATIONS. In the future, the United States of America, through the Department of Housing and Urban Development ("HUD"), may place programmatic or fiscal limitations on CDBG funds not presently anticipated. Accordingly, the City reserves the right to revise this Agreement in order to take into account actions affecting HUD program funding. In the event of funding reduction, the City may reduce the budget of this Agreement, as a whole or in part, may limit the rate of Consultant's authority to commit and spend funds, or may restrict Consultant's use of both its uncommitted and its unspent funds. Where Los Angeles County Community Development Commission has directed or requested the City to implement a reduction in funding, in whole or in part, the City's Project Director may act for the City in implementing and effecting such a reduction in funding and in revising the Agreement for such purpose. Where the City's Project Director has reasonable grounds to question Consultant's

fiscal accountability, financial soundness, or compliance with this Agreement, the City's Project Director may act for the City in suspending the operation of this Agreement for up to sixty (60) days, upon three (3) days' notice to Consultant of his/her intention, pending an audit or other resolution of such questions. In no event, however, shall any revision made by the City affect expenditures and legally binding commitments made by Consultant before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable and that such commitments are consistent with HUD cash withdrawal guidelines.

13. CHANGES IN GRANT ALLOCATION. The City reserves the right to reduce the grant allocation when the City's fiscal monitoring indicates that Consultant's rate of expenditures will result in unspent funds at the end of the Program year. Changes in the grant allocation shall be made after consultation with Consultant. Such changes shall be incorporated into this Agreement by written amendments.

14. USE OF FUNDS. All funds approved under this Agreement shall be used exclusively for costs approved in Consultant's Program budget contained in Exhibit B. Agreement funds shall not be used as a cash advance between agreements, as security to guarantee payments for any non-Program obligations, or as loans for non-Program activities. Separate financial and Program records shall be kept for each funding source.

15. ACCOUNTING. Consultant must establish and maintain on a current basis an adequate accounting system in accordance with generally accepted accounting principles and standards and the County's "Auditor-Controller Contract Accounting and Administration Handbook" and disclose and maintain such records in accordance with Section 23 of this Agreement.

16. REPORTS AND RECORDS. Consultant shall prepare and submit financial, Program progress, monitoring, evaluation and other reports as required by City. Consultant shall maintain such property, personnel, financial and other records and accounts as are considered necessary by City to assure proper accounting for all Agreement funds. Consultant shall ensure that its employees and board members furnish such information that, in the judgment of City representatives, may be relevant to a question of compliance with contractual conditions, with City directives, or with the effectiveness, legality and achievements of the Program. Consultant agrees to submit to City all data necessary to complete reports required by the County and Federal Governments and to monitor Program accountability and progress in accordance with the Department of Housing and Urban Development ("HUD") requirements in the format and at the time designated by the City Project Director or his/her designee.

17. REVENUE DISCLOSURE AND RECORD RETENTION. Consultant shall make available for inspection and audit to City representatives, upon request, at any time during the term of this Agreement, and during a period of five (5) years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or in part with governmental monies, including the project(s) funded under this Agreement, whether or not such monies are received through City. Consultant shall maintain all such books and records at a location in Sacramento County. Failure of Consultant to comply with the requirements of this Section shall constitute a material breach of this Agreement upon which City may cancel, terminate or suspend this Agreement (24 CFR Part 84, Sec. 84.53).

18. PUBLIC PARTICIPATION. Consultant shall provide all Program data necessary to provide reports to the public. Consultant shall have discussions with the public as

often as is necessary so that Consultant is adequately apprised of public recommendations during the course of the Program. Consultant representatives shall be available to respond to questions and receive recommendations at meetings with the City when so requested by the City Council or the City's Project Director or his/her designee.

19. MONITORING AND EVALUATION. The City shall monitor, evaluate, and provide guidance to Consultant in the performance of this Agreement. Authorized representatives of the City and Los Angeles County Community Development Commission shall have the right of access to all activities and facilities operated by Consultant under this Agreement. Facilities include all files, records, and other documents related to the performance of this Agreement. Activities include, but are not limited to, attendance at staff meetings, and observation of on-going Program functions, interview of Consultant's staff and Program participation, as required by the City. Consultant shall insure the cooperation of its staff in such efforts. The City's Project Director or his/her designee shall conduct periodic Program progress reviews. These reviews shall focus on the extent to which the planned Program has been implemented and measurable goals achieved, the effectiveness of Program management, and the impact of the Program.

20. AUDITS. Consultant's Program shall be audited in accordance with the County's policy and funding source guidelines. Federal, State, or City funding source agencies may also conduct audits. The City or its authorized representatives shall, at all times, have access for the purpose of audit or inspection to any and all books, documents, papers, records, property, and premises of Consultant. Consultant's staff shall cooperate fully with auditors when they conduct audits and examinations of Consultant's Program. If the City finds that Program funds are misappropriated or misapplied, the City may require a special audit, the cost of the

audit will be encumbered and deducted from this Agreement budget. If the City subsequently determines that the special audit was not warranted, the amount encumbered will be restored to the Agreement budget (24 CFR Part 84, Sec. 84.53).

21. AUDIT EXCEPTIONS BY STATE AND FEDERAL AGENCIES.

Consultant agrees that in the event the Program is subject to audit exceptions by appropriate State and Federal audit agencies, Consultant shall be responsible for complying with such exceptions and paying the Los Angeles County Community Development Commission the full amount of City's liability to the funding agency resulting from such audit exceptions.

22. COMPLIANCE WITH LAWS AND ASSURANCES. All parties agree to be bound by applicable Federal, State and local laws, ordinances, regulations, and directives as they pertain to the performance of this Agreement. Furthermore, Consultant gives assurance and certifies that it will comply with the applicable provisions thereof, and all amendments or successor laws, regulations and guidelines thereto. This Agreement is subject to and incorporates the terms of the Act, 24 Code of Federal Regulations, Part 570; applicable sections of 24 CFR part 84 and 24 CFR part 35; U.S. Office of Management and Budget Circulars A-87, A-122 and A-133; Executive Orders 11063, 11246, and 11375; Title VI of the Civil Rights Act of 1964 and Section 109 of the Housing and Community Development Act of 1974; Section 3 of the Housing and Community Development Act of 1968; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990; Architectural Barriers Act; the Clean Air Act of 1970 and the Federal Water Pollution Control Act as amended; and the "Los Angeles County Auditor-Controller Contract Accounting and Administration Handbook."

23. FEDERAL CONTRACTING PROVISIONS. Consultant agrees to comply with the following federal requirements in the performance of this Agreement:

A. Federal Executive Order 11246 requires that during the performance of this Agreement, Consultant agrees not to discriminate against any employee or applicant for employment because of race, religion, sex, color, or national origin. Consultant shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by Consultant setting forth the provisions of this nondiscrimination clause.

Consultant shall, in all solicitations or advertisements for employees placed by, on or on behalf of the Consultant, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

Consultant shall comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulation, and relevant orders of the Secretary of Labor.

B. Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701 et seq., requires that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project.

Under Title VI of the Civil Rights Act of 1964, and Section 109 of Housing and Community Development Act of 1974, no person shall, on the grounds of race, color, national origin or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

D. City will use federal funds to pay Consultant for the work to be performed under this Agreement. 31 U.S.C. Section 1352 prohibits any recipient or Consultant of federal funds to use said funds to influence or attempt to influence an officer or employee of any federal agency, a Member of Congress or an officer or employee of Congress, or any employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement and the extension of, continuation, renewal, amendment or modification of any federal contract, grant, loan, or cooperative agreement.

Every person who requests or receives a federal contract, grant, loan or cooperative agreement from a federal agency or receives or requests from a federal agency a commitment that would provide for the United States to insure or guaranty a loan must file with

that agency a written declaration and certify that he or she has not made and will not make any prohibited expenditure. Further, any person who requests or receives from a person referred to above, a subcontract under a federal contract, a subgrant or contract under a federal grant, a contract or subcontract to carry out any purpose for which a particular federal loan is made, or contract under a federal cooperative agreement, is required to file a written declaration with the person who received the federal contract, grant, loan, or commitment to insure or guaranty a loan.

E. Consultant shall comply with all uniform administrative requirements as described in 24 Code of Federal Regulations Section 570.502.

F. Consultant receives no program income as defined in 24 Code of Federal Regulations Section 570.500(a).

G. Consultant agrees to provide a drug-free workplace by:

During the term of this Agreement, Consultant shall notify the City in writing of any change in the list of subgrantees/subcontractors, vendors, personal service providers or subsidiaries of Consultant within fifteen (15) days of any change.

27. PERSONNEL POLICIES. City may review Consultant's personnel policies and may make available to Consultant personnel policies developed by City. Consultant may adopt City personnel policies. If City verifies personnel management problems during the Agreement period, City's Project Director may require use of City developed personnel practices, including use of City personnel policies, as a condition of continued funding or future Agreement awards. Personnel policies include, but are not limited to, staff size and levels, salaries, supervisory-subordinate ratios, consultant fees, fringe benefits and other related matters.

28. NEPOTISM. C. Such employment shall not involve the performance of duties which the employee should perform as part of his/her employment in the Program; and

D. Such employment shall not occur during the employee's regular or assigned working hours, unless, during the entire day on which such employment occurs, the employee is on vacation, compensatory leave or leave without pay.

Consultant shall establish effective procedures to enforce these provisions and shall provide specific procedures regarding outside employment of its full-time personnel whose duties are not readily confined to a standard work-day or work-week. Personnel includes, but is not limited to, executive directors, neighborhood workers, and other employees whose responsibilities may require them to be available for duty during evenings or weekends.

monies so paid by City shall be repaid by Consultant to City upon demand or City may offset the cost of the premiums against any monies due to Consultant from City.

36. EXPENDITURES. Expenditures made by Consultant in the performance of this Agreement shall be in strict compliance and conformity with the Budget set forth in Exhibit B, unless prior written approval is obtained from City.

37. EXTENT OF AGREEMENT. This Agreement represents the entire and integrated Agreement of the parties and supersedes any and all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both parties.

38. ASSIGNMENT. This Agreement is not assignable by Consultant without the express written consent of the City. Any attempt by Consultant to assign any performance of the terms of this Agreement shall be null and void and shall constitute a material breach of this Agreement.

**CITY OF BEVERLY HILLS
HANDYWORKER SERVICES MULTI-UNIT PROGRAM
July 1, 2016 – June 30, 2017**

EXHIBIT A: PROJECT DESCRIPTION

PURPOSE AND BENEFICIARIES

The purpose of the proposed project is to provide labor and materials to approximately 11 multi-family dwelling units for housing conservation services for moderate- or low-income households in the City of Beverly Hills. It is anticipated that the majority of program beneficiaries will be members of the City's low-income, elderly population. Services will be provided on a first-come, first-served basis.

The program will be implemented in Census Tracts 7006, 7007, 7008, 7009.01, 7009.02 and 7010.

CONTENT AND OPERATION

Consultant ("service provider") will provide, under the supervision of the City of Beverly Hills, all labor, equipment, supplies, administrative support, community outreach, determination of eligibility of program participants, and documentation necessary for implementation of a "Handyworker Services Multi-family Dwelling-Unit Program."

The program will consist of providing free labor and materials to eligible multi-family homes for minor home repair services and security and mobility improvements, which do not require a permit, except as noted in Section D.

Beneficiary Eligibility

An "eligible household" is defined as a household consisting of one or more persons who form a housekeeping unit and who occupy a multi-family dwelling unit where the household income does not exceed the moderate- or low-income limits established by the United States Department of Housing and Urban Development, and which are in effect at the time eligibility for participation is determined.

Beneficiaries of this program are limited to those households with annual incomes less than or equal to 80 percent of the median income for the Los Angeles/Long Beach area, as adjusted for family size under the HUD Section 8 program guidelines. For 2016, the low ends of the income range limits published by HUD for moderate-income [80 percent of median] households are those listed in Table 1 below.
