

CITY OF BEVERLY HILLS  
**TRAFFIC & PARKING COMMISSION**

Meeting of November 3, 2016

**TO:** Traffic & Parking Commission  
**FROM:** Aaron Kunz, Deputy Director of Transportation  
**SUBJECT:** Santa Monica Boulevard Reconstruction and Purple Line Extension

---

The City Council reviewed staff's work plan for the North Santa Monica Boulevard Reconstruction Project on October 18, 2016. The City Council provided direction for construction to begin in January 2017 on the western segment of the project. The City Council directed that metered parking be removed on South Santa Monica Boulevard at the beginning of the project to allow restriping to improve traffic flow and provide left turn lanes.
