Dear Byron,

In response to your letter dated June 14, 2016, regarding reappointment to the Beverly Hills Charitable Solicitations Commission, let me begin by saying it has been a privilege to serve as a Commissioner.

Since my appointment, I have attended all but one Commission meeting as well as the Commissioner Workshop held late last year and actively participated. At the Chair's request, Commissioner Kraushaar and I met semi-annually with Catering Managers of the City's largest hotels where a significant number of charitable events are held annual.

In addition, using my CPA expertise I developed an annual summary of permitted events and related financial statements.

If it pleases the Council, I would be honored to continue serving.

Best regards,

Joe Safier
