Re: Groundwater Management Plan Technical Committee

Dear Byron:

Indeed, I am interested in being reappointed to a second term. There is much more work to be done.

Sincerely,

A handwritten signature in black ink, appearing to read "Herbert D. Reston", is written over a faint, larger version of the same signature.

Herb Reston's term on the Groundwater Management Plan Technical Committee will be up at the beginning of the year and he would like to be reappointed. Can you give me a few dates/times when you might be available to interview him? I have checked and he seems to be pretty flexible as far as times.

I believe that there is no reason to meet. Herb should be reappointed.
This is not like a commission appt and if BB agrees I say go.....
