RECOMMENDATION

Staff recommends that the City Council adopt the resolution approving the FY07-08 Local Development Report and certifying the City of Beverly Hills' conformance with the countywide Congestion Management Program (CMP).

INTRODUCTION

In 1992, the Los Angeles Metropolitan Transportation Authority (MTA) Board adopted a CMP plan for Los Angeles County to meet Proposition 111 requirements. Proposition 111 authorized an increase in the State Gas Tax to fund regional transportation improvements. The CMP is a countywide multi-modal planning tool designed to coordinate a local jurisdictions and regional agencies partnership to address regional traffic congestion impacts resulting from new developments.

DISCUSSION

Local jurisdictions must comply with the CMP in order to receive its share of State Gas Tax and Federal Surface Transportation funds. In order to comply with the CMP, the City must submit a "Local Development Report" and adopt a resolution finding the City in conformance with the CMP requirements. The Local Development Report (LDR) consists of reporting residential and commercial activity for the period of June 1, 2007 through May 31, 2008.

In previous years, local jurisdictions were required to comply with a system of credits/debits called Countywide Deficiency Plan to account for all new development activity and demolition activity. Each local jurisdiction accrued credits by implementing transportation mitigation strategies and was required to have enough credits to offset debits accrued through the impacts of new developments in order to comply with the CMP. In 2004, the LACMTA rescinded the credit/debit system and is now only requiring the reporting of development activity.

The attached self-certifying Resolution attests that the City of Beverly Hills is in conformance with the CMP regulations and adopts the LDR in accordance with the California Government Code §65089.

NOTICING

Notice of Public Hearing for City Council review of the Local Development Report certifying the City's conformance with CMP regulations was published in the local newspapers.

FISCAL IMPACT

The adoption of this resolution certifying the CMP will have no fiscal impacts.

RESOLUTION NO. 08-R- _____

RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS FINDING THE CITY TO BE IN CONFORMANCE WITH THE CONGESTION MANAGEMENT PROGRAM (CMP) AND ADOPTING THE CMP LOCAL DEVELOPMENT REPORT, IN ACCORDANCE WITH CALIFORNIA GOVERNMENT CODE SECTION 65089

WHEREAS, CMP statute requires the Los Angeles County Metropolitan Transportation Authority ("MTA"), acting as the Congestion Management Agency for Los Angeles County, to annually determine that the County and cities within the County are conforming to all CMP requirements; and

WHEREAS, MTA requires submittal of the CMP Local Development Report by September 1 of each year; and

WHEREAS, the City Council held a noticed public hearing on August 19, 2008.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF BEVERLY HILLS DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. That the City has taken all of the following actions, and that the City is in conformance with all applicable requirements of the 2004 CMP issued on January 9, 2004.

(a) By June 15, of odd-numbered years, the City will conduct annual traffic counts and calculated levels of service for selected arterial intersections, consistent with the requirements identified in the CMP Highway and Roadway System chapter.

(b) The City has locally adopted and continues to implement a transportation demand management ordinance, consistent with the minimum requirements identified in the CMP Transportation Demand Management chapter.

(c) The City has locally adopted and continues to implement a land use analysis program, consistent with the minimum requirements identified in the CMP Land Use Analysis Program chapter.

(d) The City has adopted a Local Development Report, attached hereto and made a part hereof, consistent with the requirements identified in the 2004 CMP. This report balances traffic congestion impacts due to growth within the City with transportation improvements, and demonstrates that the City is meeting its responsibilities under the Countywide Deficiency Plan consistent with the MTA Board adopted 2003 Short Range Transportation Plan.

Section 2. That the City Clerk shall certify to the adoption of this Resolution and shall cause this resolution and his certification to be entered in the Book of Resolutions of the Council of this City. The City Clerk also shall forward a copy of this Resolution to the Los Angeles County Metropolitan Transportation Authority.
