

AGENDA REPORT

Meeting Date: January 12, 2010
Item Number: F-11
To: Honorable Mayor & City Council
From: David Lightner, Deputy City Manager
Subject: AGREEMENT BETWEEN THE CITY OF BEVERLY HILLS AND
JEWISH FAMILY SERVICE FOR CONTINUATION OF THE
HANDYWORKER SERVICES PROGRAM FOR MULTI-UNITS IN
2009-2010
Attachments: 1. Agreement

RECOMMENDATION

It is recommended that the City Council approve the attached Agreement with Jewish Family Service to provide Handyworker Program services for low income residents in multi-family buildings. This agreement would be funded by a federal Community Development Block Grant (CDBG). A related agreement to provide these same services to residents in *single family* homes is also on the January 12th agenda as a separate item.

INTRODUCTION

A Request for Proposals (RFP) was issued for the Handyworker Program which provides minor home repairs, mobility improvements and security improvements to low income residents, at no cost to the resident. Of the seven proposals received, the Jewish Family Service proposal was the best qualified. Reference checks with their prior clients and service recipients in other jurisdictions indicated that they would be a good fit with Beverly Hills.

DISCUSSION

Jewish Family Service (JFS) has been a long-term service provider to the City as contractor for the City's Services to Seniors program which is also supported by CDBG funds. JFS also administers a "Home Secure" program in other jurisdictions that

Meeting Date: January 12, 2010

provides minor home security improvement services to low income households and that is very similar in scope to the City's Handyworker Program. Additionally, there are potential synergies in the outreach efforts related to the Services to Seniors program, the efforts of JFS through a separate Beverly Hills Community Assistance funded program, and the Handyworker Program which we hope will increase the number of eligible residents who are aware of this free minor home repair service.

The well conceived proposal and the demonstrated experience in providing this type of service led to selection of JFS as service provider for the balance of this fiscal year. The agreement can then be renewed annually for up to two additional years.

FISCAL IMPACT

The City's 2009-2010 CDBG funding allocation for multi-unit Handyworker Program Services is \$112,739. The attached agreement limits compensation to that amount so that all services provided under this agreement will be reimbursed to the City.

City may immediately terminate this Agreement upon the termination, suspension, discontinuation or substantial reduction in CDBG funding for the Agreement activity, or if for any reason the timely completion of the work under this Agreement is rendered improbable, infeasible or impossible. In such an event, Subrecipient shall be compensated for all services

rendered and all necessarily incurred costs performed in good faith in accordance with the terms of this Agreement that have not been previously reimbursed, to the date of said termination to the extent CDBG funds are available.

Exhibit B. The following information shall be documented for each bid: company name and address, name of person contacted, telephone number and minority status. Purchase or lease of supplies or equipment of \$25,000 or more requires formal bidding procedures. All equipment that has a purchase or lease price of over Fifty Dollars (\$50) in unit value and has a life expectancy of more than one (1) year shall be properly identified and inventoried and shall be charged at its actual price deducting all cash discounts, rebates, and allowances received by Subrecipient. This inventory shall be provided to the City upon request. All equipment that has a purchase or lease price of over Three Hundred Dollars (\$300) in unit value and has a life expectancy of more than one (1) year shall be approved by the City's Project Director prior to purchase.

The disposition of such property may include the City taking possession of the nonexpendable property.

17. ALLOWANCES FOR LEASE OR RENTAL OF SPACE. The City shall approve any expenditures for the lease or rental of real property necessary for the performance of this Agreement as budgeted in Exhibit B. City shall not be charged more than the prevailing area rates for similar rentals.

18. FISCAL LIMITATIONS. The United States of America, through HUD, may in the future place programmatic or fiscal limitation(s) on CDBG funds not presently anticipated. Accordingly, the City reserves the right to revise this Agreement in order to take into account actions affecting HUD program funding. In the event of funding reduction, the City may reduce the budget of this Agreement, as a whole or in part, may limit the rate of Subrecipient's authority to commit and spend funds, or may restrict Subrecipient's use of both its uncommitted and its unspent funds. Where Los Angeles County Community Development Commission has directed or requested the City to implement a reduction in funding, in whole or in part, City's Project Director may act for the City in implementing and effecting such a reduction in funding and in revising the Agreement for such purpose. Where the City's Project Director has reasonable grounds to question Subrecipient's fiscal accountability, financial soundness, or compliance with this Agreement, City's Project Director may act for the City in

suspending the operation of this Agreement for up to sixty (60) days, upon three (3) days' notice to Subrecipient of his/her intention, pending an audit or other resolution of such questions. In no event, however, shall any revision made by the City affect expenditures and legally binding commitments made by Subrecipient before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable and that such commitments are consistent with HUD cash withdrawal guidelines.

19. CHANGES IN GRANT ALLOCATION. The City reserves the right to reduce the grant allocation when the City's fiscal monitoring indicates that Subrecipient's rate of expenditures will result in unspent funds at the end of the Program year. Changes in the grant allocation shall be made after consultation with Subrecipient. Such changes shall be incorporated into this Agreement by written amendments.

20. JOINT FUNDING. For each Program in which there are sources of funds in addition to those identified in Exhibit B, Subrecipient shall provide adequate proof of such funding. The City shall not pay for any services provided by Subrecipient which are funded by other sources. All restrictions and/or requirements provided in this Agreement relative to accounting, budgeting, and reporting apply to the total Program regardless of funding sources.

21. USE OF FUNDS. All funds approved under this Agreement shall be used exclusively for costs approved in Subrecipient's Program budget contained in Exhibit B. Agreement funds shall not be used as a cash advance between agreements, as security to guarantee payments for any non-Program obligations, or as loans for non-Program activities. Separate financial and Program records shall be kept for each funding source.

22. ACCOUNTING. Subrecipient must establish and maintain on a current basis an adequate accounting system in accordance with generally accepted accounting

principles and standards and the County's "Auditor-Controller Contract Accounting and Administration Handbook" and disclose and maintain such records in accordance with Section 23 of this Agreement.

23. REPORTS AND RECORDS. Subrecipient shall prepare and submit financial, Program progress, monitoring, evaluation and other reports as required by City. Subrecipient shall maintain such property, personnel, financial and other records and accounts as are considered necessary by City to assure proper accounting for all Agreement funds. Subrecipient shall ensure that its employees and board members furnish such information which, in the judgment of City representatives, may be relevant to a question of compliance with contractual conditions, with City directives, or with the effectiveness, legality and achievements of the Program. Subrecipient agrees to submit to City all data necessary to complete reports required by the County and Federal Governments and to monitor Program accountability and progress in accordance with the Department of Housing and Urban Development ("HUD") requirements in the format and at the time designated by the City's Project Director or his/her designee.

24. REVENUE DISCLOSURE AND RECORD RETENTION. Subrecipient shall make available for inspection and audit to City representatives, upon request, at any time during the term of this Agreement, and during a period of five (5) years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or in part with governmental monies, including the project(s) funded under this Agreement, whether or not such monies are received through City. Subrecipient shall maintain all such books and records at a location in Los Angeles County. Failure of Subrecipient to

comply with the requirements of this Section shall constitute a material breach of this Agreement upon which City may cancel, terminate or suspend this Agreement (24 CFR Part 84, Sec. 84.53).

25. PUBLIC PARTICIPATION. Subrecipient shall provide all Program data necessary to provide reports to the public. Subrecipient shall have discussions with the public as often as is necessary so that Subrecipient is adequately apprised of public recommendations during the course of the Program. Subrecipient representatives shall be available to respond to questions and receive recommendations at meetings with the City when so requested by the City Council or the City's Project Director or his/her designee.

26. MONITORING AND EVALUATION. The City shall monitor, evaluate, and provide guidance to Subrecipient in the performance of this Agreement. Authorized representatives of the City and Los Angeles County Community Development Commission shall have the right of access to all activities and facilities operated by Subrecipient under this Agreement. Facilities include all files, records, and other documents related to the performance of this Agreement. Activities include, but are not limited to, attendance at staff, board of directors, advisory committee, and advisory board meetings, and observation of on-going Program functions, interview of Subrecipient's staff and Program participation, as required by the City. Subrecipient shall insure the cooperation of its staff and board members in such efforts. The City's Project Director or his/her designee shall conduct periodic Program progress reviews. These reviews shall focus on the extent to which the planned Program has been implemented and measurable goals achieved, the effectiveness of Program management, and the impact of the Program.

27. AUDITS. Subrecipient's Program shall be audited in accordance with the County's policy and funding source guidelines. Federal, State, or City funding source agencies

may also conduct audits. The City or its authorized representatives shall, at all times, have access for the purpose of audit or inspection to any and all books, documents, papers, records, property, and premises of Subrecipient. Subrecipient's staff shall cooperate fully with auditors when they conduct audits and examinations of Subrecipient's Program. If the City finds that Program funds are misappropriated or misapplied, the City may require a special audit, the cost of the audit will be encumbered and deducted from this Agreement budget. If the City subsequently determines that the special audit was not warranted, the amount encumbered will be restored to the Agreement budget (24 CFR Part 84, Sec. 84.53).

28. AUDIT EXCEPTIONS BY STATE AND FEDERAL AGENCIES.

Subrecipient agrees that in the event the Program is subject to audit exceptions by appropriate State and Federal audit agencies, Subrecipient shall be responsible for complying with such exceptions and paying the Los Angeles County Community Development Commission the full amount of City's liability to the funding agency resulting from such audit exceptions.

29. COMPLIANCE WITH LAWS AND ASSURANCES. All parties agree to be bound by applicable Federal, State and local laws, ordinances, regulations, and directives as they pertain to the performance of this Agreement. Furthermore, Subrecipient gives assurance and certifies that it will comply with the applicable provisions thereof, and all amendments or successor laws, regulations and guidelines thereto. This Agreement is subject to and incorporates the terms of the Act, 24 Code of Federal Regulations, Part 570; applicable sections of 24 CFR part 84 and 24 CFR part 35; U.S. Office of Management and Budget Circulars A-87, A-122 and A-133; Executive Orders 11063, 11246, and 11375; Title VI of the Civil Rights Act of 1964 and Section 109 of the Housing and Community Development Act of 1974; Section 3 of the Housing and Community Development Act of 1968; Section 504 of the Rehabilitation Act of

1973; the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990; Architectural Barriers Act; the Clean Air Act of 1970 and the Federal Water Pollution Control Act as amended; and the "Los Angeles County Auditor-Controller Contract Accounting and Administration Handbook."

30. FEDERAL CONTRACTING PROVISIONS. Subrecipient agrees to comply with the following federal requirements in the performance of this Agreement:

A. Federal Executive Order 11246 requires that during the performance of this Agreement, Subrecipient agrees not to discriminate against any employee or applicant for employment because of race, religion, sex, color, or national origin. Subrecipient shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Subrecipient shall comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulation, and relevant orders of the Secretary of Labor.

B. Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701 et seq., requires that to the greatest extent feasible, opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by, persons residing in the area of the project.

C. Under Title VI of the Civil Rights Act of 1964, and Section 109 of Housing and Community Development Act of 1974, no person shall, on the grounds of race, color, national origin or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

D. City will use federal funds to pay Subrecipient for the work to be performed under this Agreement. 31 U.S.C. Every person who requests or receives a federal contract, grant, loan or cooperative agreement from a federal agency or receives or requests from a federal agency a commitment that would provide for the United States to insure or guaranty a loan must file with that agency a written declaration and certify that he or she has not made and will not make any prohibited expenditure. Further, any person who requests or receives from a person referred to above, a subcontract under a federal contract, a subgrant or contract under a federal grant, a contract or subcontract to carry out any purpose for which a particular federal loan is made, or contract under a federal cooperative agreement, is required to file a written declaration with the person who received the federal contract, grant, loan, or commitment to insure or guaranty a loan.

E. Subrecipient shall comply with all uniform administrative requirements as described in 24 Code of Federal Regulations Section 570.502.

F. Subrecipient receives no program income as defined in 24 Code of Federal Regulations Section 570.500(a).

G. Subrecipient agrees to provide a drug-free workplace by:

(1) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Subrecipient's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(2) Establishing an ongoing drug-free awareness program to inform employees about:

a. The dangers of drug abuse in the workplace;

b. The Subrecipient's policy of maintaining a drug-free workplace;

c. Any available drug counseling, rehabilitation, and employee assistance programs; and

d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(3) Requiring that each employee that is engaged in the performance of services paid by City funds to Subrecipient in connection with this Agreement ("grant activity") be given a copy of the statement required by paragraph 1 of this subsection G;

(4) Notifying the employee in the statement required by paragraph 1 of this subsection G that, as a condition of employment in connection with the grant activity, the employee shall:

a. Abide by the terms of the statement; and

b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

Employers of convicted employees must provide notice to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central location for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(6) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted:

b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(7) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5, and 6.

31. COUNTY LOBBY CERTIFICATION. Subrecipient shall certify that it is familiar with the requirements of the Los Angeles County Code Chapter 2.160 (Los Angeles County Ordinance 93-0031), and that all individuals acting on behalf of Subrecipient have and will comply with the County Code, and execute the form attached as Exhibit C, attached hereto and incorporated herein by this reference. Subrecipient further acknowledges that this Agreement shall be immediately terminated and that Subrecipient shall be disqualified and be liable in civil action if any lobbyist, lobbying firm, lobbyist employer or any other person or entity acting on behalf of the above named firm fails to comply with the provisions of the County Code.

32. USE OF FUNDS FOR ENTERTAINMENT, MEALS, OR GIFTS. Subrecipient certifies and agrees that it will not use funds provided through this Agreement to pay for entertainment, meals, or gifts.

33. CONFLICT OF INTEREST. Subrecipient, its agents and employees shall comply with all applicable Federal, State, County, and City laws and regulations governing conflict of interest, including without limitation 24 CPR Part 84, Sec. 84.42. Such a list shall include the names, addresses, telephone numbers, and identification of principal party(ies) and a description of services to be provided. During the term of this Agreement, Subrecipient shall notify the City in writing of any change in the list of subgrantees/subcontractors, vendors, personal service providers or subsidiaries of Subrecipient within fifteen (15) days of any change.

34. PERSONNEL POLICIES. City may review Subrecipient's personnel policies and may make available to Subrecipient personnel policies developed by City. City personnel policies may be adopted by Subrecipient. If City verifies personnel management problems during the Agreement period, City's Project Director may require use of City developed personnel practices, including use of City personnel policies, as a condition of continued funding or future Agreement awards. Personnel policies include, but are not limited to, staff size and levels, salaries, supervisory-subordinate ratios, consultant fees, fringe benefits and other related matters.

35. NEPOTISM. Subrecipient shall not hire nor permit the hiring of any person to fill a position funded through this Agreement if a member of that person's immediate family is employed in an administrative capacity by Subrecipient. For the purposes of this section, the term "immediate family" means spouse, child, mother, father, brother, sister, brother-in-law, sister-in-law, father-in-law, mother-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, step-parent, and step-child. The term "administrative capacity" means having selection, hiring, supervisory or management responsibilities, including serving on the governing body of Subrecipient.

36. BENEFITS. Subrecipient shall not be eligible for any paid benefits for federal, social security, state workers' compensation, unemployment insurance, professional insurance, medical/dental, or fringe benefits offered by City.

37. RELIGIOUS AND POLITICAL ACTIVITIES. Subrecipient agrees that funds under this Agreement will be used exclusively for performance of the work required under this Agreement, and that no funds made available under this Agreement shall be used to promote religious or political activities. Further, Subrecipient agrees that it will not perform, nor permit the performance of any religious or political activities in connection with the performance of this Agreement.

38. OUTSIDE EMPLOYMENT. In its written personnel policies, Subrecipient shall include the following provisions governing outside employment of its employees:

A. Such employment shall not interfere with the efficient performance of the employee's duties with respect to the Program;

B. Such employment shall not involve a conflict of interest or the appearance of a conflict with the employee's duties with respect to the Program;

C. Such employment shall not involve the performance of duties which the employee should perform as part of his/her employment in the Program; and

D. Such employment shall not occur during the employee's regular or assigned working hours, unless, during the entire day on which such employment occurs, the employee is on vacation, compensatory leave or leave without pay.

Subrecipient shall establish effective procedures to enforce these provisions and shall provide specific procedures regarding outside employment of its full-time personnel whose duties are not readily confined to a standard work-day or work-week. Personnel includes, but is not limited to, executive directors, neighborhood workers, and other employees whose responsibilities may require them to be available for duty during evenings or weekends.

39. STAFF TRAVEL. Subrecipient shall not incur any expenditures for travel outside of Los Angeles County, without prior written approval of City.

40. INDEMNIFICATION. Subrecipient agrees to indemnify, hold harmless and defend City, City Council, Los Angeles County Community Development Commission and each member thereof, and every officer, employee and agent of City and Los Angeles County Community Development Commission, from any claim, liability, financial loss and expenses (including, but not limited to, attorneys' fees and costs) arising directly or indirectly from any or all negligent or other wrongful acts, errors and omissions of Subrecipient or any person employed by Subrecipient in the performance of this Agreement.

Manager and City Attorney covering its operations hereunder as specifically defined in Attachments I and II to Exhibit A of this Agreement, attached hereto and incorporated herein.

**CITY OF BEVERLY HILLS
HANDYWORKER SERVICES MULTI-UNIT PROGRAM
JANUARY 12 2010 - JUNE 30, 2010**

EXHIBIT A: PROJECT DESCRIPTION

PURPOSE AND BENEFICIARIES

The purpose of the proposed project is to provide labor and materials to approximately 16 multi-family dwelling units for housing conservation services for moderate- or low-income households in the City of Beverly Hills. It is anticipated that the majority of program beneficiaries will be members of the City's low-income, elderly population. Services will be provided on a first-come, first-served basis.

The program will be implemented in Census Tracts 7006, 7007, 7008, 7009.01, 7009.02 and 7010.

CONTENT AND OPERATION

Jewish Family Service ("service provider") will provide, under the supervision of the City of Beverly Hills, all labor, equipment, supplies, administrative support, community outreach, determination of eligibility of program participants, and documentation necessary for implementation of a "Handyworker Services Multi-family Dwelling-Unit Program."

The program will consist of providing free labor and materials to eligible multi-family homes for minor home repair services and security and mobility improvements, which do not require a permit, except as noted in Section D.

Beneficiary Eligibility

An "eligible household" is defined as a household consisting of one or more persons who form a housekeeping unit and who occupy a multi-family dwelling unit where the household income does not exceed the moderate- or low-income limits established by the United States Department of Housing and Urban Development, and which are in effect at the time eligibility for participation is determined.

Beneficiaries of this program are limited to those households with annual incomes less than or equal to 80 percent of the median income for the Los Angeles/Long Beach area, as adjusted for family size under the HUD Section 8 program guidelines. For 2009, the low-end income range limits published by HUD for moderate-income [80 percent of median] households are those listed in Table 1 below.

Table 1*

<u># Persons per Household</u>	<u>Moderate Income</u>
1	\$44,400
2	\$50,750
3	\$57,100
4	\$63,450
5	\$68,550
6	\$73,600
7	\$78,700
8	\$83,750

*HUD generally revises income limits annually.

Applicants may participate in the program, not more than once per year, and must be screened for eligibility on each occasion. Potential clients shall provide proof that income does not exceed 80% of median income for the Los Angeles area (based on federal HUD Section 8 program guidelines). Requested proof will be based on stated income source. Proof of income may include, but may not be limited to, the documents indicated herewith: award letters (e.g. for social security or disability), bank statements indicating direct deposits, check stubs (e.g. for Social Security payments, pensions, employment, insurance payment, annuity, interest income, stocks, shares, or divided awards); disability, unemployment, or worker's compensation benefits; alimony, child support; welfare; rental income; most recent Internal Revenue Service (IRS) income tax form with all the schedules. Income documentation must be dated within 12 months of the date of service request and will be retained in each job file. Service provider will do its due diligence to ensure clients' income meets the eligibility requirements.

Self-certification of eligibility by applicants shall not be considered acceptable evidence.

The following activities will be included in the Scope of Services provided by Subrecipient under contract to the City of Beverly Hills.

A. Community Outreach

Develop and provide community outreach efforts, including project advertising and promotional materials sufficient to achieve program goals. This may include the preparation of flyers, brochures and press releases, placing paid advertisements in local newspapers, preparing mailers, and making presentations to groups. Public information releases for Community Cable TV, or other nonprint media, may be developed. Subrecipient shall mail program information upon request.

Any and all public information materials shall be submitted for review to the City's Project Director, or his designee, with approval of the content and method of distribution required prior to release.

B. Applicant Screening

Potential applicants, who make inquiries, will be informed of the extent of the work that can be performed and advised of eligibility requirements and application procedures. Owner permission agreements will be secured prior to commencement of any work, including an indemnification of the City and its employees against damages or claims.

C. Pre-Construction

Once a resident is determined to be eligible, the service provider must arrange to visit the worksite, jointly determine the repairs to be completed with the client, and complete a work order of the repairs, which must be signed by the client and the service provider. To avoid possible future claims against the service provider, the service provider shall also document at this time any pre-existing, damaged conditions to the subject property, which evaluation shall also be signed by both the client and the service provider, and a copy given to the client. This evaluation may be combined with the work order. As part of the intake process, the service provider must also provide each client with proper notification of the hazards associated with lead-based paint and document the client's receipt of such written notification. For each proposed worksite, the service provider must submit a Section 106 Historical Review form to the City for clearance by the CDC.

D. Site Work

The Handyworker Program is intended to provide the following minor home repair services, generally defined as repairs that are exempt from the requirement to obtain City permits, except as noted in 1.c., 3.a., and 3.f. City staff will assist Subrecipient in obtaining any required permits, and no fee will be charged for City permits. The following services may be provided, up to a maximum of \$2,000 per job for labor and materials. With the exception of security and mobility improvements, only interior work may be provided to multi-family units so that the services benefit only the eligible household.

- b. Wall resurfacing (stucco, plaster, wallboard, patching, etc.).
- c. Installation of devices for the elderly or handicapped (ramps, handrails, bathroom fixtures, etc.). A permit, or City inspection, may be required for handrails or ramps.

All security and safety devices shall be subject to review and approval as to type by the Police Department prior to installation. This may be done once annually.

- a. Security screens and security bars: prior review of security bars for units in single-family, residential buildings shall be in accordance with established procedures for design review. Approved quick-release, security bars may be installed only by a licensed contractor on bedroom windows of units which are already equipped with hard-wired smoke detectors, or for single-family homes, where hard-wired smoke detectors are being installed as part of the same Handyworker job. Prior to an installation, the Beverly Hills Department of Building and Safety must be consulted regarding issuance of a non-fee permit. The contractor must obtain a City inspection of the completed work.
- b. Deadbolt locks, window locks, and pin locks for sliding glass doors.
- c. Door peepholes.
- d. Repairs to fences not over six feet.
- e. Safety lighting.

MINIMUM HABITABILITY STANDARDS

The service provider will be required to provide the above services that address the priorities of the homeowner and do not exceed the maximum \$2,000 in labor and materials costs. In addition, the City requires that each home receiving service will meet the following minimum habitability standards when work has been completed and has been reviewed from the standpoint of security:

1. All doors and windows are intact, operable, and capable of being secured so as to avoid break-ins;
2. All water faucets in the kitchen and bathroom(s) operate properly;
3. At least one toilet functions;
4. All pathways, exterior porches, and stairs are free of holes and other hazards;
5. Installed light switches and outlets work;
6. Smoke detectors are operating in each sleeping room, each corridor, or area giving access to such rooms, and at the top of the stairway in a two-story home.
7. Bath/shower area grab bars are installed, where necessary, in units occupied by seniors or the disabled.

If the repairs necessary to bring a home into conformance with these habitability standards are beyond the scope of this contract, and/or would exceed \$2,000 in labor and materials cost, the service provider shall notify the City.

PROCUREMENT

Procurement and Storage of Supplies and Equipment

Procurement of supplies and equipment shall comply with federal requirements. For transactions involving less than \$25,000, a minimum of three oral or written bids shall be obtained and documented. Transactions involving more than \$25,000 require more extensive procurement procedures. All equipment that has a purchase, or lease price of over \$300 in unit value, and a life expectancy of more than one year, shall be approved by the City prior to purchase or lease. If an applicant has quality, usable materials, those materials shall be included as part of the \$2,000 maximum for materials and labor. Applicants will be encouraged to make such materials available.

All equipment, materials, and supplies will be procured and stored by the service provider in a secure, locked area. General inventories shall be kept to a minimum and materials shall be purchased for each job with copies of expenditure documentation maintained in each job file. The City will not reimburse the service provider for materials that are lost or stolen.

Procurement of Services

Procurement of services provided by persons who are not employees of the service provider, such as contract bookkeepers, electricians, or carpet-laying subcontractors, shall be approved in advance by the City and shall comply with federal requirements. A minimum of three oral, or written bids, shall be solicited and documented with an explanation provided as to the reason for the selection. Copies of all related documentation in the procurement of outside services shall be transmitted promptly to the City.

REPORTING REQUIREMENTS/MONITORING

Reports

A monthly report of residents who received repair services, including a summary of work performed at each address, shall be submitted to the City. The report shall include the demographic information required to be reported for each new client, as well as the name and address of applicants approved for work and awaiting services. Individual job files shall be maintained at the service provider's office and shall include the client's application for service, copies of documents establishing eligibility (proof of occupancy or ownership in the City and income verification), building owner's release form, a work order signed by the service provider and the client, evidence that the client has been provided with the HUD lead-based paint advisory, completion sign-offs, and receipts for materials/stock transfer slips. The service provider must also keep a written record documenting the reasons for service denial.

Monitoring

All program and financial files pertaining to this contract shall be available to the City of Beverly Hills, County of Los Angeles Community Development Commission, and the U.S. Housing and Urban Development Department staff upon request. City staff will make periodic visits to the service provider's office to review client files and to verify client eligibility and the adequacy of the file documentation. Staff will contact households receiving service to verify that the work was satisfactorily completed in accordance with the initial work order and the monthly program report received by the City. Staff may make periodic visits to worksites to verify that minimum habitability concerns have been addressed and that the work was performed as stated.

Contractors receiving individual awards for \$100,000 or more and all subrecipients must certify that the organization and its principals are not suspended or debarred. The non-Federal entities may rely upon the certification unless it knows that the certification is erroneous. Non-Federal entities may check for suspended and debarred parties that are listed in the List of Parties Excluded From Federal Procurement or Nonprocurement Programs, issued by the General Services Administration (GSA). (The electronic list can be accessed on the Internet (<http://epls.arnet.gov/>). Please note that the user will be required to record their name and organization for purposes of the Computer Matching and Privacy Act of 1988.)

All expenditures must be fully documented by receipt, time records, invoices, cancelled checks, bank statements, and other appropriate records, which fully and completely disclose the amount and nature of the expenditure. This includes indicating the number of hours per pay period that each

employee works on each job on behalf of the City of Beverly Hills and the amount charged to the City of Beverly Hills' account for each of these employees. Any funds advanced to the service provider, but not expended at the end of the contract period, shall be returned to the City. Funds shall not be maintained in an interest-bearing account, and there shall be no commingling of CDBG funds with any other funds received by the service provider.
