### **INTRODUCTION**

This report asks the Council to recognize the Friends of the Library and Betty Harris for their support of the Library and Roxbury Community Center.

### **DISCUSSION**

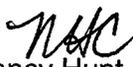

With the recent budget cuts, the purchase of new books at the Roxbury Senior Library and the delivery of those materials to the site were eliminated. However, local donors, such as Betty Harris through the Friends of the Library have stepped forward to ensure this valuable service continues. This report requests Council to recognize Ms. Harris' donation through the Friends of the Library for the support in continuing this valuable service. It should be noted that throughout the years Ms. Harris, through the Friends of the Library, has made substantial contributions to the Library in support of the large type collection for children and adults.

### **FISCAL IMPACT**

None at this time. Council will consider the request to appropriate these funds at the evening meeting.

### **RECOMMENDATION**

That the Council recognize the Friends of the Beverly Hills Public Library and Betty Harris for their support of the Library at Roxbury Community Center.
