Dear Byron:

This letter is in response to your request dated August 2, 2010 inquiring as to if I am interested in being reappointed to a second term on the Traffic and Parking Commission.

It has been an honor and a privilege to serve on the Traffic and Parking Commission. I wholeheartedly would like to continue for another term. I feel that there are numerous issues our commission has been undertaking that are important to both the residents and businesses in Beverly Hills and I feel that my input will continue to play a role in our decision making process going forward for the next four years.

Thank you very much.

Sincerely

Julie P Steinberg
