INTRODUCTION

This report seeks from the City Council and the Public Financing Authority Board of Directors approval and direction to staff to take certain executive actions to release and/or substitute certain assets encumbered by existing lease revenue bond financings to allow greater flexibility for possible future financing for the acquisition and construction of public improvements by the City of Beverly Hills, the Public Financing Authority and the Beverly Hills Parking Authority in connection with the City's overall parking needs and approval by the City Council and the Board of the Parking Authority of the City of Beverly Hills of a purchase and sale agreement to consolidate the public parking facilities in the City under the umbrella of the ownership of the Parking Authority.

DISCUSSION

Over the past 30 years, some of the publicly owned parking structures in the City have been owned by the Beverly Hills Parking Authority and some have been owned by the City. At various times, ownership of various parking structures has been transferred between the two entities. Currently, the Parking Authority owns the parking facility at 240 N. Beverly Drive/241 N. Cannon Drive (the Beverly-Canon Gardens/Montage parking) and the City owns the remaining parking facilities. In approximately 1975 the City created its current parking enterprise fund; however, the current fund functions as a quasi-enterprise fund that is still technically part of the City's general fund. Consequently, the costs and revenues associated with the City's parking facilities cannot be easily separated from the City's general fund, which results in accounting difficulties and confusion in the community. Allowing ownership of the parking facilities to be consolidated under the City of Beverly Hills Parking Authority will allow for the parking facilities to be operated as a true enterprise that is separate from the City's General Fund. Additionally, the City's parking facilities are regularly used as collateral in the issuance of bonds, and the transfer of ownership will allow for easier realignment of collateral (the parking facilities) as property values increase and outstanding bond balances decrease over time.

Periodically, the Administrative Services Department also reviews the value of our assets that are encumbered as leased assets in connection with existing lease revenue bond financings, and when appropriate and feasible either substitutes or releases these

leased assets in order to achieve a better matching of outstanding bonds to asset values, to free up property from the lien of these lease financing, and to allow the released assets to be used in future lease revenue bond financings.

We have found that certain of our leased assets have substantially increased in value, allowing us to release those assets and substitute less valuable assets. The substitutions or removals require amendments to the underlying lease financing documents, which requires the approval of the City Council and the Board of the Public Financing Authority.

To accomplish the above goals, several tasks must be completed as detailed below:

1. The City Council and the Financing Authority Board need to approve substituting/releasing a portion of the leased assets encumbered by the Financing Authority's 2007 Lease Revenue Bonds. The 2007 Bonds are currently secured by a lease of the Vehicle Maintenance Shop at 9333 W. Third Street, the Public Works Parking Structure also located at 9333 W. Third Street, and the City Library located at the Civic Center Complex. The resolutions of the City Council and the Financing Authority Board will both provide for the release of the Public Works Parking Structure from the leases relating to the 2007 Bonds and will provide for the substitution (if necessary) of a portion of the park located at 321-333 La Cienega, the need for which will be determined once the City receives a current appraisal for the Vehicle Maintenance Shop and the City Library located at the Civic Center Complex. If the value of these two assets is in excess of the currently outstanding principal amount of the 2007 Bonds (\$80,025,000), the Public Works Parking Structure will be released without the need to substitute in any of the park property located at 321-333 La Cienega. The resolution is drafted to allow for the leasing of all or any portion of the park, if necessary, as determined by the City Manager and the Administrative Services Director/Chief Financial Officer. The resolutions also approve the lease amendments that will be required to accomplish the substitution/release.
2. The City Council and the Financing Authority Board need to approve substituting the leased asset encumbered by the Financing Authority's 2010 Lease Revenue Bonds. The 2010 Bonds are currently secured by a lease of the parking garage at 9510 Brighton Way. The parking garage at 9510 Brighton Way will be released, and the Greystone Mansion and related site will be substituted instead. The resolutions also approve the lease amendments that will be required to accomplish the substitution/release.
3. The City Council and the Parking Authority Board need to approve the transfer to the Parking Authority of certain parking facilities and the Parking Enterprise Fund/City assets.
4. The City Council needs to appropriate up to \$150,000 from General Fund Balances for appraisal and title fees to implement these changes. This amount will be reimbursed to the General Fund from the proceeds of the next debt financing.

In accordance with Government Code Section 65402(a), the Planning Commission has found that the disposition of property by the City and transfer to the Parking Authority conforms to the General Plan. The Planning Commission's report is attached.

The following resolutions have been prepared for City Council review and adoption.

- RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS APPROVING, AUTHORIZING AND DIRECTING EXECUTION OF CERTAIN AMENDMENTS TO LEASE FINANCING DOCUMENTS AND DIRECTING CERTAIN RELATED ACTIONS
- RESOLUTION OF THE COUNCIL OF THE CITY OF BEVERLY HILLS APPROVING A PURCHASE AND SALE AGREEMENT BETWEEN THE CITY OF BEVERLY HILLS AND THE BEVERLY HILLS PARKING AUTHORITY

In addition, the following amendments to the 2007 and 2010 lease revenue bond documents, which have been prepared in order to accomplish the substitution and release of the leased assets, are on file with the City Clerk:

- FIRST AMENDMENT TO MEMORANDUM OF ASSIGNMENT BY AND BETWEEN THE CITY OF BEVERLY HILLS PUBLIC FINANCING AND U.S. BANK NATIONAL ASSOCIATION DATED AS OF AUGUST 1, 2011 RELATING TO \$81,600,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2007 LEASE REVENUE BONDS (CAPITAL IMPROVEMENTS PROJECT)
- FIRST AMENDMENT TO PROPERTY LEASE BY AND BETWEEN THE CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY AS LESSOR AND CITY OF BEVERLY HILLS AS LESSEE DATED AS OF AUGUST 1, 2010 RELATING TO \$81,600,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2007 LEASE REVENUE BONDS (CAPITAL IMPROVEMENTS PROJECT)
- FIRST AMENDMENT TO SITE AND FACILITY LEASE BY AND BETWEEN THE CITY OF BEVERLY HILLS AS LESSOR AND CITY OF BEVERLY HILLS PUBLIC FINANCING AS LESSEE DATED AS OF AUGUST 1, 2011 RELATING TO \$81,600,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2007 LEASE REVENUE BONDS (CAPITAL IMPROVEMENTS PROJECT)

- FIRST AMENDMENT TO PROPERTY LEASE BY AND BETWEEN THE CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY AS LESSOR AND THE CITY OF BEVERLY HILLS AS LESSEE DATED AS OF AUGUST 1, 2011 RELATING TO \$13,705,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2010 LEASE REVENUE BONDS, SERIES A (VARIOUS PROJECTS), \$28,940,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2010 LEASE REVENUE BONDS, TAXABLE SERIES B (VARIOUS PROJECTS) AND \$19,920,000 CITY OF BEVERLY HILLS PUBLIC FINANCING

AUTHORITY 2010 LEASE REVENUE BONDS, TAXABLE SERIES C
(VARIOUS PROJECTS – BUILD AMERICA BONDS)

- FIRST AMENDMENT TO SITE AND FACILITY LEASE BY AND BETWEEN THE CITY OF BEVERLY HILLS AS LESSOR AND THE CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY AS LESSEE DATED AS OF AUGUST 1, 2011 RELATING TO \$13,705,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2010 LEASE REVENUE BONDS, SERIES A (VARIOUS PROJECTS), \$28,940,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2010 LEASE REVENUE BONDS, TAXABLE SERIES B (VARIOUS PROJECTS) AND \$19,920,000 CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY 2010 LEASE REVENUE BONDS, TAXABLE SERIES C (VARIOUS PROJECTS – BUILD AMERICA BONDS)

In addition, the following resolution has been prepared for the Public Financing Authority Board's review and adoption:

- RESOLUTION OF THE BOARD OF THE CITY OF BEVERLY HILLS PUBLIC FINANCING AUTHORITY APPROVING, AUTHORIZING AND DIRECTING EXECUTION OF CERTAIN AMENDMENTS TO LEASE FINANCING DOCUMENTS AND DIRECTING CERTAIN RELATED ACTIONS

Finally, the following resolution has been prepared for the Parking Authority Board's review and adoption:

- RESOLUTION OF THE BOARD OF THE PARKING AUTHORITY OF THE CITY OF BEVERLY HILLS APPROVING A PURCHASE AND SALE AGREEMENT BETWEEN THE CITY OF BEVERLY HILLS AND THE PARKING AUTHORITY OF THE CITY OF BEVERLY HILLS

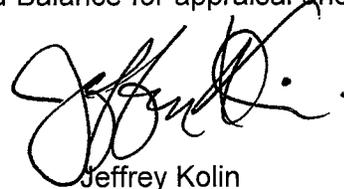

These actions will dissolve the Parking Enterprise Fund and allow the City to consolidate its parking operations under the control and oversight of the Parking Authority. The City will retain control of two facilities, 9333 West Third Street which provides visitor and employee parking for 331 Foothill and the City's public works facilities and 450 North Rexford Drive which provides visitor and employee parking for City Hall and the Civic Center complex.

FISCAL IMPACT

This action consolidates the operation and control of most publicly owned parking facilities under the Parking Authority. As such, assets and obligations will be transferred from the City to the Parking Authority. To the extent that the Parking Authority generates net revenue from its parking operations, the City will share in 50% of that net revenue. The Parking Authority may "buy out" that obligation if appropriate to facilitate a financing secured in whole or part by parking revenues. There is an appropriation needed of \$150,000 from the City's General Fund Unrestricted Fund Balance for appraisal and title fees and professional services related to this transaction.

PURCHASE AND SALE AGREEMENT

This PURCHASE AND SALE AGREEMENT (the "Agreement") is dated as of August 16, 2011 (the "Effective Date") and is entered into by and between the CITY OF BEVERLY HILLS, a California municipal corporation (the "Seller"), and THE PARKING AUTHORITY OF THE CITY OF BEVERLY HILLS, a parking authority established pursuant to the Parking Law of 1949 of the State of California ("Buyer").

RECITALS

A. Seller desires to convey to Buyer, and Buyer desires to accept from Seller, the land described on Exhibit "A" and the parking facilities and other improvements (excluding any street and sidewalk improvements) on such land (collectively, the "Parking Facilities"), so that all of Seller's public parking facilities are owned and can be operated, maintained, repaired and insured by Buyer.

B. In consideration of Seller's conveyance to Buyer of the Parking Facilities, Buyer is willing to assume obligations under existing contracts entered into by Seller in connection with the Parking Facilities, assume the responsibilities of operating, maintaining, and insuring the Parking Facilities, and pay to Seller fifty percent (50%) of net revenue, if any, generated by the operation of the Parking Facilities.

NOW, THEREFORE, in consideration of the terms, conditions and covenants of this Agreement (including the covenant of Buyer to maintain, repair, insure and operate the parking facilities described herein, assume existing contracts relating to such facilities, and to pay fifty percent (50%) of net revenues to Seller) the sufficiency of which is hereby acknowledged, the Buyer and Seller agree as follows:

1. Purchase and Sale. Seller agrees to sell the Parking Facilities to Buyer, and Buyer agrees to purchase the Parking Facilities from Seller, subject to and in accordance with the terms and conditions hereinafter set forth.

2. Consideration. Upon the execution, acknowledgement and recordation in the Official Records of Los Angeles County of a Quitclaim Deed in the form attached hereto as Exhibit "B" (the "Deed"), and Buyer's execution of the Certificate of Acceptance attached thereto, Seller shall be deemed to have assigned to Buyer and Buyer shall be deemed to have assumed all of Seller's rights and obligations under all contracts executed by Seller in connection with any of the Parking Facilities (including, without limitation, leases) and Seller's rights and obligations to operate, maintain, repair and insure the Parking Facilities, and Buyer shall: (i) reasonably operate, maintain, repair and insure the Parking Facilities; and (ii) pay to Seller annually on December 1 of each year, fifty percent (50%) of net revenue, if any, earned during the previous fiscal year after interest, depreciation, and amortization. Seller agrees that Buyer may contract with Seller to provide insurance for the Parking Facilities.

3. Delivery of Documents/Funds.

(a) On or before September 30, 2011; (i) Seller shall execute and deliver the Deed (duly acknowledged) to Buyer conveying the Parking Facilities to Buyer; and (ii) Buyer shall deliver to Seller a duly executed Certificate of Acceptance in the form attached to the Deed.

(b) Upon the recording of the Deed, Seller shall deliver to Buyer all security deposits held by Seller under leases relating to the Parking Facilities. Seller shall otherwise duly cooperate with Buyer in directing any tenants to make payments to Buyer allocable to the period after the date on which the Deed is recorded (including, without limitation, executing notices to tenants).

(c) Seller shall not encumber, sell or transfer, or agree to encumber, sell or transfer, the Parking Facilities or any portion thereof or interest therein during the period from the Effective Date to the date on which the Deed is recorded.

4. Prorations.

(a) All income and operating expenses with respect to the Parking Facilities shall be prorated as of 12:01 a.m. on the day on which the Deed is recorded, as if Buyer were vested with title to the Parking Facilities for the entire day on which the Deed is recorded.

(b) Similarly, assessments for which Buyer is not exempt shall be apportioned and prorated with respect to the Parking Facilities as of 12:01 a.m., for the entire day on which the Deed is recorded, as if Buyer were vested with title to the Facilities during the entire day upon which such recording occurs. Any such apportionment made with respect to a tax year for which the tax rate or assessed valuation, or both, have not yet been fixed shall be based upon the tax rate and/or assessed valuation last fixed. To the extent that the actual assessments for the current year differ from the amount apportioned, the parties shall make all necessary adjustments by appropriate payments between themselves following the recording. All delinquent assessments (and any penalties therein) for periods prior to the recording, if any, shall be paid by Seller.

(c) The provisions of this Section shall survive the recording.

5. Calculation and Capitalization of Annual Payment. The amount of the annual payment as set forth in Section 2 shall be derived from an annual audit of the finances of Buyer or as otherwise agreed by the parties. To the extent that the Buyer wishes to issue debt that would require a pledge of Parking Facility revenue, Buyer may pay to Seller the net present value, as calculated by Seller's Chief Financial Officer, or pursuant to a calculation otherwise agreed upon by the parties, of the annual payment obligation set forth in Section 2. Upon payment of such net present value amount, any further obligation of Buyer to make annual payments as provided in Section 2 shall cease.

6. Condemnation; Destruction. If at any time prior to the recording of the Deed, a Parking Facility, or any portion thereof, is damaged by fire or other casualty or taken or appropriated through eminent domain or similar proceedings, or is condemned for any public or quasi-public use, Buyer shall be entitled to receive all insurance proceeds payable to Seller or all

Planning Commission Report

Meeting Date: August 4, 2011

Subject: **Ownership Transfer of City Parking Facilities**
Request for the Planning Commission to make a finding of consistency with the General Plan to allow for the transfer of ownership of certain parking facilities from the City to the City of Beverly Hills Parking Authority.
PROJECT APPLICANT: City of Beverly Hills

Recommendation: That the Planning Commission:

1. Conduct a public hearing and receive testimony on the project; and
2. Adopt the attached finding of consistency with the General Plan.

REPORT SUMMARY

This report outlines a request for the Planning Commission to make a general plan consistency finding for the ownership transfer of City parking facilities to the Beverly Hills Parking Authority. As described below, this transfer will have finance and accounting benefits. The transfer will not impact the current day to day operations of the parking facilities.

BACKGROUND AND PROJECT DESCRIPTION

Over the past 30 years, some of the publicly owned parking structures in the City have been owned by the Beverly Hills Parking Authority and some have been owned by the City. At various times, ownership of various parking structures has been transferred between the two entities. Currently, the Parking Authority owns the parking facility at 240 N. Beverly Drive/241 N. Cannon Drive (the Beverly-Canon Gardens/Montage parking) and the City owns the remaining parking facilities. In approximately 1975 the City created its current parking enterprise fund; however, the current fund functions as a quasi-enterprise fund that is still technically part of the City's general fund. Consequently, the costs and revenues associated with the City's parking facilities cannot be easily separated from the City's general fund, which results in accounting difficulties. Allowing ownership of the parking facilities to be consolidated under the City of Beverly Hills Parking Authority will allow for the parking facilities to be operated as a true enterprise that is separate from the City's General Fund. Additionally, the City's parking facilities are regularly used as collateral in the issuance of bonds, and the transfer of ownership will allow for easier realignment of collateral (the parking facilities) as property values increase and outstanding bond balances decrease over time.

The parking facilities that will be affected by the transfer are as follows:

1. 221 North Crescent Drive;
2. 333 North Crescent Drive;
3. 321 South La Cienega Boulevard;
4. 9361 Dayton Way;
5. 440 North Camden Drive;
6. 461 North Bedford Drive;
7. 9510 Brighton Way;
8. 216 South Beverly Drive;
9. 438/439 North Beverly Drive;
10. 345 North Beverly Drive;
11. 455 North Crescent Drive; and
12. Santa Monica 5 Metered Parking Facilities.

Given their unique functions, the Civic Center parking structure that serves the police department, library and city hall, and the 9333 Third Street parking structure, which serves the City's buildings on Foothill Road, will not be transferred to the Parking Authority.

ANALYSIS

Pursuant to Government Code §65402¹, no real property shall be acquired or disposed of without findings of consistency with the General Plan first being made. Although the City Council takes the final action to determine whether to approve the transfer of property, the transfer must first be found to be consistent with the General Plan. Because the Planning Commission has jurisdiction over findings of General Plan consistency, the Commission must forward its findings to the City Council prior to final action being taken on the item.

The proposed transfer of ownership will not result in any changes to the current day to day operations of the parking facilities, will not result in any land use changes, and allows the City to continue to operate in a streamlined and fiscally prudent manner (General Plan Policy ES 1.1²). Therefore, the transfer of ownership is consistent with the City's General Plan.

NEXT STEPS

It is recommended that the Planning Commission adopt the attached finding and direct staff to report to the City Council the Planning Commission's finding that the transfer of City parking facilities to the Beverly Hills Parking Authority is consistent with the General Plan.

DRAFT FINDING

General Plan Consistency

1. *The transfer of certain parking facilities to the Beverly Hills Parking Authority is consistent with the City's General Plan.*

The proposed transfer of ownership will not result in any land use changes, and allows the City to continue to operate in a streamlined and fiscally prudent manner as directed by the General Plan (General Plan Policy ES 1.1). Therefore, the transfer of ownership is consistent with the City's General Plan.
