Attachments: 1. Agreement

RECOMMENDATION

It is recommended that the City Council approve an agreement between the City of Beverly Hills and Utopia Entertainment, Inc. for holiday décor and program management and approve a purchase order in a not-to-exceed amount of \$270,000 for these services.

INTRODUCTION

This item requests the City Council approve the agreement with Utopia Entertainment, Inc. for holiday décor and program management for the City's 2011 holiday program. The services Utopia will provide will complement the décor program being planned for Rodeo Drive through the partnership with Swarovski.

DISCUSSION

In August staff initiated discussions with Utopia Entertainment, Inc. for a proposal for the production and installation of décor elements throughout the city that will complement the Swarovski design program on Rodeo Drive.

Proposed Holiday Program Funding Details:

- The City's Fiscal Year 2011/12 budget for holiday décor and programming is \$450,000.
- Swarovski has committed \$75,000 for the program on Rodeo Drive and has pledged an additional \$225,000 in matching funds for a total investment of \$300,000.
- The Rodeo Drive Committee has requested an allocation of \$45,000 for the program by utilizing the City's proposed contribution of \$20,000 for Snow90210 and the \$25,000 earmarked for an additional event.
- The \$45,000 allocated by the City to the Rodeo Drive Committee will be used to reduce the City's matching funding to Swarovski by \$45,000 (\$225,000 to \$180,000).
- This leaves a balance of \$270,000 for an agreement with Utopia Entertainment, Inc. for décor elements and program management to complement Swarovski.

On August 22nd, staff met with the Liaison Committee to review Utopia's proposal and to obtain feedback on the décor elements that should be prioritized for inclusion in this year's holiday program. Based on the feedback from the Liaison Committee and in consultation with the City Attorney's Office, staff prepared an Agreement for Services with Utopia Entertainment, Inc.

A complete scope of work is included as Exhibit C in the attached Agreement. The Agreement includes a range of services aimed at providing seamless management of the City's holiday décor program. Principal services include competitive bidding for service vendors, oversight and management of vendors, responsibility for coordination between a variety of City departments and vendors, response and correction of technical and maintenance issues during the display period, and oversight of storage of the décor.

Utopia Scope of Work Key Deliverables:

- The existing yellow lights on the six arch spans across Wilshire Blvd will be replaced with white lights. The white lights will provide thematic consistency with the crystal "sparkle" theme on Rodeo Drive.
- New street pole banners will be fabricated with designs provided by Swarovski. Fabrication is a one-time cost included in this year's scope of work. The installation of the banners is a recurring cost. Banners have a typical shelf life of three years.
- The estimate for the twinkle lights on trees throughout the City's commercial areas does not include temporary power as it did in prior years. Earlier this year, as part of the Capital Improvement Program, the City completed the electrical infrastructure upgrades needed to provide power for holiday lighting.
- Canon Drive will have featured décor elements including garland on the light poles from South Santa Monica to Wilshire Blvd and new silver bows will be

added to the top of the poles, which will provide thematic consistency with the Swarovski program.

- Per the direction from the Liaison Committee, the scope of work does not include the installation of Santa décor at Wilshire and Beverly. The Liaison Committee recommended that the Santa décor be donated to a City that does not currently have holiday décor.

FISCAL IMPACT

The City's Finance Division budgeted \$26,075,000 in Transient Occupancy Tax revenue for Fiscal Year 2011/12, which results in a base tourism and marketing budget of \$3,725,000 (this figure does not include the projected \$420,000 in carryovers from Fiscal Year 2010/11). The City Council has designated \$450,000 of this funding for the holiday décor program and it is budgeted in the Holiday Program account 0101312. The agreement with Utopia Entertainment, Inc. is for a total of \$270,000.
