### INTRODUCTION

An exclusive group of former Mayors of the City of Beverly Hills engages in ongoing meetings and activities to continue their leadership efforts and promote the city. These former mayors meet regularly and represent a unique group of talented and influential civic leaders.

### DISCUSSION

Mayor Brien is requesting approval of a new Committee of former Mayors with the interest and availability to leverage their unique talents in promoting the City's Centennial. These efforts would complement – and work in conjunction – with the established program vision and initiatives of the City Council and related volunteer and partner groups.

The Mayor envisions selecting the Committee members from those former Mayors who express interest following an invitation to all former Mayors to participate.

### FISCAL IMPACT

None at this time.

### RECOMMENDATION

That the City Council consider the Mayor's request to establish a former Mayors Centennial Committee.
