RECOMMENDATION

Staff recommends that the City Council move to approve a purchase order to Rotational Molding Inc. for the purchase of 300 Gallon Refuse Container Lids and authorize a purchase order in the amount not to exceed \$371,200.00 for FY 2013/14.

INTRODUCTION

RFP specifications were prepared and proposals opened on February 6, 2014, for 300 gallon refuse container lids. From this RFP #18-14, Rotational Molding Inc. and Snyder Industries, Inc. submitted proposals. Of these proposals, Rotational Molding Inc. submitted the lowest and fully responsive proposal. Staff has evaluated the lids and recommends an award of a purchase order to Rotational Molding Inc. in the total amount of \$371,200.00, including tax, for 3500 black 300 gallon lids.

Vendor	Total Price (No Tax)
Rotational Molding, Inc	\$ 97.30
Snyder Industries, Inc	\$ 104.49 (70/30 Type) \$ 129.49 (50/50 Type)

DISCUSSION

The 300 gallon refuse containers are used in the residential alleys to service the residents throughout the City. The existing container lids are damaged and worn beyond repair. These container lids will replace the damaged lids north of Wilshire Boulevard and the container lids south of Wilshire Boulevard that service multi-family alleys.

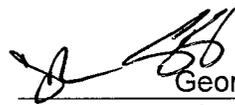

FISCAL IMPACT

The total amount of this purchase order is for \$371,200.00. These funds are available and budgeted for in Fund 83, the Solid Waste Enterprise Fund.
