INTRODUCTION

This report advises of a site observation on March 4, 2014 at the Wilshire/San Vicente Gateway location.

DISCUSSION

The purpose of this site observation is to offer the City Council the opportunity to see the 40' marker reflecting the height of the proposed gateway monument and affirm direction to proceed with the final design documents.

A shuttle bus will be provided for transportation to and from the Wilshire and San Vicente site immediately prior to the March 4, 2014 Study Session at 1:45pm.

Subject to the City Council's response to the height simulation, Gruen will complete the documents with bidding to occur in May 2014.

FISCAL IMPACT

None at this time.
