RECOMMENDATION

Staff recommends approval of the attached Memorandum of Understanding between the City of Beverly Hills and the Supervisors Association of Beverly Hills.

INTRODUCTION

The Supervisors Association of Beverly Hills represents all members within the supervisory employee unit in the City. The last Memorandum of Understanding (MOU) expired October 5, 2013. Representatives of the Association and the City, having met and conferred in good faith since August of 2013, have agreed to the terms found in the attached MOU. The new agreement has a term of two years from October 6, 2013 to September 30, 2015.

DISCUSSION

The terms of the newly negotiated Memorandum of Understanding were presented to the City Council at the meeting of May 20, 2014. This item comes before the City Council again this evening for a second review as required per Ordinance 13-O-2651 addressing the procedure for adopting or amending a Memorandum of Understanding between the City and an exclusively recognized employee organization. A summary of the changes to the Memorandum of Understanding are reflected in Attachment 1.

FISCAL IMPACT

In compliance with the Beverly Hills Municipal Code, Article 5 Section 2-5-505: Economic Analysis, a fiscal impact analysis of the proposed memorandum of understanding was conducted by the outside firm, MGO Certified Public Accountants. The attached report found that though there was a calculation discrepancy between the two years of the contract, "the total of salary and benefits allocated over both years was correct."

Over the next two years, this MOU will result in an increase in compensation related costs to the City of \$101,594.

All car allowances will be paid per the Administrative Regulation 3A.4.

ARTICLE 6: APPOINTMENT AND ADVANCEMENT

A. Movement Through Range

The City Manager may make appointments to or advancements within the prescribed ranges of specific positions upon evaluation of employee qualifications and performance. Normally, employees shall be appointed to the first step (although they can ask to be appointed above the first step, if appropriate based on experience) and shall be eligible to be advanced through the five (5) basic steps in their allocated schedules as follows:

1. Probationary Employment: The probationary period for all positions in the bargaining unit shall be one year. After six (6) months of satisfactory service, a probationary employee appointed at Step I shall receive a salary step increase to Step II of the prescribed schedule as well as be eligible to use all accrued leave benefits. Step increases will be provided to employees as follows:

- I step to II step at 6 months of satisfactory service (which could be longer than 6 months)
- II step to III step – 12 months after moving to II step
- III step to IV step – 12 months after moving to III step
- IV step to V step – 12 months after moving to IV step

A Department Head has the right to extend an employee's probationary period for two reasons: 1) the employee has missed at least 15 work days during his/her probationary period; or 2) based on an employee's work performance, the Department Head wants more time to determine whether the employee will be passed off probation. If the reason for the extension is days missed from work during probation, the probationary period will be extended by the number of workdays the employee has missed (for any reason), excluding approved vacation leaves during his/her probationary period. If the reason for the extension is work performance, the probationary period cannot be extended by more than an additional six (6) months. In all cases, the City will inform a probationary employee in writing that his or her probation has been extended prior to any extension and will inform such employee of the new date upon which his or her probationary period will end.

Probationary employees appointed to a step other than the first, shall not be eligible to receive a step increase at the six month mark as described above, but rather on their anniversary date (*i.e.*, the date they pass probation.)

2. Permanent Employee Advancement: Unless otherwise provided, every permanent employee (*i.e.*, employees who have successfully completed their probationary period) shall receive step advancements in the following manner:
 - a. Each year, an employee shall be eligible for salary step increases for Steps III-V, provided, however, an employee whose evaluation is timely given (*i.e.*, within one calendar week of the employee's anniversary date) and whose overall performance is less than "meets standards", may have his or her merit increase withheld or delayed.
 - b. Such an increase is recommended by the employee's supervisor and the Appointing Authority (as defined throughout this MOU as each employee's Department Head or designee), and is approved by the Assistant Director of Administrative Services/Human Resources.

B. Reclassification, Promotion and Y-Rating

1. Reclassification: When a position in the unit is reclassified upward, the employee in the position may be appointed to the reclassified position, providing that:

- a. The employee has held the position which was reclassified for a minimum of ninety calendar (90) days immediately prior to the reclassification; and
- b. The employee meets the qualifications established for the reclassified position.

If the employee does not meet both of the above criteria, the reclassified position shall be filled through a recruitment process.

2. Y-Rating: The City may offer to “Y”-rate an employee whose position has been eliminated, reclassified downward or for some other reason which has caused the compensation of a position to be reduced. In the event an employee in a position is Y-rated, the employee's monthly base salary shall not be increased until the monthly base salary of the position held by that employee exceeds the monthly salary paid to that employee.
3. Compensation After Promotion Or Upward Reclassification: Every employee who is promoted or who is appointed to a position which is reclassified upward shall be appointed to the first step of the salary schedule of the new classification or at least 5% above the step and schedule of his/her previous classification, whichever is higher.

C. Employee or SUP Initiated Request for Reclassification

If the duties and responsibilities of a position have changed and are no longer accurately described by the classification specification for her/his position, the employee or SUP may request to the Assistant Director of Administrative Services/Human Resources, that his/her classification specification be changed. Such requests shall be made in writing using a form specified by the Human Resources Division and a copy of which will be given to each potentially impacted employee's respective department head at the initial filing. All requests for a given fiscal year must be submitted to Human Resources no later than December 1 for implementation in the next fiscal year.

The Assistant Director of Administrative Services/Human Resources shall make a study of the position and report her/his findings to the City Manager prior to City Council budget presentations. A copy of the report shall be provided to the employees affected prior to City Council budget presentations. If classification specifications are modified in such a manner as to necessitate a change in compensation level, or if an employee is reclassified as long as employees have been working in the position for at least 180 days, the change shall be effective the next July 1 or the effective date of the next City budget.

The decision of the City Manager shall be final. In the event the reclassification request is denied, neither the employee nor the SUP have the right to grieve the decision.

This procedure relates only to the request of an employee or the SUP for reclassification.

D. Special Merit Step Advancement

The City Manager may, upon the recommendation of the department head and the Assistant Director of Administrative Services/Human Resources, authorize the advancement of an employee to any of the four (4) steps earlier than he/she would normally be eligible for length of service. Such increases shall be effective on the first day of the pay period following approval by the City Manager, if not otherwise specified by the Appointing Authority. A special merit step advancement shall affect the anniversary date of an employee, causing it to change to the effective date of the special merit step advancement.

E. Special Assignment Increase

A special assignment increase may be granted (upon approval of the Assistant Director of Administrative Services/Human Resources) to an employee by an Appointing Authority provided that the employee is clearly performing specific duties above and beyond that required by his/her classification while not assigned or authorized to be filling a position out of classification. The Appointing Authority shall submit his/her recommendation and justification to the Assistant Director of Administrative Services/Human Resources for approval. The Assistant Director of Administrative Services/Human Resources will review the recommendation and determine whether it is warranted given the standards of this section. Said increase shall be 6% above the base salary paid to the employee. Annually a review by the Assistant Director of Administrative Services/Human Resources of the special assignment shall be made to determine if it is still warranted.

F. Temporary Employment

Temporary employees may be hired by the City to backfill for an employee on a leave of absence, if an incumbent leaves City employment and there is not an active eligibles list and the City has a temporary need for an employee. Temporary employees (one or more) can be hired for 180 days maximum (cumulative total if more than one is temporary employee is hired), except a temporary employee hired to backfill for an employee who is on a medical leave of absence. The City may hire the same person to work as a temporary employee for a different vacancy or leave. If the City needs an extension of the 180 days, it may ask the Association to grant it. The Association must grant the first extension up to 90 days. After that, an additional extension requires the City show good cause and the City must meet and confer with the Association regarding the additional extension.

In addition to the previous paragraph, a person may be hired to a temporary appointment for up to a maximum of 180 days as determined by the department to satisfy a temporary need. Prior to hiring a temporary employee who is hired neither to replace an employee absent from duty or to fill a vacancy (*i.e.*, a determined short term (180 day or less) need), any such work will first be offered to bargaining unit members on an overtime basis. If such work can be done by employees, such a temporary employee will not be hired. If all

the work offered on an overtime basis to bargaining unit members is not accepted by employees, the City may also appoint persons on a temporary basis to perform the work not accepted by the employees on an overtime basis.

G. Superior - Subordinate Relationship

For the purpose of this section, a superior-subordinate relationship is defined as a relationship in which a classification has the responsibility for the direct supervision of another classification.

In such a relationship, the superior shall be paid a monthly salary rate above his/her subordinates. When a subordinate's monthly salary rate is equal to or exceeds that which is being paid to his/her superior, the superior shall receive a special adjustment of 3% above the salary received by his/her highest paid subordinate.

At any time the superior's base salary (excluding this salary adjustment) exceeds 3% above the base salary of his/her subordinates, the salary adjustment granted to him/her by this section shall be eliminated.

Monthly salary rate is defined as the base monthly salary paid to a position. Excluded from salary computations for this provision are any bonuses paid, shift differentials, overtime payments, or any additional payment to a position.

H. Filling Position Out Of Classification (FPOC)

Every employee assigned to and working in a classification with a salary schedule above that of the employee's regularly assigned position as the result of special departmental need shall be paid while so assigned at a step within the range for the higher classification after serving eighty (80) hours during his/her employment (including time served in the assignment prior to September 1, 2010 at the higher classification. Once the employee is eligible for FPOC and is assigned and performs the duties of the higher classification, the employee shall receive 10% above the pay rate of his/her regular classification provided that no rate higher than the fifth step, nor lower than the first step of the salary schedule for the classification in which the work is performed is paid, and is consistent with other provisions of this MOU regulating such assignments. No position may be filled out of classification unless established departmental procedures are followed and authorization from the Appointing Authority is obtained. Probationary employees are not eligible to fill a position out of classification.

To be eligible for compensation for filling a position out of classification, the employee has to meet the criteria for the higher classification and be capable of performing those specific tasks which he/she will be performing during this acting time and which differentiates it from the lower classification. Before FPOC status is attained, the necessary personnel forms shall be approved by the Appointing Authority and Assistant Director of Administrative Services/Human Resources.

Employees assigned to fill positions out of classification shall not acquire status or credit for services in the higher class and may be returned to their regular position at any time. Employees receiving FPOC pay shall not receive the higher salary when on vacation or sick leave for three calendar weeks or longer.

CHAPTER 3 - BENEFITS

B. For “New Members” As Defined By the Public Employees’ Pension Reform Act of 2013 (PEPRA)

In addition, new members will pay additional amount for their retirement contribution as cost sharing in accordance with Government Code section 20516(f). Once that determination is made by PERS the City will be reimbursed for the advanced disability payments. If the City disputes the application for disability retirement, no advanced disability retirement payments will be provided. In the case of an employee who files for service retirement pending his/her application for disability retirement which the City disputes, the City will advance only that portion of the retiree's pension that is undisputed.

For employees who participate in medical insurance through CalPERS, the amount described above will include the PERS statutory minimum paid by the City.

Effective January 1, 2014, employees shall be provided with the amount of \$1,873.00 (inclusive of the statutory minimum) for the purchase of the optional medical, dental and optical insurance benefits.

Effective January 1, 2015, employees shall be provided with the amount of \$2,000.00 (inclusive of the statutory minimum) for the

purchase of the optional medical, dental and optical insurance benefits.

- (1) Medical Insurance: Eligible employees may select any of the HMO or PPO medical insurance plans offered by CalPERS:

If CalPERS changes any of the medical insurance plans by either adding to or deleting the plan options described above, employees will be limited to those plan options offered by CalPERS.

For each of the plans, employees will also be able to choose the benefit for the employee, employee + 1 or employee + family. Covered employees are required to participate in CalPERS medical insurance under one of the available options, unless the employee provides the City with proof that he/she has comparable medical insurance from another source.

- (2) Dental Insurance: Employees shall also have the ability to select from two levels of dental insurance from the City's dental insurance provider, Guardian. The City reserves the right to change dental insurance providers if necessary. If it does, employees will be provided with equivalent benefits with the new provider. As with medical insurance, employees will have the options of: employee, employee + 1 or employee + family. Employees do not have to choose any dental insurance and need not provide proof of dental insurance from another source.

- (3) Optical Insurance: Employees shall also have the ability to select from two levels of optical insurance from the City's optical insurance provider, Vision Service Plan (VSP). The City reserves the right to change optical insurance providers if necessary. If it does, employees will be provided with equivalent benefits with the new provider. As with medical insurance, employees have the options of: employee, employee + 1 or employee + family. Employees do not have to choose any optical insurance and need not provide proof of optical insurance from another source.

- c. Employee Contributions for Benefit Options: If an employee chooses optional benefits whose aggregate cost exceeds the maximum City contributions to the Cafeteria Plan, the City will

automatically deduct the excess amount on a pre-tax basis from the employee's bi-weekly payroll.

- d. The Receipt of Cash Through the Cafeteria Plan: Employees will be eligible to receive cash up to a maximum of \$475 per month (subject to taxation as wages) through the cafeteria plan if they either opt out of receiving one of the optional benefits provided through the plan or if they choose optional benefits that do not cost as much as the maximum dollar amount they receive through the plan.
 - 1. Deferred Compensation: In accordance with the tax rules, any cash that an employee may receive through the cafeteria plan may not be deferred to the employee's accounts under the City's retirement plans. The employee may, however, be able to elect to increase his/her deferrals to the City's retirement plans from his/her regular wages.

- e. Flexible Spending Accounts: The cafeteria plan will also offer employees the opportunity to participate in both a health care and dependent care flexible spending account (each an FSA) whereby employees will be able to defer up to the maximum permitted by law (for both the health care FSA and dependent care FSA) to pay for any eligible out of pocket expenses related to health care or dependent care on a pre-tax basis. The provisions of both of these FSA's will be provided in a plan document. The plan document will be available to each eligible employee upon request. Essentially, before January 1 of every year, employees will be able to elect to have their compensation (up to the aforementioned limits) for the upcoming year deducted biweekly and contributed on a pre-tax basis to the FSA. During the year (and for a short grace period thereafter), an employee can receive reimbursements under the FSA for covered expenses incurred during the year, up to the amount of the employee's contributions for the year. The FSA deductions will be withheld from employees' regular payroll.

- f. Benefits if on an Industrial Leave: In the event an employee is on a leave without pay as a result of an industrial injury, the City shall pay the PERS statutory minimum for that employee (assuming the employee wants medical coverage from the City) for the duration of the leave. In addition, outside of PEMHCA, assuming the employee wants to be covered by medical, dental or optical insurance the employee shall receive his/her additional cafeteria plan contribution and or cash back (up to the maximum amount provided above) for one month for each full year of service up to one year. If an employee chooses to opt out of insurance and

receive cash as described above, he/she will be eligible to receive that cash for one month for each year of full service up to one year.

ARTICLE 9: RETIREE HEALTH INSURANCE

A. For Employees Hired Prior to January 1, 2010

For employees hired prior to January 1, 2010, they shall be eligible (as retirees) for continued medical benefits up to \$350.00 per month (which includes the PERS statutory minimum, *i.e.*, the employee will receive a check for the difference between \$350 and the PERS statutory minimum) unless and until the following occur:

1. The retiree reaches age 70, or
2. The retiree becomes eligible for Medicare (if the employee is eligible for Medicare, the City will pay the designated Medicare supplement rate not to exceed \$350 per month), or
3. The retiree is or becomes eligible to be a participant in another employer-paid medical plan or Veteran's Administration benefit

For eligible retirees (as described below) who are age 70 or above, the City shall pay up to \$150/month (which includes the PERS statutory minimum, *i.e.*, the employee will receive a check for the difference between \$150 and the PERS statutory minimum) toward medical coverage under PERS. If the statutory minimum exceeds \$150, the City shall pay the statutory minimum for such employees. In this situation the employee will not get a check from the City. Eligible retirees include those full time SUP employees who:

1. Retire after July 1, 2000; and
2. Take a service retirement and are not subsequently covered under PERS with another agency; and
3. Have 20 or more years of full time service with the City of Beverly Hills prior to retirement.

For those retirees over age 70 who do not otherwise meet the eligibility criteria the City will pay the PERS statutory minimum on their behalf.

Retirees and their dependents will not be permitted to receive cash back options per the cafeteria plan.

B. For Employees Hired On Or After January 1, 2010

Employees hired into the unit as new employees by the City on or after January 1, 2010 who retire from the City will receive the PERS statutory minimum paid by the City.

In addition, for employees hired into the unit as new employees on or after January 1, 2010, in lieu of additional retiree medical insurance benefits, the City shall, while the employees are working for the City, contribute the sum of \$150.00 per month (\$69.23 per pay period) to a retirement account on behalf of such employees.

For employees who enter the unit on or after January 1, 2010 who were City employees as of December 31, 2009, they will receive retiree medical benefits as though they were a member of the bargaining unit prior to January 1, 2010.

C. Purchasing Additional Insurance If Funds Are Insufficient to Cover The Cost of Chosen Benefits

Any retiree whose City contribution for retiree medical, dental and/or optical insurance is insufficient to cover the actual cost of such insurance for the retiree and his/her eligible dependents can purchase such insurance through CalPERS by paying the additional amount in excess of the City contributions, if any.

ARTICLE 10: OTHER INSURANCE

A. The following benefits are provided to all employees at the City's expense:

1. Term Life Insurance: \$50,000.00 term life insurance policy
2. Disability Insurance: policy provides two thirds (2/3) of monthly salary up to a maximum of up to \$6,000.00 per month, except as may be provided under the applicable plan document. This plan has a 60-day elimination period. Employees may use accrued leaves to supplement payments received by the disability insurance plan. However, the employee may not receive more than 100% of their regular wages.

B. Supplemental Term Life Insurance: Employees may also purchase supplemental term life insurance, if available, with deductions from their bi-weekly compensation as designated by each employee. Although employees may use cash wages they receive through the cafeteria plan (if applicable) to purchase supplemental term life insurance, they cannot defer cash wages they receive through the cafeteria plan directly into the purchase of supplemental term life insurance. It must be an after tax deduction from their paycheck.

ARTICLE 11: MEDICAL DISABILITY SEPARATION

In the event an employee who has passed probation, is physically/mentally incapacitated from performing his/her job, and the employee is not eligible to receive a disability retirement from PERS, the City may separate the employee for medical reasons.

The separation would be considered "in good standing" which would enable the employee to be eligible for reinstatement pursuant to the Rules and Regulations section governing separation.

ARTICLE 12: TUITION REIMBURSEMENT

In accordance with the requirements of Administrative Regulation, Number 3A.2, the City shall reimburse an employee for attending an accredited college or university provided that the course is directly job related. If an individual is pursuing a degree, the City shall reimburse the employee for only those courses taken in the major, provided the degree objective is job related.

To be eligible for tuition reimbursement each employee shall (prior to each fiscal year) submit a document setting forth the following: the name of the institution at which the course(s) will be taken, the title(s) of the course(s) for which he/she is seeking reimbursement, and how the course(s) is directly related to the employee's job to his/her department head or designee, who shall forward it for approval to the Human Resources Department. Since eligibility requirements are set forth in the Administrative Regulation and require advance approval from a supervisor, department head and Human Resources prior to the commencement of education, employees wishing to receive tuition reimbursement are encouraged to review the policy.

ARTICLE 13: TOOLS, UNIFORMS, AND SAFETY BOOTS

- A. Tools: During January of each year, the City will pay any employee in the classification of Maintenance Supervisor who is required to furnish tools an annual tool allowance of \$500. This amount may be taxable in accordance with law. The City agrees to continue to furnish the current assortment of tools. City will not require employees to provide any receipts to receive the tool allowance.
- B. Uniforms: Supervisors shall receive five uniforms a week at City expense. The uniforms shall be the property of the City. The City shall replace damaged or worn out uniform parts, as necessary.
- C. Safety Boots: The City agrees to reimburse each employee up to \$300 per year for the purchase of safety boots provided the employee's department head determines the need to use safety boots as part of the employee's job and the employee submits receipts for the boots purchased. Safety boots reimbursements shall be paid within two (2) pay periods of the employee submitting the receipts.

The parties agree that to the extent permitted by law, this is special compensation and shall be reported as such pursuant to Title 2, CCR 571(a)(5) the City will report as special compensation, the value of the uniforms for a unit member employed on or before December 31, 2012. "New members" as defined under the Public Employees' Pension Reform Act of 2013 will not have the value of the uniforms reported as special compensation.

ARTICLE 14: BENEFIT PAYOFF UPON SEPARATION FROM CITY SERVICE

- A. **Vacation Pay-Off**

Employees who separate from City service shall be paid for accumulated vacation.

B. Sick Leave Pay-Off

All accumulated sick leave at the date of separation from City service shall be the basis for determining the amount to be paid to each employee who qualifies to receive sick leave pay-off.

Only employees who have ten (10) or more continuous years of City service shall be eligible for sick leave pay-off upon separation from employment with the City. Employees with less than ten (10) years of continuous service shall not be eligible to receive any pay-off for unused sick leave.

The rate of Sick Leave pay-off shall be calculated as follows: Three percent (3%) of accumulated sick leave per full year of service. Sick leave shall be calculated at the base rate of pay received by the employee at the time of his/her separation.

Each employee eligible to receive sick leave pay-off shall receive said pay at the time of separation.

C. Pay for Employees Subject to Layoff

In addition to the layoff provision of the Personnel Rules, any employee who is laid off shall receive severance pay of one day of their current salary, for each full year of service with the City, up to a maximum of ten (10) days of salary.

CHAPTER 4 - WORK HOURS

ARTICLE 15: HOURS, WORKWEEKS AND WORK SCHEDULES

A. Workweek and Work Schedule

The workweek for all members of the unit shall be 168 regularly recurring hours. For employees working a 5/40 or 4/10 work schedule, it shall begin on Sunday at 12:00 a.m. and end at 11:59 p.m. the following Saturday. For employees working the 9/80 work schedule, each employee's designated FLSA workweek (168 hours in length) shall begin exactly four hours after the start time of his/her eight hour shift on the day of the week that corresponds with the employee's alternating regular day off.

1. A 5/40 schedule consists of a weekly work schedule of 5 consecutive workdays of 8 consecutive hours each.
2. A 9/80 schedule consists of alternate workweeks of 4 consecutive workdays of 9 consecutive hours each, followed by 5 consecutive

workdays, four of which consist of 9 consecutive hours each and 1 day of 8 consecutive hours.

3. A 4/10 schedule consists of a weekly work schedule of 4 consecutive workdays of 10 consecutive hours each.

The Department Head retains the right to make de minimis changes to the start time of the employee(s) work schedule (*i.e.*, changing the start time of an employee's workday by 30 minutes or less from its regularly appointed time). In addition, a Department Head may make a schedule change by changing the start time of the employee(s) work schedule (one hour or less) by giving the employee and Association at least three (3) months notice. The City may elect to meet and confer with the Association prior to implementing such a schedule change in lieu of providing the three (3) months notice.

Nothing shall prohibit an employee and a Department Head from agreeing to a modified work schedule.

Any other changes to an employee(s) work schedule (including, but not limited to, changing the start time by greater than one hour) may be made by mutual agreement of the parties. In the event a major schedule change (*i.e.*, from a 4/10 to a 9/80 or vice versa) is proposed within a department or city wide, to which the employee(s) has objections or concerns, the Association may request to meet and confer prior to the implementation of the new schedule and the City will meet within 14 calendar days.

B. Hours of Operation

Every general office of the City, except those to which special regulations apply, shall be kept open for business on all days of the year, except Saturdays, Sundays and holidays, continuously from 7:30 a.m. until 5:30 p.m. Employees shall be assigned a minimum of forty (40) hours per week, except in those departments operating under other Council approved schedules. Schedules which differ from the one prescribed in this section shall be filed with the Assistant Director of Administrative Services/Human Resources by the department head.

ARTICLE 16: OVERTIME

A. Accurately Reporting Time Worked

Employees are required to accurately report all time worked on their time sheets. Under no circumstances may an employee work any time in addition to his/her regular work hours before or after work or on an unpaid meal break without first receiving approval in advance from his/her supervisor. Thus, all overtime requires advanced approval. In addition, since no supervisor is permitted to require an employee to work overtime without it being reported on his/her time sheet, if an employee works such time it will be recorded.

B. Earning Overtime and Assigning Overtime Work

Employees shall be paid overtime compensation at the rate of 1.5 times their regular rate of pay when required to work, a) in addition to their regular work hours on a regular workday; b) on a day which is not their regular workday; or c) for working more than forty (40) hours in a workweek. If an employee uses leave on a particular workday and then works hours beyond his/her regular shift hours at his/her supervisor's request on the same day, the employee may receive overtime for those hours or, if he/she requests to flex his/her hours for that day so as to not use their leave time (and it is acceptable to the employee's supervisor) no overtime will be earned.

In an effort to equitably distribute overtime, the employee in class who has worked the least amount of overtime year to date (calendar year) shall be offered the overtime first. Then the employee with the second least amount of overtime will be offered an overtime shift and so on.

In the event that no one volunteers for the overtime the least senior employee in class will be required to work the overtime. Each year, the amount of overtime worked will be zeroed and the first overtime will be offered to the most senior employee in class.

In the event an employee has worked more than 12 consecutive hours, a determination will be made by the employee's supervisor whether or not the employee shall be allowed to continue working. If the supervisor determines that the employee cannot safely work because they have worked longer than 12 consecutive hours and have not had a reasonable rest period, the employee can be allowed to perform other work for the remaining portion of his/her shift and receive his/her regular rate of pay. If, at the direction of the supervisor, the employee is sent home for all or part of his or her shift, he/she shall receive his/her regular pay for the hours not worked.

If the employee determines that he/she cannot safely continue to work, he/she shall be permitted to leave and will be able to use vacation, compensatory time or accrued personal holiday leave.

C. Compensatory Time

Employees working overtime shall receive either pay or compensatory time at the department head's discretion except for premium payments associated with holidays which shall be at the employee's discretion. Employees can accumulate up to 40 hours of compensatory time. Since compensatory time is earned at 1.5 hours for each hour of overtime worked, 40 hours of compensatory time equates to 26.66 hours of overtime worked. Once an employee has 40 hours of accumulated compensatory time, he/she cannot accumulate any additional compensatory time until his/her bank is below 40 hours. Employees will be cashed out of any accumulated compensatory time at their then existing regular rate of pay when they leave employment with the City.

An employee wishing to use his/her accumulated compensatory time must provide reasonable notice to his/her supervisor. If reasonable notice is provided, the request will only be denied if the request is unduly disruptive to the operations of the employee's department. For purposes of this agreement, reasonable notice is defined as at least one calendar week. If an employee wishes to use compensatory time without providing reasonable notice, the decision to grant or deny that request will be at the discretion of the employee's supervisor.

ARTICLE 17: STAND-BY AND CALL-BACK

A. Stand-by

Employees in the unit may be required to be on standby for many different reasons. Being on standby means that the employee is required to promptly return to work after being called and be fit for duty and able to respond. Employees are not permitted to drink alcohol while on standby.

Employees on standby shall receive a cell phone from the City and will be required to respond to the call or text as quickly as possible. Upon responding, the employee will be instructed as to whether he or she is required to return to work and will be informed of the location to which he or she must respond. Response time will generally be the employee's normal commute time and any additional minimal time necessary to get ready to return to work. Standby lists shall be created monthly, at least one week in advance of any standby shift by volunteers first, then by inverse order of seniority. Employees will be permitted to trade stand-by shifts with their colleagues.

Employees required to be on standby, shall receive three (3) hours of pay per day of standby at straight-time.

B. Call Back

An employee called to work while off duty shall receive a minimum of four (4) hours pay at time and one-half the employee's regular rate of pay. If an employee is only required to talk on the phone and not report to work, he/she will be paid for his/her time. An employee called back for more than four (4) hours shall receive pay at the rate of time and one half for each hour worked in excess of four (4).

CHAPTER 5 - LEAVES OF ABSENCE

ARTICLE 18: SICK LEAVE

A. Except as is otherwise provided, each employee shall accrue, use, and be compensated for sick leave as follows:

1. Accrual: Each employee shall accrue sick leave at the rate of 3.68 hours for each complete biweekly period of employment. Payroll division

records are the final authority for settling disputes regarding accrued and accumulated sick leave.

2. New Employment: With the exception of employees who change positions within the unit by promotion, transfer or for some other reason, sick leave accumulated shall not be available for use until an employee completes six months of service.
3. Use of Sick Leave: Accumulated sick leave may be used by an employee during a period of illness of the employee, child, step-child, parent, spouse, sibling or registered domestic partner.
4. Sick Leave Incentive: Employees who accumulate 69 hours or more of unused sick leave during any fiscal year may receive cash payment for up to 27 hours of the accumulated unused sick leave during the month of January of the following year. The sick leave shall be paid at the employees then existing rate of pay. Such days not paid for or taken may be accumulated to be used or taken as needed in the future, or paid for in accordance with the current 3% - 10 year program as referenced in Article 29 of this Agreement.

ARTICLE 19: VACATION

A. Authorization For Taking Vacation

With the exception of employees who change positions within the unit by promotion, transfer or for some other reason, vacation accumulated shall not be available for use until an employee completes six months of service. Upon completion of six months of service, every employee may take accumulated vacation if approved by the employee's department head or designee.

B. Accumulation

Employees may not accumulate more than 480 hours of vacation at any time.

Notwithstanding the above paragraph, employees with more than fourteen years of service whose vacation accumulation at the beginning of a calendar year is less than 480 hours may accumulate annual vacation which will result in their balance being above 480 hours. However, if at the end of any calendar year the vacation accumulation is above 480 hours they will not continue to accrue vacation until the balance falls below 480 hours, whereupon they will then continue to accrue vacation during that calendar year.

At the end of each calendar year, upon the employee's request, an employee with 240 hours or more of accumulated vacation, can receive cash payment for up to 20 vacation hours earned but not taken during the calendar year.

C. Application

An employee entitled to vacation shall make written application therefore in the manner and within the time directed by the Appointing Authority. Every department head or designee shall establish a vacation schedule for each calendar year based on employee requests and seniority of the employees concerned and subject to his/her right to plan work under his/her control and to allow vacations when employees can be spared. Each year between November 1 and December 15 employees shall submit vacation requests for the next calendar year. The determination of which requests shall be granted shall be made by seniority with the City. Thereafter, requests shall be submitted throughout the year and the determination as to whether a request is granted or denied shall be made on a first come, first served basis. Seniority is only a factor when employees request vacation at the same time. An employee with greater seniority cannot bump the vacation of a less senior employee whose vacation has already been approved. He/she shall notify employees as soon as possible whether their application is approved, and if not, of the period which is substituted. Any request submitted shall be deemed "approved" unless denied in writing within 14 calendar days of its submission.

D. Vacation Allowances

Vacation accrual shall be calculated on the basis of hours. Vacation credit shall accrue biweekly to employees at the rates indicated below:

<u>FIRST 4 YEARS OF SERVICE OF SERVICE</u>	<u>AFTER 4 YEARS THROUGH 14 YEARS OF SERVICE</u>	<u>AFTER 14 YEARS OF SERVICE</u>
3.07 Hours Bi-weekly 80 Hours/Yr	4.60 Hours Bi-weekly 120 Hours/Yr	6.13 Hours Bi-weekly 160 Hours/Yr

ARTICLE 20: HOLIDAYS

A. Holidays

Employees shall be entitled to the following paid holidays if such employee worked the normally assigned duty period the day before and the day after the holiday, or was absent on authorized paid leave during said periods:

New Year's Day	January 1
Martin Luther King Day	3rd Monday in January
Presidents' Day	3rd Monday in February
Memorial Day	Last Monday in May

Independence Day	July 4
Labor Day	1st Monday in September
Veterans' Day	November 11
Thanksgiving Day	Fourth Thursday in November
Day after Thanksgiving	Day After Fourth Thursday in November
Christmas Day	December 25

1. Every employee whose regular work schedule is Monday through Friday will observe holidays as follows:
 - a. If the holiday falls Monday through Friday, the employee will be granted a paid day off on the day on which the holiday falls.
 - b. If an employee is required to work on a holiday, the employee will be paid for the holiday, plus paid either 1½ times his or her regular rate of pay for the hours actually worked on the holiday or compensatory time at 1½ times the hours actually worked, at the employee's discretion subject to the maximum cap on accrual of compensatory time of 40 hours.
 - c. If a holiday falls on a day which is an off day for employees working the 9/80 or 4/10 work schedules, the employee shall receive a floating holiday in lieu of holiday pay. Floating holidays may be taken at each employee's discretion, subject to approval of the department head or designee. Generally, these floating holidays may be used after the holiday has occurred unless the employee requests to use the floating day contiguous to the actual holiday. If an employee does not use his/her floating holidays within the calendar year (with the exception of those floating holidays which are earned in November or December, in which case the employee will be able to use the floating holiday from that year for the first two months of the following year) in which the employee has received it, he/she will not earn an additional floating holiday in the next calendar year. The parties encourage employees in the unit to use their floating holidays. Since floating holidays cannot be removed from an employee once earned, and the parties do not want employees to have more floating holidays on the books than would be received within the current year, a floating holiday carried over at the end of the year results in the employee being unable to earn that holiday in the next calendar year. Department Heads or designees will not act unreasonably in granting requests to use floating holidays.

2. If the January 1, July 4, November 11 and December 25 holidays fall on a Saturday, the preceding Friday shall be considered the holiday; if the holiday falls on a Sunday, the following Monday shall be considered the

holiday. Employees whose work schedule is different from the Monday through Friday schedule, shall receive holiday benefits in the following manner:

- a. If the holiday falls on one of his/her workdays, he/she shall be given that day off with pay, if possible.
 - b. If the holiday falls on one of his/her days off, he/she shall be given one day off during the same pay period or receive compensation for one additional day's pay at the following rates: 5/40 – eight hours, 9/80 – 9 hours and 4/10 – 10 hours.
 - c. If a holiday falls on a day on which the employee is required to work, he/she will be paid for the holiday, plus either 1½ times his or her regular rate of pay for the hours actually worked on the holiday or compensatory time off at 1½ times the hours actually worked, at the Department Head's (or designee's) discretion.
3. All employees shall receive holiday pay for the number of hours that corresponds to their regular work day. (*i.e.*, If the holiday falls on the employee's 8, 9 or 10 hour day, the employee shall receive 8, 9 or 10 hours of holiday pay, respectively).
 4. For employees of the Library, on any other day on which the Library closes which are not listed on the holiday schedule, the employee may use vacation or compensatory time off to get paid for the day or, if approved by the employee's supervisor, come to work and perform duties approved by the employee's supervisor. An employee on probation for six months or less (who is not otherwise entitled to use vacation) will have the right to access vacation which has been earned (but which is not yet available for use) to be paid for all or part of the day when the Library is closed and they are unable to work.

B. Personal Holidays

After six months of service, employees shall earn personal holidays during the fiscal year as follows: For employees working a 5/40 – 16 hours, 9/80 – 18 hours, and 4/10 – 20 hours. Said holiday leave may be taken at the employees' discretion subject to supervisor and department head (or designee) approval. Employee shall request such holiday leave in writing. If an employee does not use all his/her personal holiday leave earned within the fiscal year in which the employee has received it, the amount of the employee's holiday leave accrual in the following year will be reduced by the amount of personal holiday leave carried over from the previous fiscal year such that employees cannot have more than two days of accrued personal holiday leave at any time. The parties encourage employees in the unit to use their personal holiday leave. Department Heads or designees will not act unreasonably in granting requests to use personal holiday leave.

ARTICLE 21: BEREAVEMENT LEAVE

Bereavement leave is an absence occasioned by the death of a family member, herein defined as a spouse, parent, grandchild, brother, sister, child, step-child, grandparent, in-law relations (father-in-law, brother-in-law, daughter-in-law, etc.) or registered domestic partner of the employee.

Up to a maximum of forty (40) hours of bereavement leave, per calendar year may be used in the event of the death of a family member. In the event an employee needs additional time off for this leave, he/she may use up to 40 hours of sick leave per calendar year.

Requests for bereavement leave shall be made in writing, when feasible and shall be approved by the appointing authority and the Assistant Director of Administrative Services/Human Resources.

ARTICLE 22: DISABILITY LEAVE

A. Salary Continuance for Industrial Disability Leave

All terms contained in this Article and the determination thereof, shall be as defined by the provisions of Division 4 of the California Labor Code, Sections 3201 *et. seq.*

1. In the event of an accepted work-related injury claim, the City shall pay the gross salary, less legally required deductions, to the injured employee for a period not to exceed fourteen (14) calendar days. Employees covered under this program shall not receive a monetary amount greater than they would receive if they had been working under normal conditions. Any disability indemnity received by the employee from the State of California for the purpose of ensuring a weekly or monthly income as the result of the same work-incurred injury for which the employee is receiving disability salary continuance from the City, shall be paid to the City for the first

fourteen (14) calendar days of absence due to injury in order to qualify for this program.

2. For an employee to qualify for this program, the department head must notify Risk Management and Human Resources in writing immediately upon receiving knowledge of a work-incurred injury.
3. Should an injured employee's period of absence exceed fourteen (14) calendar days, payment under this program will cease. An employee eligible to receive temporary disability indemnity may then utilize accumulated sick leave, vacation leave and compensatory time, which when added to his/her temporary disability indemnity payments will add up to full salary. An employee who elects not to utilize accumulated leave while receiving temporary disability indemnity payments must notify the Human Resources Office.
4. An employee seeking these benefits may be required to be examined by City authorized physicians at the discretion of Risk Management and Assistant Director of Administrative Services/Human Resources for the purpose of determining eligibility for this program.

ARTICLE 23: WITNESS LEAVE

Any employee who is required to serve as a witness pursuant to a lawful subpoena in any judicial or quasi-judicial proceeding in a manner other than one to which the employee is a party, or who is required to serve as a juror, shall be allowed time off without loss of pay to perform such duties. In addition, per California Labor Code § 230(b) and (c), an employee shall be allowed time off but with loss of pay, if the employee is a party to the matter for reasons other than actions within the scope of the employee's current or past public employment. All fees to which the employee is entitled by law for such services shall be paid (less transportation allowance, if any) to the City. This article is not applicable to those employees participating in judicial or quasi-judicial proceedings that are within the scope of their employment.

ARTICLE 24: LEAVE WITHOUT PAY

Requests for leaves of absence without pay must be submitted to each employee's supervisor and approved by the employee's department head or designee and shall be used only if all appropriate accumulated leaves (*e.g.*, sick leave may not be exhausted if the leave is not for a medical purpose) have been exhausted. Employees on leave of absence without pay shall not accrue vacation, leave rights, nor shall the City pay for any health benefits, except as required by law. Decisions whether to grant such a leave will be made based on operational needs of the Department. Approval of leave for the Professional Development Program of Article 12 is an exception to this Article.

ARTICLE 25: PROFESSIONAL DEVELOPMENT PROGRAM - SABBATICAL LEAVE

A Professional Development leave of absence (sabbatical leave) program shall be established with the following privileges and restrictions:

- A. The granting of sabbatical leaves shall be at the sole discretion of the City Manager and not subject to a challenge, appeal or grievance if denied.
- B. A Professional Development Leave shall be at the employee's expense. Employees may elect to use paid accrued leave (with the exception of sick leave) at their option to receive compensation while on a leave of absence under this article. If no leave is used, the leave will be without pay. In addition, if this leave is granted, the employee shall be responsible for paying for all expenses associated with the leave.
- C. Approval of requests for sabbatical leave shall be based on the following criteria:
 1. Content of a leave program with a basic requirement that the program be designed to professionally develop the employee in a manner potentially beneficial to his/her city employment.
 2. A plan for maintaining work continuity of the employee's duties and responsibilities during his/her absence, with emphasis placed on development of subordinates through training assignments.
 3. Coordination with departmental priorities and workload.
 4. Employee's performance record.

Sabbatical leaves shall be restricted to one (1) leave, up to ninety (90) calendar days, for each employee each five (5) years, with not more than five (5) employees in the unit participating in any one (1) year.

Each participant in Sabbatical Leave Programs shall submit to the City Manager reports summarizing his/her activities prior to final approval of such programs.

Typical Sabbatical Leave Programs might include internships, on-loan programs, educational programs, travel study programs, or authorship sabbaticals.

CHAPTER 6 - EMPLOYER-EMPLOYEE RELATIONS

ARTICLE 26: NON-DISCRIMINATION

The parties mutually reaffirm their respective policies of non-discrimination in the treatment of any employee because of race, religion, sexual orientation, medical condition, gender, color, sex, age, disability, national origin, ancestry, or any other protected classification recognized by the law.

ARTICLE 27: CAREER LADDERS

The City and SUP endorse the concept of internal promotion through the concept of Career Ladder development.

The purpose of Career Ladders is to provide the on-the-job skills and knowledge to an employee to enable the employee to qualify for a promotional position.

The development of Career Ladder programs includes utilization of acting positions to help enhance development of advanced skills and establishment of Career Series with sequential positions that enable an employee to advance in the Career Series by increasing skill levels.

ARTICLE 28: MANAGEMENT RIGHTS

A. General Management Rights

Except as limited by the specific and express terms of this Memorandum of Understanding, the City hereby retains and reserves unto itself all rights, powers, authority, duty and responsibilities confirmed on and vested in it by the law and the Constitution of the State of California and/or the United States of America.

The management and the direction of the work force of the City are vested exclusively in the City, and nothing in the MOU is intended to circumscribe or modify the existing rights of the City including but not limited to the direction of the work of its employees; the right to hire, promote, demote, transfer, assign, schedule and retain employees in positions within the City; subject to the rules and regulations of the City; suspend or discharge employees for just and proper cause; to maintain and improve the efficiency of governmental operations; to relieve employees from duties because of lack of work or funds; to take action as may be necessary to carry out the City's mission and services in emergencies; to determine the methods, means and appropriate job classifications, organizational structure and personnel by which the operations are to be carried out; and to establish reasonable performance standards for personnel, including but not limited to qualifications and quantity standards. In addition to the foregoing, the parties agree that the City may demand to meet and confer over the subject of furloughs.

B. Contracting Out

1. Bargaining Obligation and RFP's:

The City may wish to contract out work which is currently performed by bargaining unit members.

If the City seeks a request for proposal (RFP) for work currently performed by bargaining unit members, the City agrees to provide a copy of the RFP to the President of the Association within five (5) calendar days of it being publicly disseminated. In addition, the City will provide the President of the Association with copies of any RFP submissions within one calendar week of the close of time for RFP proposals. If the City informs the Association that it wishes to contract out bargaining unit work, the Association agrees to begin the meet and confer process within 20 days after it receives the RFP submissions from the City.

2. Emergency Contracting Out Not Requiring Meet and Confer

An emergency permitting the City to contract out bargaining unit work without meeting and conferring with the Association can be declared only by the City Manager or if he/she is absent, the person authorized to act on his/her behalf. An emergency occurs when bargaining unit work cannot be provided by existing employees without endangering public health and/or the fiscal viability of the City. If work during a period of declared emergency can be provided by existing employees on an overtime basis in a manner that doesn't endanger public health or the fiscal viability of the City, it shall be performed by such existing employees on an overtime basis. An emergency can also be declared when due to a sudden, unexpected event that is beyond the City's control the short-term workload of bargaining unit work cannot be performed by existing employees. In such event an emergency can be called, but is limited to a period of 120 days.

ARTICLE 29: ASSOCIATION RELATED BUSINESS

A. Association Representatives

The Association shall submit a current list of Association representatives (Board members and alternates) to the Assistant Director of Administrative Services/Human Resources ("Director") or designee. Any changes to this list shall be submitted within ten (10) working days following such changes.

B. Representational Time Off

The City shall allow the Association's Board, or a representative of their choice, reasonable time off without loss of compensation or other benefits while formally meeting and conferring with representatives of the City on matters within the scope of representation. This may include, but is not limited to, attendance at Grievance

Procedure meetings, to represent an employee in a disciplinary matter, and to attend Board meetings and training.

In addition, members of the bargaining team, prior to and during negotiations for a successor MOU, shall be granted reasonable release time. This includes reasonable release time to meet and confer with the Association's representative prior to a formal request to negotiate, in order to discuss contract enhancements and/or to craft a bargaining proposal package.

C. Use of City Facilities

Representatives of the Association may use City facilities for general membership or Board meetings with the City as long as approval and prior clearance from the Director or designee are obtained. The Association may hold meetings during the noon hour in facilities that are available, subject to the approval of the Director or designee.

D. Dues Deduction

The City will deduct dues and assessments once each pay period, provided there is not more than one deduction per pay period, in an amount certified to be current and correct by the SUP President, from the pay of those employees who individually provide written authorization for dues and other such deductions. The City shall remit the deductions on a bi-weekly basis, when feasible. The total of all such deductions shall be remitted by the City to the SUP. This authorization shall remain in full force and effect until and so long as the SUP remains a formally recognized employee organization in the City.

E. Bulletin Boards

SUP may post no more than two (2) SUP documents at any one time on City bulletin boards, provided that such documents are not of a political or controversial nature, or anything reflecting adversely upon the City, its employees, or any labor organization representing any employees of the City as determined by the City Manager.

ARTICLE 30: GRIEVANCE PROCEDURE

The City and SUP recognize that disputes related to this MOU will occur from time to time. It is both parties' intent and desire that any such disputes be resolved quickly and amicably. However, the parties recognize that occasionally disputes will need to be resolved by a neutral. It is for that reason that the parties agree to the following provisions of their grievance procedure.

A. Definition of a Grievance

An allegation by an employee or the SUP that there has been a violation, misinterpretation or misapplication of the terms of this MOU or any past practice.

B. Timeliness of a Grievance:

All grievances must be filed within 30 calendar days of the occurrence giving rise to the grievance or the time within which the grievant (either the employee or SUP) knew or should have known of the occurrence.

C. Grievance Procedure:

The parties acknowledge that a grievance procedure is beneficial to resolve MOU disputes.

1. Step 1 – If either an employee or SUP is the grievant – Communication with the Human Resources Division: Whenever an employee or SUP believes that there has been a violation, misinterpretation or misapplication of the terms of this MOU, the employee or SUP shall inform the Assistant Director of Administrative Services/Human Resources in writing of the alleged violation, misinterpretation or misapplication. The Assistant Director of Administrative Services/Human Resources shall either promptly schedule a meeting with the designated employee or the SUP representative to discuss the grievance or may respond in writing within seven (7) calendar days. If a meeting is scheduled, the Assistant Director of Administrative Services/Human Resources shall present his/her determination in writing within seven (7) calendar days of the meeting. The response will be sent by e-mail to the designated employee or SUP representative.
2. Step 2 –Advisory Arbitration: If the employee or SUP is not satisfied with the results of Step 1 (or the Assistant Director of Administrative Services/Human Resources does not respond within the time limits for a response, the employee or SUP may move the grievance to advisory arbitration. To do so, the employee or SUP must present, in writing, to the Assistant Director of Administrative Services/Human Resources a document setting forth the alleged violation, misinterpretation or misapplication of the terms of this MOU and requesting that the grievance be submitted to advisory arbitration. This document must be presented within ten (10) calendar days of the date the Step 1 response was e-mailed to the employee or SUP representative or within ten (10) calendar days from the last date the response was due if no response is given.
3. Once received, the Assistant Director of Administrative Services/Human Resources shall promptly send a letter to the grievant (either the employee or SUP) advising the grievant as to who the City’s representative will be. The grievant shall then contact the City’s representative for the purpose of determining whether the parties can agree on an arbitrator to hear the grievance. If the parties can agree, the representative for the City shall contact the agreed upon arbitrator to determine his/her availability for the

- hearing. If the parties cannot reach agreement on an arbitrator, the Assistant Director of Administrative Services/Human Resources or designee will send a letter to the State Mediation and Conciliation Service requesting a list of seven (7) arbitrators. Once the list is received the representatives of the parties shall strike names until an arbitrator is chosen. The parties shall toss a coin to determine who shall strike the first name. Once the arbitrator is chosen, the parties will contact the arbitrator to schedule a hearing.
4. During the hearing the formal rules of evidence do not apply. The cost of the arbitrator, a court reporter (if the parties agree on the use of a court reporter) shall be split between the City and the grievant. If the employee is pursuing a grievance without the support of the SUP, the employee shall be responsible for one-half of the costs of the arbitration.
 5. Once the arbitrator issues his/her advisory recommendation, it will be submitted to the City Manager.
 6. The arbitrator shall provide copies of his/her recommendation to both parties' representatives. Within ten (10) calendar days from the receipt of the advisory arbitration's recommendation, SUP (or the employee is proceeding on his/her own) and the applicable Department Head may submit to the City Manager a brief statement, not exceeding 3 double-spaced pages, stating whether they believe the advisory arbitrator's recommendation is correct or not and why. Within thirty five (35) calendar days of receipt of the advisory arbitrator's recommendation, the City Manager shall issue a written decision and send such decision to the Human Resources Division. The Human Resources Division shall provide copies of the decision to the grievant and the applicable Department Head. If the City Manager fails to accept, reject or modify the arbitrator's opinion and award within thirty (35) calendar days of receipt by the City Manager, it shall be considered accepted.
 7. The City Manager may accept, reject or modify the advisory arbitrator's opinion or any part thereof. The City Manager's decision shall be final and binding. In reaching his/her decision, the City Manager shall review the advisory arbitrator's recommendation, the brief statements (if any) on the advisory arbitrator's recommendation submitted by the parties to the City Manager, and the evidence, both documentary and testimonial, and arguments presented to the advisory arbitrator.

ARTICLE 31: DISCIPLINE

Although probationary employees may be rejected from probation for any lawful reason, once an employee passes his/her probationary period, he/she shall only be subjected to discipline (defined as termination, demotion, suspension, and reduction in pay if the City can support its position by

a preponderance of the evidence. Written reprimands, counseling memos and written warnings are not subject to this process. Although employees may be subject to such action, there is no right of appeal from such action. However, an employee may submit written comments thereon which shall be attached to the counseling (or other such document) in the employee's personnel file.

A. Pre-Action Due Process

Prior to being subject to any discipline that results in the loss of pay an employee will first be served with a notice of intent to discipline by their manager or department head. This document will set forth the grounds for discipline, the facts supporting the grounds and all evidence to which the employee is entitled by law. The notice of intent to discipline will also advise the employee of any prior discipline which the City representative issuing the notice believes is relevant to the current discipline. In addition, the notice of intent will advise the employee of his/her right to respond to the proposed discipline either in writing or orally at a meeting. If the employee does not respond within the time limits, the discipline will be imposed.

If the employee chooses to respond in writing, he/she must insure his/her response is received by the representative who issued the notice of intent to discipline within seven (7) calendar days of receiving the notice of intent to discipline. If the employee wishes to respond orally, he/she must call or write the City representative who issued the notice of intent to discipline within seven (7) calendar days of receiving the notice of intent to discipline informing the representative that he/she wishes to have an oral response. The City representative will advise the employee when the meeting (known as a *Skelly* meeting) will take place.

At the *Skelly* meeting (assuming the employee wants to respond orally) the employee has the right to be represented. The *Skelly* meeting is not a hearing. It is an opportunity for the employee and/or his/her representative to respond to the notice of intent to discipline. The employee may be represented at the *Skelly* meeting by one on-duty SUP representative as well as by an attorney if he/she chooses. Under no circumstances may the employee be represented by more than one SUP member at the *Skelly* meeting.

The City representative who will hear the response may or may not be the person who issued the notice of intent to discipline. The decision will either be to impose the proposed discipline, impose no discipline or to impose a lesser discipline. The City representative hearing the response does not have authority to impose discipline that is greater than that which was proposed.

If the discipline is imposed or if it is reduced but there is still discipline imposed which is covered by this procedure the City representative shall issue a Notice of Discipline. Like the notice of intent, the Notice of Discipline shall set forth the grounds, and facts supporting the discipline as well as any prior discipline relied on by the City representative in imposing the discipline. The Notice of Discipline will also set forth the employee's appeal rights advising the employee that if he/she wishes to appeal the

discipline, he/she must do so in writing by serving a Notice of Appeal to the Assistant Director of Administrative Services/Human Resources within seven (7) calendar days.

The Notice of Discipline will set forth the effective date of the discipline.

B. Disciplinary Appeals

If an employee desires to appeal a disciplinary action, he/she (or the representative) shall submit a written notice of appeal. A representative of the City shall contact either the employee or his/her identified representative within ten (10) calendar days of receipt of the Notice of Appeal for the purpose of determining whether the parties can agree on an advisory arbitrator to hear the appeal. If the parties can agree, the representative for the City shall contact the agreed upon arbitrator to determine his/her availability for the hearing. If the parties cannot reach agreement on an arbitrator, the Assistant Director of Administrative Services/Human Resources or designee will send a letter to the State Mediation and Conciliation Service requesting a list of nine (9) arbitrators. Once the list is received, the representatives of the parties shall strike names until an arbitrator is chosen. The parties shall toss a coin to determine who shall strike the first name. Once the arbitrator is chosen, the parties will contact the arbitrator to schedule a hearing.

During the hearing the formal rules of evidence do not apply. The cost of the list of arbitrators, the arbitrator him/herself, and the court reporter shall be split between the City and the SUP unless SUP is not financially supporting the appeal by providing representation for the employee. Once the arbitrator issues his/her advisory recommendation he/she will submit it to the City Manager as well as both parties' representatives.

The arbitrator shall provide copies to both parties' representatives. Within ten (10) calendar days from the receipt of the advisory arbitration's recommendation, both parties' representatives may submit to the City Manager a brief statement, not exceeding three (3) double-spaced pages, stating whether they believe the advisory arbitrator's recommendation is correct or not and why. Within thirty five (35) calendar days of receipt of the advisory arbitrator's recommendation, the City Manager shall issue and send his/her final written decision to the parties.

The City Manager may accept, reject or modify the advisory arbitrator's recommendation or any part thereof. In no case, however, may the City Manager increase the penalty above that imposed by the Department Head. The City Manager's decision shall be final and binding. In reaching his/her decision, the City Manager shall review the advisory arbitrator's recommendation, the brief statement (if any) on the advisory arbitrator's recommendation submitted by the parties to the City Manager, and the evidence, both documentary and testimonial, and arguments presented to the advisory arbitrator.

The employee has the right to appeal the City Manager's decision in accordance with California Code of Civil Procedure section 1094.6 which provides a 90-day statute of limitations.

ARTICLE 32: PERSONNEL FILES

The City shall maintain only one personnel file for each employee. The personnel file shall be located in the City's Human Resources Office.

Employees shall be entitled to review the content of their personnel file (with the exception of background investigation material or any other document received in the hiring process that the City does not wish to provide the employee access to) at reasonable intervals provided that the employee schedules an appointment, at least twenty-four (24) hours in advance, during the regular hours of the Human Resources Office. No comments adverse to the interest of an employee, including but not limited to counseling, discipline, evaluation or performance documentation shall be placed in an employee's official personnel file without having first been shown to the employee, who shall be provided with a copy of said document upon request. An employee may prepare a written response to any such material and such response shall be filed with the original material.

ARTICLE 33: JOB DESCRIPTIONS

The parties acknowledge that there is an occasional need to modify job descriptions or create new job descriptions for new or existing jobs to reflect current duties and changing ways of doing business. To that end, the City shall provide SUP with copies of changes it is proposing to job descriptions at least twelve (12) calendar days in advance of actually changing the job description or implementing a new job description. Within that 12 day period SUP will have the right to 1) provide input in writing regarding the City's proposed changes in a document which it will provide to the City within twelve (12) calendar days of receiving the proposed job description from the City; and/or 2) request that the City meet and confer over the title of the classifications (if it is changing or is new) as well as the compensation, hours and other terms and conditions of employment.

If the Association does request to meet and confer over title, compensation and other terms and conditions of employment it shall make itself reasonably available to do so. SUP must make itself available to meet within seven (7) calendar days. If SUP does not make itself available to meet or does not wish to meet within seven (7) calendar days, the City will implement its proposed changes to the job description.

The City values the need and desire for all employees to be aware of new job openings and to have the ability to apply for those positions. The City agrees to notify SUP when openings occur.

ARTICLE 34: ADMINISTRATIVE CODE & PERSONNEL RULES AND REGULATIONS

The parties agree that if the City wishes to modify any provision of the Administrative Code and/or Personnel Rules and Regulations which is within the scope of bargaining, SUP agrees to promptly come to the table to meet and confer over proposed changes.

ARTICLE 35: SAVINGS CLAUSE

If any benefit or provision of this MOU is deemed by a court of competent jurisdiction to be illegal or otherwise unenforceable, the remaining benefits or provisions of this MOU shall remain in full force and effect. In the event of such invalidation, the City and SUP shall meet and confer in good faith concerning such invalidation including whether a replacement benefit or provision is necessary and appropriate.

This MOU is prepared pursuant to the requirements of Government Code section 3505.1 for presentation to the City Council for its approval.
