RECOMMENDATION

Staff recommends that the City Council move to approve an agreement between the City of Beverly Hills and the County of Los Angeles to hold a Countywide Household Hazardous Waste (HHW) and Electronic Waste Event.

INTRODUCTION

Since February of 1992, the City of Beverly Hills in conjunction with Los Angeles County Sanitation Bureau has entered into a Household Hazardous Waste and E-Waste Collection annual agreement. The County sponsors a one-day event for the proper disposal of Universal Waste (motor oil, paint thinners, anti-freeze, varnish, pesticides, batteries and other household hazardous products). Los Angeles County conducts approximately 57 events throughout the Los Angeles County region serving over 62,000 customers on an annual basis. Each event is open to all Los Angeles County residents.

DISCUSSION

Since its inception, each city has allowed Los Angeles County to use its property for the HHW event. The City of Beverly Hills allows the County to use its property for the Household Hazardous Waste event, and the designated location on Foothill Road between Alden Drive and West Third Street allows the ingress and egress of vehicles for waste collection drop off.

Historically, Los Angeles County has used three vendors to perform the HHW events throughout the county rotating between Veolia Environmental, Clean Harbors Environmental and Philips Services. Veolia Environmental has serviced Beverly Hills for several years for the HHW Round-up.

Meeting Date: July 29, 2014

This year, the annual event for the City of Beverly Hills is tentatively scheduled for September 20, 2014, 9:00 am – 3:00 pm.

As the sponsor and per the attached Agreement, Articles 2 and 3, liability will revert to Los Angeles County.

FISCAL IMPACT

There is no financial impact to the City. This event is funded by Los Angeles County Sanitation Bureau.
