RECOMMENDATION

It is recommended that the City Council approve the "Award of a Contract to Wilcox Construction, Inc. for the installation of exterior stairs in compliance with code requirements for 2nd floor exiting and structural repairs of roof trusses and rafters at 239 S. Beverly Drive Building in compliance with code requirements and the structural engineer's approved scope of work, Bid No. 15-12, in the amount of \$150,922.00; approve the construction contingency of \$24,078.00; and delegate the authority to approve change orders to the Director of Capital Assets, and approve a purchase order in the amount of \$175,000.

INTRODUCTION

The City purchased the 239 S. Beverly Drive building from the Chamber of Commerce in December of 2010. The majority of the building has since been leased to Panera Bakery and in accordance with the lease agreement the City is responsible for the structural maintenance of the building and base building code compliance. This contract is for the installation of the exterior building stairs and structural repairs of roof trusses and rafters which are also the City's responsibility under the terms of the lease and which have been determined to require code upgrades in the course of the structural analysis for Panera Bread's tenant improvements.

DISCUSSION

The technical specifications developed for this project include the following scope of work:

- Installation of exterior building exit stairs from 2nd floor to 1st floor at the rear of the building. This staircase will provide secondary exit from the 2nd floor of the building.
- Structural repair of roof trusses and rafters.

An invitation to bid was issued for this project to the following prequalified bidders:

- Wilcox Construction, Inc.
- Lago Vista Construction, Inc.
- Hoffman & Associates Building Corporation

Three bids were received. The bid results are as follows:

<u>Bidder</u>	<u>Bid Total</u>
Wilcox Construction, Inc.	\$150,922.00
Lago Vista Construction, Inc.	\$200,800.00
Hoffman & Associates Building Corporation	\$241,367.00

The low bidder, Wilcox Construction, Inc., submitted a fully responsive bid, and as reported by the State Contractors Licensing Board, their license is current and in good standing. Review of the firm's references indicates that the firm has successfully executed similar work.

Staff recommends that the base bid be accepted as the contract work. The total contract amount is \$150,922. In addition, a contingency of \$24,078.00 (approximately 16% of the contract amount) is recommended for change due to unforeseen conditions to complete the work.

The bid documents specify completion within 60 days from the start of work. Panera Bread expects to complete their construction and open for business by January 31, 2015.

FISCAL IMPACT

Funding for this project has been budgeted in the fiscal year 2014-15 Capital Improvement Program for the refurbishment of the 239 S. Beverly Drive building under budget program 81012202-850600.

§20104:

(a)(1) This article applies to all public works claims of three hundred seventy-five thousand dollars (\$375,000) or less which arises between a contractor and a local agency.

(2) This article shall not apply to any claims resulting from a contract between a contractor and a public agency when the public agency has elected to resolve any disputes pursuant to Article 7.1 (commencing with Section 10240) of Chapter 1 of Part 2.

(b)(1) "Public work" has the same meaning as in Sections 3100 and 3106 of the Civil Code, except that "public work" does not include any work or improvement contracted for by the state or the Regents of the University of California.

(2) "Claim" means a separate demand by the contractor for (A) a time extension, (B) payment of money or damages arising from work done by or on behalf of the contractor pursuant to the contract for a public work and payment of which is not otherwise expressly provided for or the claimant is not otherwise entitled to, or (C) an amount the payment of which is disputed by the local agency.

(c) The provisions of this article or a summary thereof shall be set forth in the plans and specifications for any work which may give rise to a claim under this article.

(d) This article applies only to contracts entered into on or after January 1, 1991.

§20104.2:

For any claim subject to this article, the following requirements apply:

(a) The claim shall be in writing and include the documents necessary to substantiate the claim. Claims must be filed on or before the date of final payment. Nothing in this subdivision is intended to extend the time limit or supersede notice requirements otherwise provided by contract for the filing of claims.

(b)(1) For claims of less than fifty thousand dollars (\$50,000), the local agency shall respond in writing to any written claim within 45 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses to the claim the local agency may have against the claimant.

(2) If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the local agency and the claimant.

(3) The local agency's written response to the claim, as further documented, shall be submitted to the claimant within 15 days after receipt of the further documentation, or within a period of time no greater than that taken by the claimant in producing the additional information, whichever is greater.

(c)(1) For claims of over fifty thousand dollars (\$50,000) and less than or equal to three hundred seventy-five thousand dollars (\$375,000), the local agency shall respond in writing to all written claims within 60 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses to the claim the local agency may have against the claimant.

(2) If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the local agency and the claimant.

(3) The local agency's written response to the claim, as further documented, shall be submitted to the claimant within 30 days after receipt of the further documentation, or within a period of time no greater than that taken by the claimant in producing the additional information or requested documentation, whichever is greater.

(d) If the claimant disputes the local agency's written response, or the local agency fails to respond within the time prescribed, the claimant may so notify the local agency, in writing, either within 15 days of receipt of the local agency's response or within 15 days of the local agency's failure to respond within the time prescribed, respectively, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon a demand, the local agency shall schedule a meet and confer conference within 30 days for settlement of the dispute.

(e) Following the meet and confer conference, if the claim or any portion remains in dispute, the claimant may file a claim as provided in Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code. For purposes of those provisions, the running of the period of time within which a claim must be filed shall be tolled from the time a claimant submits his or her written claim pursuant to subdivision (a) until the time that claim is denied as a result of the meet and confer process, including any period of time utilized by the meet and confer process.

(f) This article does not apply to tort claims and nothing in this article is intended nor shall be construed to change the time periods for filing tort claims or actions specified by Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code.

§20104.4:

The following procedures are established for all civil actions filed to resolve claims subject to this article:

(a) Within 60 days, but no earlier than 30 days, following the filing of responsive pleadings, the court shall submit the matter to non-binding mediation unless waived by mutual stipulation of both parties. The mediation process shall provide for the selection within 15 days by both parties of a disinterested third person as mediator, shall be commenced within 30 days of the submittal, and shall be concluded within 15 days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court or by stipulation of both parties. If the parties fail to select a mediator within the 15-day period, any party may petition the court to appoint the mediator.

(b)(1) If the matter remains in dispute, the case shall be submitted to judicial arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, notwithstanding Section 1141.11 of that code. In no event shall these fees or expenses be paid by state or county funds.

(3) In addition to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, any party who after receiving an arbitration award requests a trial de novo but does not obtain a more favorable judgment shall, in addition to payment of costs and fees under that chapter, pay the attorney's fees of the other party arising out of trial de novo.

(c) The court may, upon request by any party, order any witness to participate in the mediation or arbitration process.
