### **3-1-804: APPROVAL REQUIRED OF PROPOSED FINE ART:**

A. After final completion of architectural review of a structure under title 10, chapter 3, article 30 of this code, an application shall be filed with the city for the fine art commission approval of the fine art proposed for such building. The application shall be on the form designated by the city, containing the following information:

1. Preliminary sketches, photographs, a model or other documentation of sufficient descriptive clarity to indicate the nature of the proposed fine art;
2. Curriculum vitae of the artist;

3. An appraisal by an independent, qualified fine art appraiser or other evidence satisfactory to the commission of the value of the proposed fine art including, but not limited to, bona fide invoices, purchase orders or agreements, and auction records;
  4. The site plans and elevations as approved by the architectural commission;
  5. An estimate of the construction cost of the proposed commercial or mixed use structure;
  6. Sketches, photographs, or other documentation sufficient to show the relationship of the proposed fine art to the proposed commercial or mixed use structure;
  7. Such other information as may be required by the fine art commission in considering the application under the standards established by subsection C of this section.
- B. Upon receiving a complete application, the fine art commission shall schedule a meeting to consider the application. Fourteen (14) days' prior written notice shall be provided to the applicant of the time and place of the meeting at which the application will be heard.
- C. The fine art commission shall approve the application if the proposed fine art satisfies all of the following standards:
1. The fine art has the minimum value required by section 3-1-802 of this article. Such value shall be established by an appraisal performed by an independent, qualified fine art appraiser or other evidence satisfactory to the commission, including, but not limited to, bona fide invoices, purchase orders or agreements, and auction records. Utility and maintenance costs incurred to operate and maintain the fine art over time shall not be considered in determining the value of the proposed fine art.
  2. The fine art has been created by an established artist. "Established artist" shall mean a professional artist who derives his or her income primarily from his or her work as an artist and is accepted and recognized in the field of art locally, regionally, nationally or internationally as evidenced by art journals, art books or art gallery reputation. The members of the architectural, engineering, design or landscaping firms retained for the design and construction of the subject commercial or mixed use building shall not be considered qualified established artists for the purposes of this article.
  3. The fine art has intrinsic quality and enduring value beyond any decorative characteristics.
  4. The fine art is compatible with and enhances the aesthetic quality of the building site. The relationship of the fine art to the site in terms of physical size, shape and colors shall be considered as well as the social and cultural interaction of the fine art with the space it ornaments.
- D. The fine art commission may conditionally approve proposed fine art subject to such conditions that the commission deems reasonably necessary for such fine art to satisfy the standards set forth in subsection C of this section. Upon the written request of the property owner, the commission may later reconsider a decision denying an application if the applicant installs such fine art on the subject site and is able to demonstrate to the satisfaction of the commission that the fine art as installed meets the standards set forth in subsection C of this section. Such request for reconsideration also may be made by the property owner and considered by the commission if changes are made either to the subject building or the proposed fine art such that there are new facts upon which the commission may reconsider its earlier denial. (Ord. 90-O-2096, eff. 9-6-1990; amd. Ord. 96-O-2259, eff. 6-7-1996; Ord. 07-O-2530, eff. 10-18-2007)

**3-1-805: LOCATION OF FINE ART:**  

- A. The fine art required by this article shall be located in a public place.
- B. "Public place" means any area on public or private property which is easily accessible and clearly visible to the general public. If located on private property, the area must be open to the general public and clearly visible from adjacent public property such as a street or other public thoroughfare or sidewalk.
- C. When requested by the applicant for the certificate of occupancy, the fine art commission may designate a site on city owned property; provided further, such site is subject to approval by the city council. (1962 Code § 8-11.01 et seq.; amd. Ord. 94-O-2193, eff. 3-4-1994; Ord. 96-O-2259, eff. 6-7-1996)

**3-1-806: TIME OF INSTALLATION OF ART OR PAYMENT:**  

- A. Prior to final inspection of construction or reconstruction that triggers the requirements of this article, all fine art required by this article shall be installed as approved by the fine art commission.
- B. Prior to the issuance of a building permit that triggers the requirements of this article, the applicant shall make either the in lieu payment authorized by this article or the applicant shall deposit with the city cash, a letter of credit, or other security satisfactory to the director of building and safety, in an amount equal to the value of the fine art required by subsection 3-1-802A of this article. The security shall guarantee installation of fine art as required by this article. If the fine art required by this article is not installed within three (3) months after final inspection of the construction or reconstruction that triggers the requirements of this article, then the applicant shall forfeit the security posted with the city. The city shall be empowered to use the security to purchase and install alternate fine art in a public place within the city. In addition, the city may utilize any other means available to remedy a violation of this article.
- C. If the issuance of a building permit does not trigger the requirements of this article, but that building permit: 1) has a valuation in excess of two hundred fifty thousand dollars (\$250,000.00), or 2) is issued within one year after final inspection of improvements with a valuation in excess of two hundred fifty thousand dollars (\$250,000.00), then the applicant shall deposit cash, a letter of credit, or other security satisfactory to the director of building and safety in an amount equal to the amount required by subsection 3-1-802B of this article. The purpose of such security is to guarantee installation of the art required by this article if later improvements to the building trigger the public art requirement and the applicant is required to pay the applicant's fair share of the public art requirement for the building renovations. The deposit or other security shall be returned to the applicant if the requirements of this article are not triggered within one year after the date of the final inspection of the building improvements with a valuation in excess of two hundred fifty thousand dollars (\$250,000.00). The deposit or other security shall be forfeited if the applicant does not fulfill the requirements of this article

within three (3) months after final inspection of the construction or reconstruction that triggers the requirements of this article. The forfeited security shall be used as provided in section 3-1-808 of this article. (1962 Code § 8-11.01 et seq.; amd. Ord. 96-O-2259, eff. 6-7-1996; Ord. 98-O-2308, eff. 9-11-1998; Ord. 07-O-2525, eff. 9-21-2007)

(1962 Code § 8-11.01 et seq.; amd. Ord. 96-O-2259, eff. 6-7-1996)

### **3-1-808: SEPARATE FUND FOR PURCHASE OF FINE ART:**

All monies paid pursuant to subsection 3-1-802B of this article in lieu of procurement and placement of fine art shall be held in a separate fund of the city, and shall be used solely for the acquisition, installation, improvement, maintenance, and insurance of fine art for display in the city. Any fine art purchased with such funds shall be the property of the city. (1962 Code § 8-11.01 et seq.; amd. Ord. 96-O-2259, eff. 6-7-1996)
