2. Wondries Chevrolet Caprice Detective Price Quote
3. Wondries Chevrolet Impala Detective Price Quote
4. Wondries Chevrolet Colorado Crew Cab Detective Price Quote
5. Wondries Chevrolet Tahoe Fire Utility Price Quote
6. Wondries Chevrolet Colorado Crew Cab Public Works Price Quote
7. Wondries Chevrolet Colorado Extra Cab Public Works Price Quote

RECOMMENDATION

Staff recommends that the City Council (1) find that the conformance with the bidding procedures in the Municipal Code would be contrary to the best interests of the City, (2) waive the bidding requirements as the City is utilizing the National Joint Powers Alliance (NJPA) bid process, and (3) move to approve a purchase order in the amount of \$474,251.88 to Wondries Fleet Group for the purchase of specified Chevrolet vehicles.

DISCUSSION

Following an annual evaluation of the City's vehicle and equipment fleet, Fleet Services staff has determined that the below-listed vehicles have either met or exceeded their life expectancies:

<u>ID #</u>	<u>YEAR/MAKE/MODEL</u>	<u>PROGRAM NO. / DESCRIPTION</u>
014	2005 CHEVROLET MONTE CARLO	00102501 / DETECTIVE BUREAU
015	2009 DODGE CHARGER	00102501 / DETECTIVE BUREAU

019	2005 NISSAN MAXIMA	00102501 / DETECTIVE BUREAU
145	2005 FORD RANGER	00102601 / TRAFFIC BUREAU
317	2000 DODGE DAKOTA	00106910 / PARK OPERATIONS
321	2000 DODGE DAKOTA	00106910 / PARK OPERATIONS
370	2003 CHEVROLET S10	00106801 / PARK RANGERS
501	1995 FORD RANGER	00107709/ LIBRARY ADMINISTRATION
654	2005 CHEVROLET COLORADO	81007401 / PARKING METERS
861	2007 FORD F250 XL	00103301 / EMERGENCY RESPONSE SERVICES

Replacement vehicle selections are determined by a number of considerations to include; right-sizing vehicles for divisional operations, minimizing mobile source emissions from on and off road vehicles and reducing the use of nonrenewable polluting transportation fuels, in support of the Beverly Hills Sustainable City Plan to reduce both air pollution and the City's carbon footprint.

After a joint deliberation with the Police Department, Fire Department, Community Services Department and Public Works Services Department staffs, Fleet Services concurred with the Department's requests to replace their vehicles with assignment specific selections to include a Chevrolet Caprice PPV Sedan, a Chevrolet Impala Sedan, a Chevrolet Tahoe SUV and seven Chevrolet Colorado Pick-Ups. Council-approved budget enhancements for Fiscal Year 2014-2015 identify four new vehicles for the Police Department Traffic Bureau and three new vehicles for the Public Works Services Department. The new vehicle assignment specific selections include four Chevrolet Colorado Pick-Ups for the Police Department and three Chevrolet Colorado Pick-Ups for the Public Works Department. These replacement vehicles are necessary in order to satisfy job duty requirements and also ensure that the vehicles in the City fleet are safe, reliable, modern, and relevant to the user's current and future needs.

After careful evaluation of various purchasing options and pricing, staff determined that it is in the best interest of the City not to proceed with its own bid process and utilize the bid process of the National Joint Powers Alliance Procurement Contract #102811-NAF (See Attachment 1). Staff determined that using the National Joint Powers Alliance procurement resources, manpower and purchasing power gives the City the best pricing opportunity. Wondries Fleet Group intends to extend the same terms, conditions and prices that are stipulated in the National Joint Powers Alliance procurement contracts which commenced on January 17, 2014, to the City of Beverly Hills as noted in the chart included in the Fiscal Impact section below.
