RECOMMENDATION

It is recommended that the Directors conduct a public hearing and adopt the Resolution amending the Parking Facility Rates for Fiscal Year 2015/16.

INTRODUCTION

The Parking Authority levies a range of rates, which are listed in a comprehensive schedule called “Parking Facility Rates” (or “Schedule”).

Maintaining a comprehensive schedule with all the various rates ensures that the Parking Authority provides the public with one document that contains all Parking Authority fees rather than providing the information in several documents or in piecemeal form. In addition, the Schedule is available on the City’s website. Although the Authority will review the Schedule yearly, there will be times when revisions are made to certain fees during the year. When that occurs, the comprehensive book will be updated.

Meeting Date: April 7, 2015

DISCUSSION

REVISED FEES FOR FISCAL YEAR 2015/16

At this time the only changes recommended are to change the fee for vehicles entering after 6:00PM from \$5.00 to "up to \$5.00". This change is recommended for the following three facilities; 221 N Crescent Drive, 333 N Crescent Drive, and 9361 Dayton Way. This revision will allow a reduced rate at the lower occupancy structures in an effort to attract more parkers and allow for flexibility of rates if the occupancy increases dramatically.

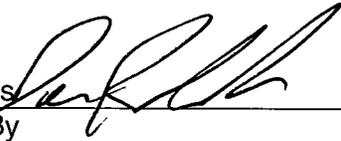

FISCAL IMPACT

There will not be any significant fiscal impact to the Parking Authority, as this change is designed to redistribute parking loads among all the parking garages.
