Attachment: 1. Agreement

RECOMMENDATION

Staff respectfully recommends City Council move to approve an agreement between the City of Beverly Hills and Mydatt, Inc., DBA Block by Block for safety and hospitality ambassador services and to issue a purchase order in the amount of \$499,067.79 for ambassador services.

INTRODUCTION

At the June 8, 2015 Study Session, Council unanimously agreed to enlist the services of ambassador-firm Block by Block as recommended by the Human Relations Commission.

The initial program proposed by Block by Block responded to Council's direction to produce a one year plan for a total-not-to exceed \$500,000. Block by Block proposed daily, 21-hour staffing of targeted areas in the City, 7:00am – 4:00am.

In addition, Council requested that staff return with a quote for costs associated with 24-hour coverage and in response Block by Block proposes a one year contract of \$578,685.28 for 24-hour coverage.

DISCUSSION

Council is asked to determine if the proposed programs at 21-hour versus 24-hour coverage is desired to support the quality of life in Beverly Hills. Included in the attached agreement is language for the additional three hours coverage as an alternative that can be approved by the City Manager with City Council direction. Included in the scope of work section of the agreement, Block by Block employees will be trained in relevant legal issues and the training materials are subject to the prior approval of the City Manager or his designee, and the City Attorney.

FISCAL IMPACT

The total Agreement is for either (a) an amount not-to-exceed \$499,067.79 for daily, 21-hour staffing from 7:00am – 4:00am; or (b) an amount not-to-exceed \$578,685.28 for daily, 24-hour staffing.

Funds for the 21-hour ambassador program and purchase order were budgeted in the fiscal year 2015-16 as approved by City Council on June 8, 2016

Additional funds to include 24-hour coverage are available in the FY 2015-16 Tourism and Marketing budget in account 0101311. The Tourism and Marketing budget includes \$150,000 for contingency programs, of which \$79,617.49 could be used to fund the difference needed for 24-hour coverage of the Ambassador Program.
