

AGENDA REPORT

Meeting Date: November 17, 2015
Item Number: D-16
To: Honorable Mayor & City Council
From: Craig Crowder, Fleet Manager *cc*
Subject: APPROVAL OF A PURCHASE ORDER TO LONG BEACH BMW MOTORCYCLES FOR A TOTAL NOT-TO-EXCEED AMOUNT OF \$56,739.72 FOR PURCHASE OF TWO (2) BMW POLICE MOTORCYCLES
Attachment:
1. Motorcycle Specification from Los Angeles County Sheriff's Department
2. Purchase Order from Los Angeles County Sheriff's Department to Long Beach BMW Motorcycles
3. Price Quote from Long Beach BMW Motorcycles

RECOMMENDATION

Staff recommends that the City Council (1) find that the conformance with the bidding procedures in the Municipal Code would be contrary to the best interests of the City, (2) waive the bidding requirements as the City is utilizing the LA County Sheriff's Department bid process, and (3) move to approve a purchase order in the amount of \$56,739.72 to Long Beach BMW Motorcycles for the purchase of two BMW Police motorcycles to replace two job-worn motorcycles currently assigned to the Beverly Hills Police Department ("BHPD") Traffic Bureau.

DISCUSSION

Following an annual evaluation of the City's vehicle and equipment fleet, Fleet Services staff has determined that the below-listed motorcycles have either met or exceeded their life expectancies:

<u>ID #</u>	<u>YEAR/MAKE/MODEL</u>	<u>PROGRAM NO. / DESCRIPTION</u>
120	2006 BMW R1200RTP	00102601 / TRAFFIC BUREAU
122	2009 BMW R1200RTP	00102601 / TRAFFIC BUREAU

Following a joint deliberation with the BHPD staff, Fleet Services concurred with the Department's request to replace their vehicles with a like-vehicle selection of the BMW 1200 RTP motorcycle. These replacement vehicles maintain standardization and provide operational familiarity with projected enhanced reliability through upgraded systems design and are necessary in order to satisfy job duty requirements and also ensure that the vehicles in the City fleet are safe, reliable, modern and relevant to the user's current and future needs.

After careful evaluation of various purchasing options and pricing, staff determined that it is in the best interest of the City not to proceed with its own bid process and utilize the bid process of the County of Los Angeles Sheriff's Department (LA County Sheriff's Department) Bid Specification #RFB-IS-15200787 (See Attachment (1)). The LA County Sheriff's Department found that Long Beach BMW was the lowest bidder for its BMW motorcycle. Staff determined that using the LA County Sheriff's Department's resources, manpower and purchasing power gives the City the best pricing opportunity. Long Beach BMW intends to extend the same terms, conditions and prices that are stipulated in its one year contract with the LA County Sheriff's Department, which commenced on March 10, 2015, to the City of Beverly Hills (See Attachment (2)) to include modifications to the motorcycle specifications as noted in the chart below.

Staff recommends the approval of a purchase order in the amount not to exceed \$56,739.72 to Long Beach BMW for the purchase of two (2) BMW Police Motorcycles at the prices listed below which is based on LA County Sheriff's Department pricing.

FISCAL IMPACT

Summary of the Vendor's price quote for the police motorcycle specified by the City of Beverly Hills (See Attachment (3)) is as follows:

LIQUIDATED DAMAGES

All time limits stated in the Purchase Order are critical and mandatory. Should the delivery not be completed on or before the time stipulated, it is mutually agreed by and between the successful bidder and the Los Angeles County Sheriff's Department that:

A delay in delivery would seriously affect the public and the operation of the Los Angeles County; that a reduction in the unit price of twenty-five dollars (\$25) per calendar day for each and every day for each unit which exceeds the delivery time set forth in the Purchase Order is the nearest measure of damages for each delay that can be fixed at this time, therefore, the County and the successful bidder hereby establish said reduction in the unit price of twenty-five dollars (\$25) per calendar day for each and every day of delay for each unit as *liquidated damages* and not as a penalty or forfeiture for the breach of agreement to complete delivery by the successful bidder on or before the time specified in the Purchase Order.

Liquidated damages shall not apply to time elapsing between date of delivery and date of notification to the successful bidder or rejection of sub-specification material. The above conditions may be invoked if deliveries exceed the specified time or if replacement of material not meeting specifications exceed the specified time.

Should the successful bidder be obstructed or delayed in the work required to be done herewith by changes in the work or by default, act, or omission of the Sheriff's Department, or by strikes, fires, acts of God, or by the inability to obtain materials, equipment or labor due to Federal Government restrictions arising out of the defense or war program, then the time of completion shall be extended for such periods as may be agreed upon by the Sheriff's Department and the successful bidder.

If there is insufficient time to grant such extensions prior to completion date of the contract, the Sheriff's Department may, at the time of acceptance of the work, waive liquidated damages which may have accrued for failure to complete the work on time, due to any of the above, after hearing evidence as to the reasons for such delay and making a finding as to the cause of same.

In the event that the successful bidder is on strike at the time of the award of the bid, the Sheriff's Department reserves the option to accept the first acceptable bid from a manufacturer that is not on strike.
