**BEVERLY HILLS SAFETY SUPPORT ASSOCIATION
MEMORANDUM OF UNDERSTANDING**

The Beverly Hills Safety Support Association, a formally recognized employee organization, representing civilian safety support personnel, and duly authorized representatives of the management of the City of Beverly Hills (hereinafter referred to as the "City"), have met and conferred in good faith, freely exchanging information, opinions and proposals, and have reached the following agreement on matters within the scope of representation. A list of all of the classifications represented by the Association is attached to this MOU as Exhibit A.

Now, therefore, the parties agree and mutually recommend to the City Council the following for its determination.

1. Integration. This document embodies a written memorandum of the entire understanding and mutual agreement of the parties as required by Government Code Section 3505.1 and supersedes all prior Memoranda of Understanding and verbal agreements between the parties hereto.

It is recognized that there exists now certain past practices, policies or procedures that are in force and effect which affect wages, hours and working conditions. To that extent, it is agreed that such practices, policies and procedures shall remain in full force and effect during the entire term of this agreement, unless they are inconsistent with the provisions of this MOU, or unless they are changed by agreement of the parties.

2. Term. Unless otherwise specified herein, this Memorandum of Understanding shall be effective October 1, 2015 and shall expire on September 30, 2019.
3. Definition of the word "Day". The word "day" in this agreement refers to calendar days unless specifically designated as working days.

1. SALARIES

Effective the pay period including October 1, 2015 employees will receive a base salary increase of two percent (2%).

Effective the pay period including October 1, 2016, employees will receive a base salary increase of two percent (2%).

Effective the pay period including October 1, 2017, employees will receive a base salary increase of two and one half percent (2.5%).

Effective the pay period including October 1, 2018, employees will receive a base salary increase of three percent (3%).

The salary schedules for the duration of the MOU are attached hereto as Exhibit "B".

2. APPOINTMENT AND ADVANCEMENT

A. Probationary Period

The probationary period for all positions in the bargaining unit shall be one year.

The probationary period of an employee may be extended for a period of up to six (6) months. In addition, at the discretion of the City, the initial-hire probationary period for employees in the classification of Communications Dispatcher may be extended for additional periods of up to six (6) months, for a maximum extension of twelve (12) months. All probationary employees (regardless of at what step they were hired) will be eligible to use accrued leave upon satisfactory completion of the first six (6) months of service (with the exception of personal holiday and specified sick leave usage as required by law, which may be used within the first 6 months).

Benefits and leave rights shall be available to all employees on probation as a result of accepting a promotion, if such employee has completed at least six (6) months of probationary service in City Service.

B. Placement And Advancement Through Range

1. Salary Step Placement

Employees will be appointed to a step on the salary schedule within a prescribed range. Normally, employees shall be appointed to the first step in their allocated range. Upon the recommendation of the department head, the Assistant Director of Administrative Services/Human Resources (or City Manager

as required) may approve placement at a higher step within the prescribed range based upon the employee's qualifications and performance justifying such placement or a proven inability to recruit at the first step.

2. Salary Step Advancement

Unless otherwise provided, employees shall receive step advancements in the following manner:

- a. For employees starting at Step 1 of the salary range: After six (6) months of satisfactory service, a probationary employee appointed at Step 1 shall receive a salary step increase to Step 2 of the prescribed range. Annually thereafter, the employee shall be eligible for salary step increases to Steps 3 through 5.
- b. For employees starting at Step 2, 3, or 4 of the salary range: After one year of satisfactory service and each year annually thereafter, an employees shall be eligible for a salary increase to the next step of the range.
- c. All step increases shall be in accordance with the following procedure:
 - (1) Upon receipt of an evaluation with an overall rating of satisfactory or better, employees shall receive step increases in accordance with "a" and "b" above.
 - (2) Increases are recommended by the employee's supervisor and department head (or designee), and are approved by the Assistant Director of Administrative Services/Human Resources.
 - (3) Increases are effective on the first day of the pay period following the employee's scheduled increase date.

C. Application Of Salary Steps To Promotions

An employee who is promoted shall be placed at Step 1 of the new classification or at the lowest step of the new classification that provides the employee with a base salary of at least five percent (5%) more than the base pay the employee was receiving prior to being promoted. In no event shall the promoted employee be placed below the bottom step or above the top step of the new range.

D. Special Merit Step Advancement

The City Manager may, upon the recommendation of the employee's department head and the Assistant Director of Administrative Services/Human Resources, authorize the advancement of an employee to any of the four (4) steps earlier than he/she would normally be eligible. Such increases shall be effective on the first day of the pay period following approval by the City Manager, if not otherwise specified by the Appointing Authority. Employees will thereafter be eligible for regular step increases annually on the anniversary of the special merit advancement.

E. Superior - Subordinate Relationship

For the purpose of this section, a superior-subordinate relationship is defined as a relationship in which a classification has the responsibility for the direct supervision of another classification.

In such a relationship, a superior shall be paid a monthly salary rate above his/her subordinates. When a subordinate's monthly salary rate is equal to or exceeds that which is being paid to his/her superior, the superior shall receive a special adjustment of 3% above the salary received by his/her highest paid subordinate. Notwithstanding the foregoing, no member of this unit may receive pay pursuant to this section if he/she is supervising a Police Officer or any other sworn personnel or working on an overtime assignment.

At any time the superior's base salary (excluding this salary adjustment) exceeds the base salary of his/her subordinates, the salary adjustment granted to him/her by this section shall be eliminated.

Monthly salary rate is defined as the base monthly salary paid to a position. Excluded from salary computations for this provision are any bonuses paid, shift differentials, overtime payments, or any additional payment to a position.

3. HOURS, WORKWEEKS AND WORK SCHEDULES

A. Workweek

The workweek for all members of the unit shall be 168 regularly recurring hours. All employees are required to work a full time (i.e., forty (40) hours) work schedule unless otherwise provided by the City Manager.

B. Work Schedules

Work schedules refer to the particular type of schedule, not the particular hours in the day the employee is scheduled to work. That is defined below in subsection D as "shift schedules".

Work hours will be consecutive with the exception of an unpaid meal period (for those classifications not receiving a paid meal period).

For employees working the 5/40 work schedule, each employee's designated FLSA workweek shall begin on Saturday at 12:00 a.m. and end at 11:59 p.m. the following Friday.

- A 5/40 schedule consists of a weekly work schedule of five (5) consecutive workdays of eight (8) hours each (including paid breaks), followed by two consecutive days off.

For employees working the 9/80 work schedule, each employee's designated FLSA workweek (168 hours in length) shall begin exactly four hours after the start time of his/her eight hour shift on the day of the week that corresponds with the employee's alternating regular day off.

- A 9/80 schedule consists of alternate weeks of four (4) consecutive workdays of nine (9) hours each, followed by five (5) consecutive workdays four (4) consecutive days of which consist of nine (9) work hours each and one (1) day of eight (8) work hours.

For employees working the 4/10 work schedule, each employee's designated FLSA workweek shall begin on Saturday at 12:00 a.m. and end at 11:59 p.m. the following Friday.

- A 4/10 schedule consists of a weekly work schedule of 4 consecutive workdays of 10 work hours each, followed by three consecutive days off.

For employees working the 3/12 work schedule, each employee's designated FLSA workweek shall begin exactly four hours after the start time of his/her eight hour shift on the day of the week that corresponds with the employee's alternating regular day off.

- A 3/12 schedule consists of alternate weeks of three (3) consecutive workdays of 12 hours each and four consecutive days off, followed by four (4) consecutive workdays, three (3) consecutive days of which consist of 12 hours each and one day of eight (8) work hours and three consecutive days off.

For employees working the 3/12.5 work schedule, each employee's designated FLSA workweek shall begin exactly five hours after the start time of each employee's ten hour shift. As such, these employees will earn 2.5 hours of overtime (of which the straight time portion of these hours will have already been paid as part of regular monthly compensation) in each of the two workweeks in which the ten hour shift shall fall.

- A 3/12.5 schedule consists of a weekly schedule of three (3) consecutive workdays of 12.5 hours each with one additional 10 hour day every four weeks. The ten hour shift shall not be changed unless it is intended to be changed

permanently. If that happens, the employee's FLSA workweek will change to begin five hours after the new start time of the ten hour shift.

Employees in the bargaining unit whose work schedule is not defined in 1-7 below shall be assigned to work a 9/80 work schedule.

1. Communications Bureau and Senior Records Specialist:

Employees working in the Communications Bureau and employees in the classification of Senior Records Specialist shall work the 3/12.5 schedule. However, the City may assign up to two employees in the classification of Communications Dispatcher and two employees in the classification of Senior Records Specialist to work the 4/10 work schedule based on an assessment of operational need to do so. If the City decides that it wants to assign one or two employees (from either or both classifications) to a 4/10 work schedule, it shall first determine if there are employees in the classification who voluntarily choose to work that shift schedule. If that is the case, selection will be made from those who volunteer for the 4/10 shift schedule. If there are more volunteers than assignments, the most senior (in class) shall decide if he/she wants the shift or not. If there are no volunteers, the least senior employees (based on time in class) will be assigned to the 4/10 shift schedule. In addition, employees in either classification may request to work a 4/10 work schedule. If such request is acceptable to the employee's manager it shall be granted. If such request is denied, such denial is not subject to being grieved.

2. Identification Bureau and Records Specialist:

Employees working in the Identification Bureau and employees in the classification of Records Specialist shall work the 4/10 schedule. Employees in the classification of Records Specialist may request to work a 3/12.5 work schedule. If such request is acceptable to the employee's manager it shall be granted. If such request is denied, such denial is not subject to being grieved.

3. Civilian Range Master:

Employees in the Civilian Range Master classification shall be assigned to the 4/10, 3/12 or 3/12.5 work schedule, at management discretion.

4. Records Supervisor and Traffic Control Officer:

Employees in the classifications of Records Supervisor and Traffic Control Officer shall be assigned to work either the 4/10 or 3/12.5 work schedule. Such employees may request to work an alternative work schedule to their current work schedule, (e.g., an employee working a 3/12.5 may request to work a 4/10

and vice versa). If such request is acceptable to the employee's manager it shall be granted. If such request is denied, such denial is not subject to being grieved.

5. Administrative Clerks, Secretaries, Detective Specialists, Property Officers, Traffic Specialists, Parking Enforcement Dispatchers, and Fire Inspectors:

Employees in these classifications shall work the 4/10 schedule.

6. Jail Bureau:

Employees assigned to the Jail Bureau shall work either the 9/80 or 4/10 work schedule. Employees assigned to the Jail Bureau may request to work another work schedule. If such request is acceptable to the employee's manager it shall be granted. If such request is denied, such denial is not subject to being grieved.

7. Parking Enforcement Officers:

Employees in this classification shall be assigned to work a 4/10, 9/80, or 5/40 work schedule subject to the provisions below.

- a. A.M. shift (a.k.a. morning watch):

Only the employees who work the a.m. shift who were previously grandfathered to work a 9/80 work schedule shall continue to work the 9/80 work schedule. All other employees who work the a.m. shift shall work the 5/40 work schedule. The City shall consider requests from the officers remaining on the 9/80 a.m. work schedule to be placed on the 5/40 shift. If such request is acceptable to the employee's manager it shall be granted. If such request is denied, such denial is not subject to being grieved.

- b. All Other Shifts

Parking Enforcement Officers working all shifts other than the a.m. shift shall be assigned to work a 4/10 work schedule. Such employees may request to work a 9/80 or 5/40 work schedule. If such request is acceptable to the employee's manager it shall be granted. If such request is denied, such denial is not subject to being grieved.

C. Shift Schedules

Shift schedules are the hours of the day an employee's shift covers. Employees in some of the classifications in the unit bid for shift assignments based on seniority (which, for purposes of this article is measured by time in classification) For those classifications, the shift bidding

process shall be based as far as possible on seniority, but subject to the department head's right to plan work under his or her control.

For classifications which do not bid shifts, that classification's shift schedule(s) shall be established by the department head.

Once shift schedules are established, the department head retains the right to make de minimis changes to the shift schedule (i.e., the start and end time of an employee's work shift). However, any other changes to an employee's shift or work schedule are subject to meet and confer. The Association acknowledges that if requested to meet and confer over a schedule change, it will do so promptly.

D. Employees on Probation

Employees on probation may have their work schedules and shift schedules changed by their department head at his/her discretion. Once off probation, these employees are subject to all other provisions of this article.

E. Meal Period

With the exception of employees who work in the Police Department in the Records Bureau, Communications Bureau, Jail Bureau and Administrative Office, all employees in the unit receive a thirty (30) minute unpaid meal break. Employees in the Records Bureau, Communications Bureau, Jail Bureau and Administrative Office do not receive a formal meal period. If they take a break to eat a meal it is part of their regularly scheduled hours and is paid. That said the City will take all reasonable efforts to provide such employees with a break period sufficient for them to eat.

F. Vehicle Use For Fire Inspectors

Employees in the classification of Fire Inspector who are required to use a vehicle in the performance of their job duties will be provided with a City vehicle to perform those duties.

4. OVERTIME

Employees are required to accurately report all time worked on their time sheets. Under no circumstances may an employee work any time in addition to his/her regular work hours before or after work or on an unpaid meal break without first receiving approval in advance from his/her supervisor. Thus, all overtime requires advanced approval. In addition, since no supervisor is permitted to require an employee to work overtime without it being reported on his/her time sheet, if an employee works such time it is expected that the employee will record the time and the supervisor shall permit it to be reported.

A. Earning Overtime:

Employees shall be paid overtime compensation at the rate of 1.5 times their regular rate of pay when required to work holidays, or in excess of the employee's regularly scheduled hours per day or more than 40 hours in a workweek. All paid leave shall be regarded as hours worked for purposes of computing entitlement to overtime.

B. Compensatory Time Off:

Employees working overtime shall receive either pay or compensatory time off (CTO). The decision as to whether an employee will receive pay or earn CTO will be made by the employee's department head or designee. Employees can accumulate up to 160 hours of CTO. Since CTO is earned at 1.5 hours for each hour of overtime worked, 160 hours of CTO equates to 106.66 hours of overtime worked.

An employee wishing to use his/her accumulated CTO must provide reasonable notice to his/her supervisor. If reasonable notice is provided, the request will only be denied if the request is unduly disruptive to the operations of the employee's department. For purposes of this MOU, reasonable notice is defined as at least one calendar week. If an employee wishes to use CTO without providing reasonable notice, the decision to grant or deny that request will be at the discretion of the employee's supervisor.

5. COURT TIME, CALL BACK AND STANDBY

A. Court Time:

An employee called into work from being off-duty to appear in court shall receive a minimum of four (4) hours at time and one-half. However, if the court appearance time is contiguous with an employee's shift (i.e., either directly before or after the employee's assigned shift) the employee will be paid at least one hour at time and one-half or for the actual time spent in court, whichever is greater. An employee called to court while on duty will be paid for his/her actual hours worked and shall not receive any minimum payments as provided herein.

B. Call Back:

An employee called back to work while off duty shall receive a minimum of four (4) hours straight time pay. An employee called back for more than four (4) hours shall receive pay at the rate of time and one half for each hour worked in excess of four (4). Employees who are called back to work shall receive straight time for the first four hours worked on call back unless the employee's hours (by working the call back) exceed 40 hours in the defined

workweek. If that occurs the employee shall receive overtime compensation for the hours above 40.

C. Standby Pay:

Employees may be required to be on standby for many different reasons. Being on standby means that the employee is required to promptly return to work after being called and be fit for duty and able to respond. Employees are not permitted to drink alcohol while on standby.

Employees on standby shall receive a cell phone from the City and will be required to respond to the call or text message as quickly as possible. Upon responding, the employee will be instructed as to whether he or she is required to return to work and will be informed of the location to which he or she must respond. Response time will generally be the employee's normal commute time. Employees on standby shall receive three (3) hours of compensation at straight time for each day (12 hours) he/she is on standby.

6. WORKING OR TRAINING OUTSIDE OF CLASSIFICATION

Employees in the unit may either perform or train for work which is not part of his/her regular classification. For this type of work, the parties agree to the provisions below to address those situations.

A. Special Assignment Increase

A special assignment increase may be granted to an employee provided that the employee is clearly performing specific duties above and beyond that required by his/her classification while not assigned or authorized to be filling a position out of classification. The department head or designee shall submit his/her recommendation and justification to the Assistant Director of Administrative Services/Human Resources for approval. The Assistant Director of Administrative Services/Human Resources will review the recommendation and determine whether it is warranted given the standards of this section.

An employee shall receive six percent (6%) above his/her hourly base salary for each hour assigned to the special assignment.

The parties agree that to the extent permitted by law, the compensation for Special Assignment Pay is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(3) Temporary Upgrade Pay.

B. Training Assignment Increase

When assigned to train a new employee, employees shall receive an assignment pay increase of six-percent (6%) above base pay applicable only to the hours worked in training the new

employee. Once such training ends, the employee will no longer be entitled to receive it unless/until he/she begins to train another new employee. The Assistant Director of Administrative Services/Human Resources may review any employee's receipt of such training assignment pay at any time to determine if an employee's receipt of it is still warranted. Communications Dispatchers shall receive training pay when training a Police Officer.

The parties agree that to the extent permitted by law, the compensation for Training Pay is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(4) Training Premium.

C. Filling Position Out Of Classification (FPOC)

Every regular employee assigned to and working in a classification with a salary range above that of the employee's regularly assigned position as the result of special departmental need shall be paid while so assigned at a step within the range for the higher classification. When an employee is assigned and performs the duties of the higher classification, the employee shall be placed at the next salary step that is at least five percent (5%) above the base pay rate of his/her regular classification, provided that no employee will be placed at a rate higher than the fifth step, nor lower than the first step of the salary range for the classification the employee is filling out of classification. No position may be filled out of classification unless established departmental procedures are followed and authorization from the Appointing Authority is obtained. Probationary employees are not eligible to fill a position out of classification.

To be eligible for compensation for filling a position out of classification, the employee has to meet the criteria for the higher classification and be capable of performing those specific tasks which he/she will be performing during this acting time and which differentiates it from the lower classification. Before FPOC status is attained, the necessary forms shall be approved by the Appointing Authority and Assistant Director of Administrative Services/Human Resources

An employee assigned to fill a position out of classification shall not acquire status or credit for service in the higher class and may be returned to his/her regular position at any time. An employee receiving FPOC pay shall not receive the higher salary when on vacation or sick leave for two weeks or longer.

The parties agree that to the extent permitted by law, the compensation for FPOC is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(3) Temporary Upgrade Pay.

7. RECLASSIFICATIONS

An employee may request a reclassification if he or she has been in the position for at least 180 days. The City can initiate a request for reclassification of a position at any time regardless of whether an employee in the position has been in the position for 180 days.

When a position in the unit is reclassified upward, the employee in the position shall be appointed to the reclassified position, except that:

1. If the City initiates the request and an employee in the position has not been in the position for at least one hundred and eighty (180) days immediately prior to the reclassification, he or she will stay in his or her current position until he or she has been in it for 180 days.
2. If at the end of the 180 day-period described above, the employee meets the qualifications established for the reclassified position, he or she shall be reclassified to the new position. If the employee does not then meet the minimum requirements of the reclassified position, it shall be filled through an outside recruitment process.

In the event an employee is reclassified or the position occupied by an employee is reclassified to a position assigned to a higher salary schedule, and the employee in such position is eligible for appointment to this position, he/she shall be placed at Step 1 of the new classification or at a salary step that is at least equal to five percent (5%) greater than the base pay rate in the previous classification, provided that no rate higher than the top step of the respective salary schedule shall be paid.

When a position in the unit is reclassified downward to a class having a lower salary or is determined by the Council to be excessively compensated, the salary of the employee in that position shall be "Y"-rated, which shall freeze the employee's salary at that amount received just prior to the reclassification. This action shall prevent salary advancement for such employee until the schedule for the reclassified position's classification provides a step which exceeds the salary paid to the employee. No reduction in salary rate shall result from "Y"-rating.

8. ADDITIONAL COMPENSATION

No compensation adjustments authorized by this article shall become effective until an official transaction form authorizing the adjustment is approved by the Assistant Director of Administrative Services/Human Resources.

A. Shift Pay

1. Definition of Shifts

- a. Rotating shift means an authorized periodic change to the start and end times of an employee's regularly reassigned work shift during his/her defined FLSA workweek (for example, an employee whose regular schedule contains both a swing shift and a day shift within the same FLSA workweek). Rotating shift does not include changing the number of hours an employee works in a day or number of days worked per week.
- b. Swing shift means authorized work schedules regularly assigned in which at least 4 hours worked are between the hours of 5:00 p.m. and 1:00 a.m. of each work day.
- c. Night shift means authorized work schedules regularly assigned in which at least 4 hours worked are between the hours of 11:00 p.m. and 8:00 a.m. of each work day.
- d. Day shift means any authorized work schedules assigned except rotating, swing or night shift as defined above.

2. Shift Pay

- a. Employees assigned to a rotating or swing shift shall receive a shift differential of 3% of base salary.
- b. Employees assigned to a night shift shall receive a shift differential of 6%.
- c. In any given workweek, an employee may only receive a maximum of a 6% shift pay even if working both night shift (for at least two workdays) rotating and/or swing shift.

The parties agree that to the extent permitted by law, the compensation for shift pay is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(4) Shift Differential.

B. Latent Print Examiner Pay

Forensic Specialists and Senior Forensic Specialists who qualify as Certified Latent Print Examiners shall receive 5.5% of base salary per month. Proof of certification shall be filed with the Human Resources Office.

The parties agree that to the extent permitted by law, the compensation for Latent Print Examiner Pay is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(4) Police Investigator Premium.

C. Bilingual Pay

The City shall pay 3% of base salary to employees who are certified as bilingual by the County of Los Angeles or other agencies approved by the City. The certification tests for written and oral proficiency in Spanish, Farsi, Korean, Russian, Japanese, Chinese, Tagalog, French, German, American Sign or any other language designated by the City. The initial fees for any testing required to obtain certification shall be borne by the City. If the employee fails to obtain the certification, subsequent attempts will be paid for by the employee.

The parties agree that to the extent permitted by law, the compensation for Bilingual Pay is special compensation and shall be reported as such pursuant to Title 2 CCR, Section 571(a)(4) Bilingual Premium.

9. UNIFORM ALLOWANCE

The City shall furnish the initial uniforms and necessary equipment to each employee required to wear a uniform. It shall be the responsibility of each employee to maintain his/her uniform in good condition, consistent with the specifications listed in each Department's manual or procedure.

The initial uniform issuance shall include three (3) pair of trousers/slacks/skirts (or a combination of), four (4) shirts/blouses, a belt, a name plate and a sweater or jacket. Depending upon assignment, other issued equipment may include foul weather gear, a hat, a tie and tie bar, and a whistle and chain. The City shall replace uniform items or issued equipment which is no longer serviceable. The employee shall complete the Uniform Replacement and Equipment Purchase Form when requesting replacement of issued uniforms or equipment. The decision to replace items will be at the discretion of the individual's supervisor.

The classifications of Forensic Specialist and Senior Forensic Specialist shall receive an annual clothing allowance in the amount of \$600.00 per year per employee.

The City may require certain classifications to wear a uniform shoe. The City supplies shoes for the classifications of Fire Inspector, Parking Enforcement Supervisor, Parking Enforcement Officer, Parking Control Officer, Property Officer, and Traffic Control Officer. There is a \$140.00 maximum established for the purchase of shoes. Employees desiring more expensive shoes will be responsible for the purchase of their own shoes and will be reimbursed up to the maximum above upon submitting the receipt and the Uniform Replacement and Equipment Purchase Form. Other employees will be required to wear shoes appropriate to the uniform worn. Generally, these employees will be required to have black shoes.

The parties agree that to the extent permitted by law, the value of the uniforms provided in the previous paragraph is special compensation and shall be reported as such pursuant to Title 2, CCR 571(a)(5). The City will report as special compensation, the value of the uniforms for a unit member employed on or before December 31, 2012. 10. HEALTH BENEFITS

A. Cafeteria Plan and Benefits

1. Cafeteria Plan and Benefits

The City will provide current employees with flexible benefits through a cafeteria plan as provided below.

Any language contained in this MOU which is also contained in the cafeteria plan documents is done so for the convenience of the parties. However, the parties agree that all of the provisions of the cafeteria plan documents (whether included in this MOU or not) are applicable and binding on the parties to this MOU.

The following insurance benefits are provided through the provision of a cafeteria plan adopted in accordance with the provisions of IRS Code § 125: medical, dental, and optical.

2. The Purchase of Optional Benefits Through the Cafeteria Plan:

Effective January 1, 2015 through December 31, 2017, employees shall be provided with the amount of \$2,000.00 per month for the purchase of the optional medical, dental and optical insurance benefits. The \$2,000.00 per month is inclusive of the CalPERS statutory minimum.

Effective January 1, 2018, employees shall be provided with the amount of \$2,050.00 per month for the purchase of the optional medical, dental and optical insurance benefits. The \$2,050.00 per month is inclusive of the CalPERS statutory minimum.

a. Medical Insurance

The City contracts with the Public Employees' Retirement System for medical insurance. Insurance coverage is effective the first day of the next month following the employee's hire date.

The City will contribute the PERS statutory minimum on behalf of each employee in the program.

Eligible employees may select any of the HMO or PPO medical insurance plans offered by CalPERS.

If CalPERS changes any of the medical insurance plans by either adding to or deleting the plan options described above, employees will be limited to those plan options offered by CalPERS.

For each of the plans, employees will also be able to choose the benefit for the employee, employee + 1 or employee + family. Covered employees are required to participate in CalPERS medical insurance under one of the available options. However, an employee may opt out of medical insurance if the employee provides proof of group medical insurance coverage (e.g., coverage under a spouse's employer's plan) that is compliant with the Affordable Care Act ("ACA").

If at any time during the term of the MOU, the City is subject to penalties under the ACA, the parties agree to reopen negotiations on that provision of the cafeteria plan subjecting the City to such penalties for the limited purpose of making changes to ensure that such penalties are avoided.

b. Dental Insurance

Employees shall also have the ability to select from two levels of dental insurance from the City's dental insurance provider, Guardian. The City reserves the right to change dental insurance providers if necessary. If it does, employees will be provided with similar benefits with the new provider. As with medical insurance, employees will have the options of: employee, employee + 1 or employee + family. Employees do not have to choose any dental insurance and need not provide proof of dental insurance from another source.

c. Optical Insurance

Employees shall also have the ability to select from two levels of optical insurance from the City's optical insurance provider, Vision Service Plan (VSP). The City reserves the right to change optical insurance providers if necessary. If it does, employees will be provided with similar benefits with the new provider. As with medical insurance, employees have the options of: employee, employee + 1 or employee + family. Employees do not have to choose any optical insurance and need not provide proof of optical insurance from another source.

3. Employee Contributions for Benefit Options: If an employee chooses optional benefits whose aggregate cost exceeds the total City contributions to the Cafeteria Plan, the City will automatically deduct the excess amount on a pre-tax basis from the employee's bi-weekly payroll.
4. The Receipt of Cash Through the Cafeteria Plan: Employees will be eligible to receive cash up to a maximum of \$475 per month (subject to taxation as wages) through the cafeteria plan if they either opt out of receiving one of the optional benefits provided through the plan or if they choose optional benefits that do not cost as much as the maximum dollar amount they receive through the plan.

B. Flexible Spending Accounts

Employees have the opportunity to participate in both a health care and dependent care flexible spending account (each an FSA) whereby employees will be able to defer up to the maximum permitted by law for both the health care FSA and the dependent care FSA to pay for any eligible out of pocket expenses related to health care or dependent care on a pre-tax basis. The provisions of both of these FSA's will be provided in a plan document. The plan document will be available to each eligible employee upon request. Before January 1 of every year, employees will be able to elect to have their compensation for the upcoming year deducted biweekly and contributed on a pre-tax basis to the FSA. During the year (and for a short grace period thereafter), an employee can receive reimbursements under the FSA for covered expenses incurred during the year, up to the amount of the employee's elected contributions for the year. The FSA deductions will be withheld from employees' regular payroll.

30-day elimination period. This disability insurance plan is effective the beginning of the month following approval of this MOU (until the benefit is changed, employees will receive the prior plan of a \$6,000 salary cap and a 60-day elimination period). Employees may use accrued leaves to supplement payments received by the disability insurance plan. However, the employee may not receive more than 100% of his/her regular wages.

2. City Provided Term Life Insurance:

The City provides for each employee term life insurance. The policy shall be a \$50,000 policy, which will increase to \$75,000.00 effective the beginning of the month following approval of this MOU.

3. Supplemental Term Life Insurance:

Employees may also purchase supplemental term life insurance, if available, with deductions from their bi-weekly compensation as designated by each employee. Although employees may use cash wages they receive through the cafeteria plan (if applicable) to purchase supplemental term life insurance, they cannot defer cash wages they receive through the cafeteria plan directly into the purchase of supplemental term life insurance. It must be a deduction from their paycheck.

4. To the extent that any provisions of AB 410 (effective January 1, 2014) are contrary to those provided herein, the provisions of AB 410 shall apply.

B. Tier 2: Retirees Who Were Hired On Or After January 1, 2010

Employees hired by the City on or after January 1, 2010 who retire from the City will receive the CalPERS statutory minimum paid by the City.

In addition, in lieu of additional retiree medical insurance benefits, the City shall, while the employees are working for the City, contribute the sum of \$250.00 per month (\$115.38 per pay period) to a retirement account on behalf of such employees.

Employees who promote into the unit after January 1, 2010 who were City employees as of December 31, 2009 will receive retiree medical benefits as though they were a member of the bargaining unit prior to January 1, 2010 as addressed above.

For employees with twenty (20) or more years of continuous service, the rate for accumulated sick leave is four percent (4%). However, the maximum rate of sick leave payoff shall not exceed 100%. Sick leave shall be calculated at the rate of pay, including all bonuses, received by the employee at the time of his/her separation. For example, an employee with eighteen full years of continuous City service at the time of separation would receive a pay-off for fifty-four percent (54%) of his/her accumulated sick leave.

If an employee is pursuing a grievance without Association representation, the employee shall be personally responsible for his or her share of the costs of the advisory arbitrator. For disciplinary appeals, the City and Association shall share the costs of the advisory arbitrator if the Association is financially supporting the appeal by providing representation for the employee.

After a hearing on a grievance or disciplinary appeal, the arbitrator shall issue a written advisory opinion to the City Manager, and shall provide copies to the Association, the applicable department head, the City Manager and the Office of Human Resources. Within ten days from the receipt of the advisory arbitration's opinion, the Association and the applicable department head may submit to the City Manager a brief statement, not exceeding three (3) double-spaced pages, stating whether they believe the advisory arbitrator's opinion is correct or not and the bases for their position. Within forty-five (45) days of receipt of the advisory arbitrator's opinion, the City Manager shall issue a written decision and send such decision to the Office of Human Resources. The Office of Human Resources shall provide copies to the Association and to the applicable department head.

The City Manager may accept, reject or modify the advisory arbitrator's opinion or any part thereof. If the City Manager modifies the advisory opinion, he/she may increase, decrease or otherwise modify the penalty or relief recommended by the arbitrator. In no case, however, may the City Manager increase the penalty above that imposed by the department head. The City Manager's decision shall be final and binding. In reaching his/her decision, the City Manager shall review the advisory arbitrator's opinion, the brief statements (if any) on the advisory arbitrator's opinion submitted by the parties to the City Manager, and the evidence, both documentary and testimonial, and arguments presented to the advisory arbitrator.

DEFINITIONS OF "NEW MEMBER" AND "CLASSIC MEMBER" PER THE PUBLIC EMPLOYEES' PENSION REFORM ACT OF 2013 – PEPRA.

The parties acknowledge that the PEPRA controls over definitions such as "new member" and "classic member" and put their understanding of the definitions in their MOU for informational purposes so that employees understand their retirement benefits.

New Member

Government Code section 7522.04(f) defines "new member" as follows:

- (f) "New member" means any of the following:
- (1) An individual who becomes a member of any public retirement system for the first time on or after January 1, 2013, and who was not a member of any other public retirement system prior to that date.
 - (2) An individual who becomes a member of a public retirement system for the first time on or after January 1, 2013, and who was a member of another public retirement system prior to that date, but who was not subject to reciprocity under subdivision (c) of Section 7522.02.
 - (3) An individual who was an active member in a retirement system and who, after a break in service of more than six months, returned to active membership in that system with a new employer.

Classic Member

CalPERS refers to all members who do not fit the definition of new member as a classic member.
