2. Amendment No. 1 to the Agreement Between the City of Beverly Hills and Atkinson, Andelson, Loya, Ruud & Romo
3. Amendment No. 2 to the Agreement Between the City of Beverly Hills and Atkinson, Andelson, Loya, Ruud & Romo

RECOMMENDATION

Staff recommends that the City Council approve an amendment to the contract (550-15) for an additional \$20,000 to be added to this existing purchase order in a total not-to-exceed amount of \$70,000 for employee and labor relations and employment law servicers, specifically to conduct independent investigations of confidential personnel matters.

INTRODUCTION

The City has retained the services of Atkinson, Andelson, Loya, Ruud, & Romo to conduct specialized confidential personnel investigations. Based upon the scope of the

investigation services needed, the additional funding will pay existing invoices associated with these services anticipated for the remainder of the fiscal year.

DISCUSSION

In order to complete personnel investigations requiring particular areas of expertise, the City retained the services of attorneys at Atkinson, Andelson, Loya, Ruud & Romo. The assignment of an additional investigation to the firm, as well as the scope of the matters involved, has necessitated an increase to the original contract amount. The initial contract and amendment for a total of \$50,000 was approved under the City Manager's authority.

The amount requested will bring the total of the purchase order to \$70,000.

FISCAL IMPACT

The additional expenses related to special counsel services will not exceed \$70,000 for Fiscal Year 2015/16. However, there is sufficient funding in the Human Resources budget, and the departmental budgets in which the investigations are occurring, for the expenses related to these services.

EXHIBIT A

SCOPE OF WORK

CONTRACTOR shall perform the following services:

Represent CITY with respect to certain labor and employment matters, as requested by CITY, and specifically, for the purpose of conducting independent investigations of confidential personnel matters.

CITY agrees to fully cooperate with the CONTRACTOR in connection with the CONTRACTOR's representation of CITY, including but not limited to attending mandatory court hearings and other appearances and providing necessary information and documentation to enable the CONTRACTOR to adequately represent CITY.

Protection of city confidences high tech communication devices:

The CONTRACTOR stays constantly aware of its important obligation to preserve the secrets and confidences of its clients which it holds in precious trust for them. To that end it is important that the CITY and the CONTRACTOR agree from the outset what kinds of communications technology the CONTRACTOR should employ in the course of this engagement. For instance, the exchange of documents and other information using email or other types of electronic communications involves some risk that information will be retrieved by third parties with no right to see it. Even the use of facsimile machines can cause problems if documents are sent to numbers where the documents sit in open view.

Therefore, the CITY should only provide the CONTRACTOR with cellular numbers, facsimile numbers and email addresses which are acceptable to the CITY for receiving confidential communications from the CONTRACTOR. If the CITY has any mailing addresses, cellular numbers, facsimile numbers, and email addresses that the CONTRACTOR should not use for confidential communications, please advise CONTRACTOR of these in writing. CITY agrees that the CONTRACTOR may use any of the CITY's cellular numbers, facsimile numbers and email addresses other than those which the CITY specify in writing that the CONTRACTOR should not use.

Possible third party conflicts:

CITY and CONTRACTOR agree to the applicability of the Rules of Professional Conduct adopted in California to any and all representation arising under this AGREEMENT.

Mediation/arbitration; waiver of jury trial:

If a dispute arises out of or relating to any aspect of this Agreement between CITY and CONTRACTOR, or the breach thereof, and if the dispute cannot be settled through negotiation, CONTRACTOR and CITY agree to discuss in good faith the use of mediation before resorting to arbitration, litigation, or any other dispute resolution procedure. Nothing in this Agreement limits or otherwise affects CITY's right under Sections 6200-6206 of the California Business and Professions Code to request arbitration of any fee dispute by an independent, impartial arbitrator or panel of arbitrators through a bar association program created solely to resolve fee

disputes between lawyers and CITY. However, should discussions, mediation or the non-binding arbitration provided through a local bar association program not resolve the dispute, the dispute may be determined by binding arbitration before the American Arbitration Association under their then prevailing commercial arbitration rules, except that discovery may be taken in that arbitration under the California Code of Civil Procedure. The claims or controversies subject to this provision may include, without limitation, any claim of professional negligence or malpractice. The arbitration will be held in Los Angeles, California, unless we mutually select another venue, and judgment may be entered upon the arbitrator's award by any court having jurisdiction. Should CITY refuse or neglect to appear or participate in the arbitration proceedings, the arbitrator is empowered to decide the claim or controversy in accordance with the evidence presented. CITY should realize that by accepting the arbitration provision, CITY WILL WAIVE CITY'S RIGHT TO A JURY TRIAL AND THE RIGHT, EXCEPT UNDER LIMITED CIRCUMSTANCES, TO APPEAL THE ARBITRATOR'S DECISION.
