**PLEASE NOTE: INFORMATION (INCLUDING ESSAY &  
RESUME) PROVIDED BY APPLICANT IS PUBLIC RECORD  
AND WILL BE POSTED ON THE CITY'S WEBSITE.**

Please type the numbers and/or letters inside the box:

I have worked for the City of Beverly Hills before, and know its people, strong community, schools and healthy businesses.

I have been a consultant for most of my life. My clients include the world's largest corporations including Coca-Cola, Intel, and Sony, and also the governments of Los Angeles and Beverly Hills. I understand the differences between corporations and the public sector and the unique opportunities to make them better.

My work within the City of Beverly Hills, bought me in connection with most every department: Information Technology, City Council, Police, Fire, Parks and Recreation, Building, Water and even Sanitation, and more. I witnessed first hand how every department works, and how they unite together to efficiently manage the city we call home.

My Goals:

*Expand Beverly Hills leadership*, the city has been in innovative in stopping spam physical mail – next how about we work to stop those unwanted phone calls? The DoNoCall registry, is not working, it's time for someone to step up, and I think we are the right community to do that.

*Public Education*, Beverly Hills has wonderful public schools. My (family adopted) nephews and niece attended here and some even went on to my Alma Matter! We should offer classes for the community that would like to learn CPR – perhaps free for students – think about how many lives would be saved. And I would like to see government officials offer talks to the students about voting, duty, and civic responsibility.

*Community Connections*, I want to strengthen the sense of community. Where people know each other, support each other and look within for new jobs and opportunities – hire local first and support our local businesses.

We have a wonderful library. When I approached them about a *community club*, they thought it was a great idea, but didn't have the means to host one. They offered to let me teach classes, which is nice. however I feel there should be a stronger involvement in local interests that serve to bring our residence, their interest and business together.

*Support and Safety*, the better we know our neighbors, the safer our community.

I was brought in before to help upgrade, to teach and train, and help the employees become more effective and efficient and left it a better place. I would be honored to do this again for the short term for the city I love and live in, The City of Beverly Hills. Thank you for your consideration.

Please type the numbers and/or letters inside the box:

As a member of the community of Beverly Hills I have been proud to serve on the Fine Arts Commission for 7 years and graduate of Team Beverly Hills. During that time, I was able to take input from the community to curate a world-class collection of public art. I listened to citizens voice their opinions about the types of art that they enjoy seeing in our city and used their input, along with my knowledge of fine-art, to acquire pieces that the entire community could enjoy. Beyond that, I listened to the concerns of local business owners, who needed to find art that would meet the City's requirements, and helped write the ordinance that clarified business owner's fine-art obligation. Throughout my entire time on Fine Arts Commission, I did my best to be a team player, listening to what other Commissioners had to say, and trying to be incorporative of differing opinions to the extent that we were are all striving for the same goal of trying to beautify and serve the aesthetics of Beverly Hills.

If I were to serve on the City Council, my goal would be to help the City enact legislature that empowers both the residents and business owners of our City. I believe the City Council has the ability to make Beverly Hills a wonderful place to live as well as a robust place to operate a business and I would be proud to be a part of building our community in this way. Lastly, given that this is a temporary appointment that will last until March 2017, I would like to prepare a place for a successor, whoever they may be. I have no larger political aspirations beyond serving in this limited capacity but I would cherish the opportunity to serve on the City Council while I can.

Why I believe I would be a positive addition to the Beverly Hills City Council

I have demonstrated my tenacity, research skills and communication abilities while dealing with the Lots 12 and 13 situation. One of my first priorities, if appointed, will be to bring this to a satisfactory conclusion, which would consist of two parts. One would be to repair the damage which has been done to the quality of life of the residents. Second would be to work to make sure that nothing similar could happen again by correcting the structural flaws in the way the city operates and by bringing an end to the lack of transparency between the departments and the residents of the city. The new "advise and consent" power of the City Council is a major step in this direction, and I would support and, where necessary, work to strengthen that power so as to make sure that ALL city employees understand that their first obligation is the welfare of the residents, that they have clear direction as to what that means and that the desires of developers must come second and meet the requirement being of benefit to the residents quality of life.

Respectfully submitted by Lionel A. Ephraim 5/20/16

**LIONEL A. EPHRAIM**  
Abbreviated Resume Of Professional Accomplishments

- 1980 – 2009      Provided consultation and expert witness services in connection with numerous arbitration and legal proceedings on behalf of motion picture industry production companies, producers and guilds.

**JERROLD S. FELSENTHAL ESSAY:  
ATTACHMENT TO CITY COUNCIL APPLICATION**

I am applying to fill the Council seat recently vacated by Dr. William Brian because I believe citizen involvement in City Government is essential to a vibrant community and I believe I can contribute to the welfare of my community. In addition to my general interest in City Government, I believe the unexpected Council vacancy provides an opportunity for me to increase my involvement in such a manner so as to make a significant contribution to the Community that I am uniquely qualified for. If appointed to fill the recently vacated Council seat, I would use my best efforts to advance the following agenda:

- 1 Given the need to find a highly qualified replacement for George Chavez as head of Public Works, I believe that I could be a valuable contributor to that process.
- 2 Since I am very familiar with the work currently being undertaken to drill the two shallow groundwater wells on foothill, I think I can work closely with Public Works to insure completion and timely water conveyance to the treatment plant.
- 3 As a Public Works Commissioner who strongly supported the Central Basin Wells project, I think I am in a position to expedite the planning of, and commencement of, the project. If this project can be expedited, the economic savings to the community is significant.
- 4 Now that funds have been allocated to repair the Cabrillo Water Reservoir and convey the water to other City locations, my familiarity with the project would allow me to monitor its progress and ensure its timely completion.
- 5 As a result of the current drought and reduced water allocations from MWD, the City of Beverly Hills is currently considering ways to acquire additional water resources to accommodate the constant demand for larger development and redevelopment projects. I believe that I can be of significant help in refining the water exaction legislation currently being advanced by the Public Works Commission. It is my personal opinion that without such a requirement for a new development to provide for additional water, the City could find itself with inadequate resources to provide for such additional development.
- 6 My real property experience in leasing and management would allow me to monitor the incorporation of Capital Assets into Public Works should that consolidation of departments take place.
- 7 Lastly, I believe my tenure on the Beverly Hills Planning Commission would be valuable to the Council. My past involvement in the process and my understanding of construction would bring another perspective to the various projects under consideration.

As a final point of consideration, I think there is value to recognize that the above listed agenda items are fundamental to good City Government. If appointed to fill the recently vacated Council Seat, I believe that I could significantly advance all the agenda items related to the Public Works Department which would result in the City being a better place for all

Thank you for your consideration.

Respectfully,

Jerrold S. Felsenthal

## LOU MILKOWSKI ESSAY

As I reached adulthood, my father counseled me in making choices, to pick activities and causes that I believed in or found of interest and pursue them. Life is made up of chapters, he would say, and when your book is finished, it's not the number of chapters within it that is important but rather the quality of the chapters. I have enjoyed my many diverse chapters.

Looking back over my life, as I retired one short year ago, I am so happy with the choices I have made. Living in Beverly Hills for the past twenty years, I have enjoyed the many opportunities to become active in our community and work with many of our wonderful neighbors. My introduction to our community was through Team Beverly Hills and as producer/actor/treasurer in the Beverly Hills Community Theatre where I met my incredible wife, Gloria Jennings.

Why am I the best qualified to fill this appointment for city council?

Having been a traffic and parking commissioner for six years, along with the many committees and promoting safety in becoming CERT qualified and sitting as secretary on our CPR board, I have enjoyed the opportunity to work with both our neighbors and our dedicated staff. These activities have given me the opportunity to discuss resolutions with my fellow committee/board members and to listen and evaluate public input, as I would be called upon to do as a council person.

In my professional life, I have utilized my finance and legal background, as I advised my clients ranging from a publicly traded corporation to many entertainment industry clients including actors, singers, producers and writers. I know that I have had appreciation and respect of my clients as well as my fellow employees. This too would be most useful as a council person.

Having sat on many non-profit (and non-paying) boards of directors have honed my skills in working with fellow board members and to understand each persons' opinion, as we achieved a well thought-out position to benefit our organization.

As a council person, I promise to put in all of the necessary time to understand the issues being consideration, listen to public opinion and staff recommendations and question when necessary, listen respectfully to my colleagues opinions, and promote with logical reason my opinions, all to achieve the best resolution for our wonderful community.

Lou Milkowski

## LOU MILKOWSKI RESUME

FAMILY: Married to Gloria Jennings-Milkowski, Son Jay and Grandson Jacob

### PROFESSIONAL:

- Retired partner/attorney from a business management firm
- Diverse celebrity/high net worth client base from our second man on the moon, Buzz Aldrin, to the depths of Mike Tyson

## City Council Application Essay – Robert Wunderlich

About 10 years ago, I had reached a point in my life where I had the flexibility to devote significant time to public service. I have long engaged in volunteer activities, including at my children's schools, on the board of my neighborhood association, on Team Beverly Hills, and at Bet Tzedek, but I wanted to step up my public service. I learned the City was seeking a representative at Metropolitan Water District. This was an opportunity to contribute meaningfully and to apply my background as an economic consultant for 20 years and as a scientist and engineer for 10 years before that. I applied and was selected by City Council.

Serving Beverly Hills as its Director at Metropolitan Water District has been a wonderful experience and a great training ground for serving on City Council. The governance and operations of Metropolitan are complex. Metropolitan has 1,830 employees and a budget of \$1.7 billion. It supplies water for 19 million people, implements multi-billion dollar construction projects, and has a planning horizon of 50 years. The Directors have the final word on these issues without any higher oversight. I have been a leader at Metropolitan, as chair or vice chair of several committees, a lead in hiring key employees, and Metropolitan's representative with federal and state elected officials, with television and print media, and at public forums, including the recent California-Israel Water Summit.

I also would bring to City Council my experience and expertise as an economic consultant for more than 20 years, the last 16 years at a consulting company that I co-founded, and as a scientist and engineer before that. My clients include many prominent companies from the entertainment, healthcare, technology, and other industries. My academic background reflects both sides of my career. Most recently, in 1990, I earned an M.B.A. from UCLA. Previously, I earned a Ph.D. in Chemical Physics and a M.A. in Physics from Harvard University, a B.A. in Chemistry from Columbia University, and I am a Professional Chemical Engineer.

Beverly Hills is an extraordinary place. My family and I have lived here for 17 years and our two children attended Beverly Hills schools. I have been active in the community and want to contribute more. From a personal perspective, I feel good by contributing to the community. I also believe the City would benefit from my knowledge and experience, from my reasoned approach to decision-making, and from my embracing of diverse viewpoints and transparency. As a member of City Council, I hope to contribute through specific goals and through process. Beverly Hills should be a leader in infrastructure and community services, with the fastest Internet connectivity, improved transportation options, and increased dedication to sustainability. We need a vibrant commercial community to support our City, but cannot let development harm the community that makes our City such a wonderful place.

I have not signed the pledge not to seek re-election should I be appointed to City Council. If the pledge had been mandatory, I would not have submitted an application. However, if City Council will be considering applicants who do not take the pledge, then I would like to be among those considered.

*Robert Wunderlich*

## SELECTED PROJECT EXPERIENCE

Dr. Wunderlich specializes in economic, financial, and accounting analysis, often for matters in litigation or dispute. His litigation experience includes evaluating economic damages, analyzing lost profits, performing valuation analysis, evaluating plans of reorganization, performing forensic accounting, analyzing claimed costs, tracing cash flows, performing pricing studies, and analyzing businesses, markets and industries. As part of business consulting, Dr. Wunderlich has performed market, profitability, pricing and valuation studies, assisted with acquisitions/sales, and provided financial consulting to investors and industry groups. He has often applied statistical and other quantitative methods to support his analyses, and has taught classes for incoming M.B.A. students covering statistics, probability, and other mathematical methods for management. Dr. Wunderlich has frequently served as an expert witness and a court-appointed expert.

Dr. Wunderlich is also a Director of Metropolitan Water District of Southern California, the water wholesaler for approximately 19 million residents of Southern California, where he serves on the Legal & Claims, Audit & Ethics, Finance, and Real Property Committees.

Dr. Wunderlich has consulted regarding a broad range of business issues in diverse legal contexts. He has assisted with matters involving a variety of industries, including entertainment, fashion, technology-related, health care, gaming, environmental, real estate, chemical, petroleum, financial institutions, manufacturing, distribution, and retail. Selected project examples to illustrate Dr. Wunderlich's experience are described below.

### Project Examples

Financing and distribution of slate of films – Quantified damages from fraud related to financing of dozens of films. Analyzed budgets, financing, and all sources of proceeds.

Financing for studio slate of dozens of films – Evaluated claimed damages due to alleged misrepresentation of financing practices in private placement memorandum.

Expected box office performance – Analyzed box office, audience surveys, critical reviews, cast composition, competition, and promotion for hundreds of film titles.

Earnings from film production – Quantified production and management fees from theatrical exhibition, video, and television for dozens of studio and independent releases.

Horror film proceeds – Analyzed past and future proceeds from well-known horror films.

Film copyright infringement – Evaluated damages due to alleged infringement of claimed source materials for well-known, critically acclaimed film.

Film copyright infringement – Evaluated damages due to alleged infringing uses of copyrighted material from well-known film for advertising purposes.

Proceeds from TV programming – Analyzed license fees and proceeds for several successful prime-time series in connection with claimed self-dealing by integrated studio.

Participation from TV programming – Analyzed contingent compensation for successful prime-time TV programs, including allocation of revenue from group of licensed programs.

Proceeds from television spinoff and/or sequel - Evaluated proceeds due from claimed spinoff and/or sequel of top-rated family of prime time TV series.

Proceeds from alleged breach of implied-in-fact TV contract - Analyzed claimed damages in connection with development and production of popular, prime time television series.

Television/merchandise copyright infringement – Analyzed claimed damages related to popular children's television program and related merchandise.

Television retransmission royalties – Evaluated claimed damages related to collection of retransmission royalties for popular late-night television programming.

TV distribution - Evaluated broadcast, cable, and on-line distribution, including electronic-sell-through, video-on-demand (VOD), subscription VOD, and ad-supported VOD.

License fees for TV programming – Consulted regarding license fees for network, cable, and on-line distribution of TV content on behalf of studio.

Earnings/value from television programming / trademark – Quantified value of trademark and expected earnings from global TV licensing and merchandising rights.

Buy/sell agreement for television station – Quantified value of Southern California television station and economic damages from breach of purchase agreement.

Bankruptcy of entertainment entities – Analyzed disbursements of funds and value of film production and other entities prior to and while in bankruptcy on behalf of lender/creditor.

Video game franchise – Evaluated claimed lost profits and other damages in connection with alleged breach of contract regarding an extremely successful video game franchise.

Video game copyright infringement – Evaluated claimed damages due to alleged infringement of tattoo copyright incorporated into successful series of video games.

Video game trade secrets - Analyzed claimed damages due to alleged misappropriation of trade secrets related to merchandise included in collector's edition of popular video game.

Video game development – Analyzed claimed damages due to alleged fraud and breach of contract related to development of free-to-play video games.

Value of podcast business - Analyzed value of successful podcast business featuring well-known comedian in connection with ownership dispute.

Global video distribution – Quantified damages from breach of distribution agreement. Analyzed sales of thousands of titles by genre, release date, box office, and other attributes.

VHS/DVD proceeds – Analyzed sales, marketing and distribution expenses, profits, and royalty statements from VHS/DVD distribution in connection with a dispute over proceeds.

Market study of the home video industry – Analyzed home video market. Analyzed profitability by various attributes of films.

Concerts and events – Evaluated payments and related P&L under licensing, performance and promotion agreements for events featuring well-known artists at prominent venue.

Charity concert event – Evaluated claimed lost donations for concert featuring well-known artists related to alleged failure of donation web site and telephone bank.

Recording copyright infringement – Quantified revenue and expenses for top-selling CD.

Record distribution earnings – Analyzed expected income from alternative music artists.

Recording royalties - Determined income including sales royalties, performance royalties, mechanical royalties, live performances, and merchandising.

Recording studio – Evaluated damages due to alleged business interruption, preventing recording of prominent international musician.

Film-related merchandising and promotional products – Quantified proceeds from licensed products related to a series of successful feature films.

Entertainment-themed promotional products – Evaluated damages due to misappropriation of assets incurred by supplier of promotional products to major theme parks.

Celebrity fashion line – Evaluated claimed damages due to alleged breach of agreement.

Film-related merchandise rights – Analyzed damages due to claimed business interference and trademark infringement related to merchandising rights for a successful cult film.

Recording artist-related fragrance products – Analyzed claimed damages related to sales of fragrance products associated with a prominent recording artist.

Value of digital effects business – Evaluated value of business creating digital effects for commercials and other applications in connection with a shareholder dispute.

Post-production services – Analyzed lost profits and value of business providing post-production services in connection with an alleged wrongful termination of an agreement.

Market study of post-production industry - Evaluated market size, market segmentation, company performance, and profitability by segment.

Value of 3-D production studio - Analyzed value of disputed ownership interests in leading 2D to 3D conversion post-production studio.

Art auction – Evaluated economic ownership of prominent art work prior to auction.

Entertainment agent compensation – Evaluated claimed lost compensation of successful talent agent resulting from alleged interference with client base.

Ticket broker breach of agreement – Analyzed damages stemming from alleged breach of agreement within the entertainment ticket brokerage industry.

Pari-mutuel wagering – Evaluated damages due to lost opportunity of dozens of Nevada casinos to provide pari-mutuel wagering on races at a prominent track.

Business projection for card casino – Analyzed factors leading to bankruptcy of California card casino. Projected operations under different scenarios.

On-line and board game trademark infringement - Analyzed damages due to alleged infringement of trademark for popular game.

Children's products and apparel alleged fraud - Analyzed damages related to claimed fraudulent inducement to enter into representation agreement for line of products.

Recapitalization of publisher – Evaluated damages due to transactions including preferred stock redemption, repayment of debt, and issuance of new classes of common stock.

Publishing antitrust class action – Evaluated class issues and claimed economic damages.

Patents for automated telephone technology - Evaluated economic damages from alleged infringement of patents for telephone technology. Evaluated reasonable royalty.

Petroleum industry patent/antitrust matter – Evaluated reasonable royalty, invent-around costs, noninfringing alternatives, market size, and prices for certain gasoline blends.

Pharmaceutical patent/antitrust damages – Evaluated claimed economic damages related to patents covering AZT-containing drugs used in the treatment of HIV/AIDS.

Patents for pharmaceuticals – Evaluated economic damages from alleged infringement of patents for glaucoma products. Evaluated lost profits and reasonable royalty.

Patents for therapy packs – Evaluated claimed lost profits and reasonable royalty from alleged failure to obtain overseas patents for medical products.

Breach of clinical testing agreement – Evaluated damages and lost patent value due to delayed market entry of patented drug.

Spinal implant valuation & fraudulent conveyance – Evaluated lost profits of surgical parts distributor due to breach of marketing and intellectual property agreements. Analyzed value of adverse spinal company in connection with alleged fraudulent conveyance.

Medical device trademark – Evaluated damages due to alleged trademark infringement of device use to locate and avoid nerves during spine surgery.

Venture capital investments - Analyzed investments in dozens of bio-medical and advanced materials start-ups on behalf of venture capital firm.

Medical insurer/hospital group disputes – Evaluated disputed HMO/PPO claim structure, capitation payments, chargemaster changes, stop loss payments, and drug charges.

Independent Physician Associations dispute – Analyzed claimed lost capitation payments due to alleged misappropriation of trade secrets and interference with patient base.

Medicare Managed Care Organization (MCO) -Assisted MCO in developing its bid to provide Medicare Parts A/B and prescription drug coverage to its members. Analyzed health care costs and utilization to estimate future costs and potential plan liability.

Capitation payments – Evaluated disputed payments between a hospital and insurer.

Student Health Insurance Program – Evaluated claimed damages related to design and establishment of system-wide, self-funded insurance program for large public university.

Pension and Medical Benefits – Analyzed City’s liability for pension and OPEB obligations. Evaluated City’s future revenue sources and ability to fund liabilities.

Radiology imaging centers and services - Analyzed claimed damages due to alleged breach of agreement to provide MRI, CT scans, and other radiology services.

Dermatology practice valuation & reconciliation – Analyzed value of medical practice and reconciled revenue, expenses, and distributions for a dispute between practice members.

Dental practice valuation – Evaluated claimed damages related to alleged misrepresentation regarding continuation of state funding and capitation payments following acquisition.

Bandages and healthcare products distribution - Analyzed claimed damages due to breach and inducement to breach agreement to distribute bandages and other healthcare products.

Bankruptcy of medical equipment provider – Analyzed reorganization & liquidation value.

Medical excess loss insurance – Evaluated claimed lost profits of general underwriter.

Pharmacy management reconciliation – Analyzed prescriptions dispensed, revenue, expenses and distributions for physician-dispensed pharmaceutical management firm.

Theft of biomedical trade secrets - Analyzed sales and pricing of home pregnancy test kits.

Patents for notebook and monitor displays – Evaluated economic damages related to patents for LCD flat panel displays.

Software copyright infringement and theft of trade secrets – Evaluated damages from alleged copyright infringement and theft of trade secrets in the computer services industry.

Software copyright infringement – Evaluated damages from alleged copyright infringement related to data backup, recovery, and management software.

Software distribution – Analyzed claimed lost profits from distribution of software licenses and related consulting services due to claimed interference with customers and resellers.

Acquisition of software company – Evaluated financial data of software company to determine post-acquisition payment adjustments.

Software royalties – Quantified royalties due from sale of OEM-installed server software.

Software company fraud investigation – Investigated and documented compensation fraud, improper payments, and circumvention of financial controls at software company.

Claimed failed software implementation – Analyzed claimed damages resulting from alleged failed scheduling software installation at trucking firm.

Fashion trade dress & copyright infringement – For several projects, evaluated damages due to claimed infringement of fashion and accessories products.

Teen and young woman apparel brand – Analyzed claimed damages in connection with alleged false designation of origin.

Premium jean manufacturing – Evaluated claimed damages for dispute between well-known premium jean company and sewing contractor.

Textile copyright infringement – Evaluated damages related to textiles used for apparel.

Fashion industry breach of contract – For several projects, evaluated damages due to claimed breaches related to promotion and distribution of fashion products.

Apparel manufacturer lost profits - Analyzed damage claims by determining incremental costs of production, investigating capacity constraints, and identifying mitigating savings.

Jewelry copyright, trademark and trade dress – For several projects, analyzed damages due to alleged infringement.

Fragrance industry breach of contract – Evaluated lost profits related to a line of fragrances. Analyzed financial statements, ledgers, alter ego issues and related-party contracts.

Copyrights for lamps/decorative products – Analyzed damages from claimed infringement.

Beauty care trade secrets – Analyzed damages due to alleged breach of agreement and theft of trade secrets related to international expansion of prominent beauty care provider.

Trademark infringement of Asian food products – Evaluated damages due to distributor.

Patents for cosmetic/health care product – Evaluated lost profits and reasonable royalty related to claimed infringement of patents for a cosmetic/health care product.

Winery trademark – Analyzed damages from alleged trademark infringement.

Home furnishings – Evaluated lost profits claimed by manufacturer and wholesaler of home furnishings due to alleged breach of agreement.

Restaurant value – Analyzed value related to trademark and trade dress infringement.

Franchise restaurants – Analyzed claimed damages for a franchisee/franchisor dispute.

Bar income – Analyzed damages related to claimed breach of contract to operate high profile bars in prominent hotel.

Disputed proceeds from restaurant development - Evaluated proceeds from development of dozens of restaurants in connections with a partnership dispute

Court-appointed expert to evaluate compensation for expansion of Burbank airport – Evaluated property value and environmental remediation costs for eminent domain action.

Court-appointed expert to evaluate compensation for subway construction – Evaluated compensation for taking, including allocating incremental construction costs.

Trustee for Superfund site - Serve as Trustee and provide financial and accounting services for Potentially Responsible Parties (PRPs) at a major Western Superfund site.

Trustee for environmental cleanup group - Serve as Trustee and provide financial and accounting services related to remediation of chromium-contaminated groundwater.

Merger of large shopping center developer and large holder of real property – Evaluated payouts to holders of common and preferred stock per merger agreement.

Claimed damages from school development - Analyzed claimed economic damages related to development of high school near downtown Los Angeles on site above depleted oil field.

Economic benefit of manufacturer – Analyzed public benefits of pet food manufacturer and claimed impacts on nearby residential values and rent for a dispute over claimed odors.

Proposed commercial development – Analyzed development on city-donated land.

Real estate private equity dispute – Evaluated claimed damages due to alleged fraudulent activities by private equity firm.

Proposed real estate development – Analyzed damages claimed by developer of largest housing development in Los Angeles County, allegedly resulting from oil & gas operations.

Commercial development – Analyzed claimed lost profits due to breaches of agreement.

Real estate development alternatives – Analyzed historical performance of low-income housing. Projected future performance as proposed mixed-use development.

Disputed proceeds from commercial and residential development – Evaluated proceeds from large developments in connection with a series of limited partnerships.

Construction defect in upscale residences – Evaluated claimed damages.

Consumer Credit Reports – Evaluated damages claimed by reseller of credit reports.

Check 21 – Analyzed lost profits and lost value related to electronic check processing.

Financial fraud – Evaluated damages related to trust deed investments by numerous LPs.

Banking securities – Analyzed damages due to alleged fraud regarding loan portfolio.

Securities damages – Quantified loss due to alleged misrepresentations in stock agreement.

Aviation parts distribution – Evaluated damages due to breach of distribution agreement.

Electricity restructuring – Evaluated damages incurred by large commercial purchaser of electricity related to price and supply upsets following deregulation of electricity markets.

Ammunition antitrust/contract damages – Analyzed damages and value related to contract to supply 100% of small and 50% of medium caliber ammunition to US armed forces.

Subway construction alleged false claims – Analyzed billings, overhead charges, SG&A charges, and labor pools in connection with construction of Los Angeles-area subway.

Defense contractor claim - Analyzed claim submitted by defense contractor related to alleged extra costs incurred in fulfilling Air Force production contract for radar devices.

Airline market entry – Evaluated claims that airline entered market based on confidential information. Analyzed market economics and claimed damages resulting from lower fares.

Sale of metals business – Analyzed value of business and assisted in structuring sale.

Value of satellite testing/ calibration company – Analyzed value for a shareholder dispute.

Valuation of dairy – Valued large processor in connection with taking of property.

Oil pricing/ supply – Evaluated pricing of imported crude oil, relative to benchmark crudes.

Dairy industry cooperative – Evaluated damages incurred by large cooperative due to breaches by one of its members. Analyzed effects on customers, prices, and sales volume.

Superfund site cost recovery - Compiled several hundred million dollar insurance claim.

Statistics of disabled access – Analyzed statistics of availability of compliant sidewalk ramps at intersections maintained state-wide by the State of California.

Statistics of sober living facilities – Analyze statistics of city compliance actions and claimed disparate treatment for a dispute regarding sober living facilities.

Fraudulent employment services – Evaluated statistical methods used to estimate dollar amount of claimed fraudulent billing by government contractor.

Fraudulent invoice charges - Applied statistical methods to determine aggregate excessive charges on thousands of invoices based on examination of a sample of invoices.

Call center staffing - Analyzed scheduling of part-time and full-time employees. Analyzed employment statistics and developed linear programming scheduling model.

Customer service staffing - Analyzed scheduling of part-time and full-time employees. Developed alternative employee schedules.

Please type the numbers and/or letters inside the box:

The Council has a great deal to accomplish and requires a fifth voice. Accordingly, the appointee should be an involved member of the community who is already familiar with the issues: not just a placeholder or caretaker.

My work on Team Beverly Hills, the Public Works Commission and the Santa Monica Boulevard Blue Ribbon Committee give me the background and experience to step onto the Council prepared to engage responsibly and with perspective. Attending Council meetings as well as presenting to the Council on numerous occasions has provided another layer of experience that deepened my understanding of the many challenges and opportunities we face.

In my capacity as Chair of the Blue Ribbon Commission on Santa Monica Boulevard, I was able to guide a very complex process with strong contrasting views, and to mold a consensus within what was originally a very fractured committee. As Chair of the Public Works Commission for two consecutive years, I championed and led a very successful process to develop a much-needed water enterprise master plan that addresses some of the city's most pressing issues, including water reliability and conservation.

Professionally, I have overseen the Imaging Department at Cedars-Sinai with a staff of almost 600 FTE's, and a gross budget in excess of a billion dollars, for the past 24 years. In addition, I served on the Audit Committee of a community bank for the last decade. Accordingly, I am comfortable with complex budgets and have the management skills to lead effectively and without strife.

As Speaker of the 400 member council representing 30,000 plus members of the American College of Radiology, I successfully guided numerous measures through the legislative process. I achieved this in a fashion that the membership appreciated, encouraging their voices to be heard and making sure their interests were represented. As a result, I was chosen President of the organization.

Beverly Hills is a remarkable city. We have the opportunity to make the improvements and meet the challenges of infrastructure (water reliability, burying utility poles, fiber to the premises, public transportation) and quality of life that residents deserve. I am prepared to *immediately* provide the Council and the residents with a fifth voice that understands the importance of listening, study, and reasonable discussion, that are prerequisites to making the vital decisions that affect our neighbors and our future.

Barry D Pressman

**CURRICULUM VITAE**

**BARRY DAVID PRESSMAN, MD, FACR**

**BUSINESS ADDRESS:**

Cedars-Sinai Medical Center  
Department of Imaging, Room M-313  
8700 Beverly Blvd.  
Los Angeles, CA 90048  
(310) 423-3048

**DATE/PLACE OF BIRTH:**

October 13, 1943  
New York City, New York

**MARITAL STATUS:**

Married

**CHILDREN:**

Two daughters

**CURRENT POSITIONS:**

Professor of Imaging, Cedars-Sinai Medical Center, Los Angeles	2011-
Chair, Department of Imaging Cedars-Sinai Medical Center Los Angeles, California	1992-
Chief, Section of Neuroradiology and Head and Neck Radiology Department of Imaging Cedars-Sinai Medical Center Los Angeles, California	1981-
Carestream Health Medical Advisory Board	2008-
Medical Advisory Board – Assist Med	2007-

PRIOR POSITIONS:

Assistant Surgeon and Surgeon United States Public Health Service	1968-70
Assistant Professor of Radiology (Neuroradiology) George Washington University Washington, DC	1973-75
Radiologist, Brotman Medical Center Culver City, California	1975-81
Chairman, Department of Radiology Brotman Medical Center Culver City, California	1980-81
Assistant Clinical Professor of Radiology University of California, Los Angeles School of Medicine Los Angeles, California	1975-94
Voluntary Clinical Faculty Stanford University Department of Radiology Stanford, California	1992-94
American Board of Radiology Examiners for the Neuroradiology Certificate of Added Qualifications and the Diagnostic Radiology Boards	1995-2005
Voluntary Clinical Faculty Department of Radiology University of California, Irvine	1998-2005
General Electric CT Advisory Board	1992-95
Medicare Coverage Advisory Committee	2006-2009
Kodak Healthcare Information Advisory Board	2005-2008
United Nations Consultant--International Tribunal For the Prosecution of Persons Responsible for Serious Violations of International Humanitarian Law Committed in the Territory of the Former Yugoslavia since 1991	2004

President, American College of Radiology 2007-08

**EDUCATION:**

Dartmouth College AB 1964  
Summa Cum Laude

Dartmouth Medical School BMS 1965  
With Honors

Harvard Medical School MD 1967  
Cum Laude

**POST-GRADUATE TRAINING:**

Surgical Internship 1967-68  
Peter Bent Brigham Hospital  
Boston, Massachusetts

Diagnostic Radiology Residency 1970-73  
Columbia-Presbyterian Medical Center  
New York, New York

Neuroradiology Fellowship 1973-75  
George Washington University Hospital  
Washington, DC

**CERTIFICATION:**

American Board of Radiology  
Diagnostic Radiology 1973  
Certificate of Added Qualifications 1995  
in Neuroradiology Renewed 2005

California Medical License (G024000) 1975

**HONORS:**

Phi Beta Kappa, Dartmouth College 1962

Rufus Choate Scholar, Dartmouth College 1961, 62, 63

Dean's Medal, Dartmouth Medical School 1965

Moore Fellowship, Peter Bent Brigham Hospital	1967-68
Fellow, American College of Radiology	1985

**EDITORIAL POSITIONS:**

Journal of the American College of Radiology	2002-2010
American Journal of Neuroradiology Editorial Advisory Board	1988-1997
American Journal of Neuroradiology Socioeconomic Editor	1989-1997
American Society of Neuroradiology Program Committee Reviewer	1990-2001

**JOURNAL PEER REVIEW:**

American Journal of Roentgenology (peer reviewer)	2003-
American Journal of Neuroradiology (peer reviewer)	1988-
Journal of Perinatology (peer reviewer)	1994-2000

**MEMBERSHIPS IN MEDICAL ASSOCIATIONS:**

American College of Radiology

American Society of Neuroradiology

American Society of Head and Neck Radiology

American Society of Spine Radiology

American Society of Pediatric Neuroradiology

Western Neuroradiological Society

California Radiological Society

Los Angeles Radiological Society

American Medical Association

Los Angeles County Medical Association  
California Medical Association

Society of Chairmen of Academic Radiology Departments

**OFFICES AND POSITIONS IN MEDICAL SOCIETIES:**

American College of Radiology:

Chair, By-Laws Committee	2010-
President	2007-08
Board of Chancellors	1997-2008
Executive Committee	2002-2008
Chair, Commission on Communications	2003-2007
Vice Chair, Economics Commission	2001-03
Speaker, ACR Council	1999-01
Vice Speaker, ACR Council	1997-99
Executive Committee	1997-01
Council Steering Committee	1992-99
Councilor	1991-97
Alternate Councilor	1986-91
Centennial Committee	1991-95
Economics Commission	1994-98
Chairman, Government Relations , Committee, Commission on MR and Neuroradiology	1994-97
Chairman, Economics Committee, Commission on MR and Neuroradiology	1997-00
Executive Committee	1997-2004
Budget and Finance Committee	1997-2001
Emergency Action Committee	1998-01
Task Force on ACR Building	2000-01
Intersociety Commission-Executive Comm.	2000-2002
Membership Committee	2000-2001
E- Commerce Committee	2000-2001
Task Force on Screening Technologies	2000-2002
Strategic Plan Committee	2001-2002
Commission on Government and Public Relations	2001-
Committee on Standards Issues	2002

American College of Radiology: (cont'd)

Patterns of Care Study Task Force	2002
Chairman, Commission on Communications	2003-2007
Communications Standard Task Force	2004
Awards and Gold Medal Committee	2004-
Website Oversight Committee (Chair)	2006-2010
Foundation Funding Group	2008-
Chairman, By-laws Committee	2010-

American Society of Neuroradiology:

National Treasurer	1980-83
Executive Committee	1980-83, 85-86
Member Rules Committee	1983-86
Chairman, Rules Committee	1985-86
Co-Chairman, First Annual Educational Seminar	1988
Co-Chairman, Program Committee	1987-88
Chairman, Annual Meeting Local Organizing Committee	1989-90
Socioeconomic Committee	1990-95
Chairman, American College of Radiology Liaison Subcommittee	1992-96
Scientific Program Review Committee	1990-2000

Western Neuroradiological Society:

President	1987-88
President-Elect	1986-87
Secretary-Treasurer	1985-86
Chairman, Rules Committee	1984-85
Executive Committee	1984-90
	1983-85
Chairman, Membership Committee	1977-78

California Radiological Society:

President	1994-95
President-Elect	1993-94
Secretary and Treasurer	1992-93
Co-Chair, Program Committee	1991-92
Executive Committee	1986-97
Chairman, MR Technology Training Committee	1989-91

Los Angeles Radiologic Society:  
Executive Committee 1986-98  
Chair, Legislative Committee 1991-95

**OFFICES AND POSITIONS IN OTHER MEDICAL ASSOCIATIONS:**

Los Angeles County Medical Association:  
President, District 7 1989-90  
President-Elect, District 7 1988-89  
Vice President, District 7 1987-88  
Secretary - Treasurer, District 7 1986-87  
Vice President, District 5 1981-82  
Board of Governors, District 7 1990-92

California Medical Association:  
Technical Advisory Committee, AB 819 1991-92  
Alternate Councilor 1987-92

PSRO Area XXII:  
Board of Directors 1980-81

The Doctors Company  
Advisory Board 2010-

**CIVIC ORGANIZATIONS AND BUSINESSES:**

Chair, Blue Ribbon Committee por the Reconstruction of Santa Monica Boulevard 2013-

Public Works Commission, City of Beverly Hills 2010-

Chair 2012-

Board of Directors, Los Angeles Philharmonic Association 2006-

Board of Overseers, Los Angeles Philharmonic Association 2001-2006

Chair, Board of Overseers, Los Angeles Philharmonic Association 2009-

Medical Advisor, Assist Med 2007-

Board of Directors, First Century Bank, Los Angeles 2005-

Medical Chairman Israel Bonds, Los Angeles	1991-2003
Board of Directors Israel Bonds, Los Angeles	1991-2003
COPAC	1987-1992
AIPAC	2005-
Medical Cabinet United Jewish Welfare Fund	1980-87
Board of Directors Associates, Cedars-Sinai Medical Center	1987-94
Founders, Los Angeles Music Center	1980-
Fraternity of Friends, Los Angeles Music Center	1995- 2004
Regional Advisory Council (RAC) of KPCC, Public Radio	2006-2011

**TEACHING EXPERIENCE:**

Cedars-Sinai Medical Center	1981-
George Washington University	1973-75
Lecturer, Armed Forces Institute of Pathology	1974-75
University of California, Los Angeles Assistant Clinical Professor of Radiology	1975-74
Stanford University, Clinical Faculty, Department of Radiology	1992-94
University of California, Irvine Voluntary Clinical Faculty Department of Radiology	1998-2005

**PROGRAM COMMITTEES:**

American Society of Neuroradiology	1987-90
Western Neuroradiological Society	1986-87

Society of Magnetic Resonance Imaging	1990-92
RSNA Research & Education Foundation Visionaries In Practice/R&E Fund Development	2010-2013

**DIRECTORSHIP OF DIDACTIC PROGRAMS:**

Co-Chairman, First Annual Educational Seminar American Society of Neuroradiology	1988
Co-Chairman, Program Committee Annual Meeting of American Society of Neuroradiology	1988
Chairman, Program Committee Annual Meeting of Western Neuroradiology Society	1987
Chairman, Rigler Seminar, CT of the Spine Cedars-Sinai Medical Center	1982
Chairman, Rigler Seminar, Neuroradiology Cedars-Sinai Medical Center	1988
Chairman, Imaging of Cerebrovascular Disease: State of the Art Cedars-Sinai Medical Center	1991
Chairman, Imaging Grand Rounds Cedars-Sinai Medical Center	1994-

**CEDARS-SINAI MEDICAL CENTER COMMITTEES**

Medical Executive Committee	1992-
Endovascular Program Development Committee-Chair	2003-2004
Executive Management Committee	2003-
Radiation-Oncology Chair Search Committee	2004
Quality/Safety Steering Committee	2004-

Neuroscience Steering Committee	1998-2001
Telemedicine Planning Task Force	1996-97
Performance Improvement Committee (Imaging) Chairman	1995-
Medical Policy Committee	1995-97
Medical Center Management Group	1995-
Cedars-Sinai Health Associates Board	1994-97
President's Council	1994-95
Strategic Planning Task Force	1993-94, 1998-99, 2005
Search Committee Director of Division of Neurology	1993, 1998
Medical Education Committee	1992-95
Imaging Advisory Committee (Chairman)	1992-95, 1999-
Diagnostic/Treatment Center Committee	1992-94
Continuing Medical Education Committee	1992-96
Finance Committee of the Board	1992-95
Risk Management	1987-93
Pharmacy and Therapeutics	1985-87

## ESSAY FOR CITY COUNCIL APPOINTMENT

I will do what I can to preserve residential quality of life for Beverly Hills residents.

As such I will discourage Manhattan size buildings such as the Waldorf Astoria Hotel and the Beverly Hilton desired twenty six story skyscraper that would be taller than the Statute of Liberty. Our Planning Department may have become too lenient.

I will encourage our Police Department to patrol South Beverly Drive more vigorously. Tickets, not warnings should be given to speeders, red light runners, cell phone users, and noise polluters.

I believe that all sections of our city should be represented on the city council. I will suggest four council districts plus one at large district. One must live in the district he or she wants to represent. As it is now, all council members can live in the same area.

I would like to remind staffs that they serve at the pleasure of the city council and the residents, not the other way around.

I would like to speed up the implementation of approved projects such as left turn traffic arrows at Olympic to Beverly Drive and Beverwill.

*Paul Bernstein*  
5/20/16

PAUL BERNSTEIN

ADDENDUM TO MY ESSAY

There are over 350,000 people in Beverly Hills during the day. Auto traffic and pedestrian traffic is dense. As more projects are completed, traffic will worsen. The intersection of Santa Monica And Wilshire is the busiest one in our city. It will only get worse with the opening of the Waldorf Astoria Hotel. Therefore, I propose a pedestrian overpass at this intersection , that will allow people to cross in all possible directions.

# RESUME

Paul W. Bernstein

312 South Canon Drive

Beverly Hills, Ca. 90212-4516

Born and raised in Steubenville Ohio

## EDUCATION

B.S. Civil Engineering, Carnegie Inst. . Tech. 1953

M.S. Civil Engineering , Univ. Southern Cal . 1961

**Applications may be submitted electronically to: [bpope@beverlyhills.org](mailto:bpope@beverlyhills.org)**

It is with great pleasure that I take this opportunity to submit an essay stating my reason for applying for the vacated seat on the Beverly Hills City Council.

I feel that I would be the best person to, temporarily, fill this seat because I would, without hesitation, pledge to not run for this vacated seat in the near or distant future.

As a member of the Seiff Family who have resided in Beverly Hill since 1929, I enjoy very early historical knowledge of our City and the Beverly Hills Unified School District. As an active participant of community activities since 1957 when my husband, Dr. Stephen Seiff and I returned to Beverly Hills with our three children I have enjoyed many wonderful and full- filling years of community service. I have proudly included, elsewhere in this application, my many years of civic activities.

Over the many years that our wonderful community has evolved into an "International Giant" I have marveled that the "heart" of community still reflects our "Hometown Values" .

As a member of Beverly Hills City Council, I feel that I could bring a Senior perspective to the discussion of civic issues that may, very often, overwhelmingly reflect contemporary vision.

Over many years, I have enjoyed a strong relationship with former and present Beverly Hills City Councils and City Staff. I have served on many City and School District committees as well as two Commissions and I have engaged in countless local political campaigns. I feel that it is these political relationships within our community that keep us an "Enviably Community" with an International Flavor.

Please type the numbers and/or letters inside the box:

In the words of Steve Jobs, "You have to be burning with an idea, or a problem, or a wrong that you want to right. If you're not passionate enough from the start, you'll never stick it out." Since I was a child, I have viewed my city, Beverly Hills, as an amazing place offering residents a variety of opportunities from schools and libraries, community outreach, great parks, to fantastic activities for seniors. I attended Beverly Vista and Beverly Hills High School. The solid education I attained in the Beverly Hills schools allowed me to attend UCLA for my undergraduate and graduate studies as well as my faculty position as a periodontal surgeon. Now, as a mother of two children in the Beverly Hills school district, I want to give back to the city and community that has and continues to offer so much to me and my family. I want to help ensure that every citizen of this city has the ability to benefit from the opportunities afforded to me.

The city council's role is to propose bills, hold votes, and pass laws to help govern our city. In seeking this leadership role, I hope to be able to continue and strengthen the city's mission of serving its citizens, with safety and education as some of the top priorities.

My leadership skills as a faculty at UCLA as well as an author and senior editor of two textbooks, has allowed me to bring people with varied ideas and experiences together. The collaborative work has resulted in specialty textbooks that are being used by students and practitioners with great feedback.

I look forward to bringing my skills and expertise to the city of Beverly Hills.

**ESSAY**

I have lived in Beverly Hills for many years and have very deep feelings about the city that have developed over a lifetime of witnessing the many changes that have occurred. The great thing is that I love the city and feel committed to helping it be the best it can be. I have observed and participated in various aspects of city government and I view the council's most important role being that of the Great Balancer: we have such wonderful services in the City, provided in large part by revenue derived from our businesses and home owners. We wouldn't have one without the other, and it is the council's task to provide a balance between the resident's quality of life issues and the environment that our various businesses need to succeed in our community. Not always an easy task.

I have a somewhat unique resume that I believe would allow me to contribute to the council's proceedings. I have a legal background that enables me to read and analyze the types of documentation that pass over your desks. I have been active in various aspects of the city for many years and am very familiar with all aspects of city government, having also met and worked with many of the city's staff and administration, from park ranger to city manager. I am very much a "boots on the ground" resident and regularly participate in many of the activities sponsored by the city throughout the year. I am much more of a doer, leader and creator than I am an observer or applauder of other's participation or efforts. I constantly see the city from inside its issues. I and my family use the city's services daily and I know what a treasure it is to be able to live here.

I would love to have this opportunity to serve. Thank you for all you do. Barbara Linder

**BARBARA LINDER**

Retired attorney with a lifelong commitment to the City of Beverly Hills. Thirty year community leader and innovator in program development for the city's education, social service and park departments. Seeking to perform the most demanding and most highly regarded volunteer position in our community.

### **Core Qualifications**

- . Lifetime resident
- . Attorney, member of California Bar Association
- . 30 years of experience working with groups in Beverly Hills
- . Well-known and respected amongst both the residential and government divisions
- . Used to being a self-starter
- . Has served in many and varied leadership positions in the community

### **Education**

- . Attended Beverly Hills Presbyterian Nursery School (now the teacher's parking lot at Beverly Vista), Beverly Vista and Beverly Hills High School
- . University of Southern California (1972-1979)  
Bachelor of Arts, Summa Cum Laude, Phi Beta Kappa  
Juris Doctor, Gould School of Law, USC
- . University of California Los Angeles Extension(2011-2014)  
Certificate in Horticulture, Highest Honors

### **PROFESSIONAL/ VOLUNTEER EXPERIENCE**

- . In-House Counsel, Security Pacific National Bank
- . Classroom volunteer, Horace Mann School
- . PTA member and president, Horace Mann School
- . Member of a two year commission made up of teachers, administrators and parents that worked on curriculum and social issues at BHHS
- . CERT graduate, block leader
- . Volunteer at the Monday Meal Program at All Saints B.H. for 12 years
- . Human Relations Commissioner
- . Volunteer at the BH Public Library for 10 years, including Treasurer and President of The Friends of BHPL
- . Developed and currently direct a new park area for the city (Greystone Mansion Demonstration Garden). Last year we were certified as a Farmer's Market Garden and we have sold our produce at the B.H. Farmer's Market. I have single-handedly developed adult and youth farm to table classes for the parks and recreation catalog, found the teachers for these programs, helped to publicize them and help to raise the crops they use.
- . Developed and currently lead the first ever 4-H club ever in our zip code

SIDNEY BARLOW GREEN  
City Council Essay

I am proud to have arrived in BH  
and to become an active participant in  
my community.

For 50 years as a clergyman and  
educator I have served diligently  
men, women, children of all personal stations.

That service has proved quite valuable  
to me as a human being. I eagerly desire  
to continue in that role.

I therefore see this opportunity  
as my next mission.

Please consider my novice status  
as a bonus - I am freshly minted  
with no past allegiances in BH.

LOCAL ISSUES OF  
PARTICULAR INTEREST ? Schools- A population starts with its youth, which develops into the basin of our community. A continued and even increased effort to better our schools and after school programs is a priority. ? Economy- I am fortunate enough to have watched my father, and now myself grow sustainable business within our boarders. It is of great necessity to continue to foster business within the city. Additionally, sustained growth within our economy allows for greater expenditure on public projects and services. ? Public Safety- Our family has supported the Beverly Hills Police Department for years. It is important that we acknowledge the superiority of our public protectors and continue to give them every resource they need to continue their exemplary work.

**PLEASE NOTE: INFORMATION (INCLUDING ESSAY & RESUME) PROVIDED BY APPLICANT IS PUBLIC RECORD AND WILL BE POSTED ON THE CITY'S WEBSITE.**

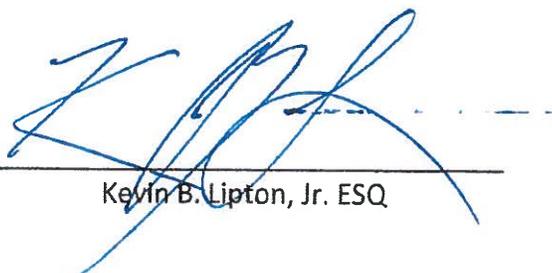

Please type the numbers and/or letters inside the box:

Kevin Lipton is a Beverly Hills native and the ideal candidate to fill the position vacated by Dr. William Brien on the Beverly Hills City Council. After working on Dr. Brien's initial campaign, he grew a love for public service, leading him to launch various business enterprises and non-profit organizations. Mr. Lipton's desire to giving back to his Beverly Hills community revolves around his upbringing and family friends, including Dr. Brien. As such, Mr. Lipton is the perfect candidate for this truncated term, particularly due to his affinity for charity and public service, innate connection to the city, and blend of youth and professional skill.

Mr. Lipton has a passion for helping his peers. In 2014 he created The Bar Wiz, a new approach to studying for the California Bar. Through his work with local charities, Mr. Lipton aims to foster innovation and development in our community. Specifically, Mr. Lipton administers the Queen of Hearts Rescue, a charity devoted to saving animals and finding them proper loving homes. Mr. Lipton's drive and unwavering devotion to charity and civic service sets him aside from his peers and directly validates his selection for appointment to City Council.

Both a lasting residency and direct connection to the city of Beverly Hills is paramount to any successful city councilman or woman. Mr. Lipton attended Hawthorne Elementary, Beverly Hills High School, USC, and finally Southwestern Law School. Furthermore, Mr. Lipton has had the blessing of talking and learning from many of our city's prominent business people and leaders. This unique connection to the city both fuels his passion for its service and gives him an innate ability to understand and dissect problems, that can and should be amended from within.

Finally, it must be noted that Mr. Lipton possesses a rare blend of youth and professional skill. Although only 31 years of age, Mr. Lipton has a wide array of degrees and certifications that allow him to tackle any and all issues the Council may face. Coupled with arsenal of professional skills is the fact that he is inter-generational, having friends and family across all ages, diversities and socioeconomic backgrounds. Having been afforded such opportunity from his life in Beverly Hills, he has no preconceived notions about city problems or management, rather is open to learn from the experience within, and brings a motivated attitude towards finding solutions.

I am proud of my 18 years of public service working for Beverly Hills and am interested in joining City Council to fill the vacant seat until March. Through my years of service in leadership positions in Beverly Hills - in the schools, the library, on committee and commissions - I have earned the community's trust and respect and gained a reputation for integrity and responsibility. In each of these positions, I have used my experience and skills to enhance my ability to work successfully and collaboratively with others, while maintaining an independent, inquisitive mind. I value my reputation as an informed decision maker who listens, researches and asks probing questions. These are the qualities I will rely upon to work with fellow council members to reach common goals.

I ran for the Board of Education 15 years ago because I was and still am, passionate about education. I felt that with my extensive background in the field that I could be the "voice for education." I understood the system, the issues and had worked in all levels and positions in various locales. While on the board we dealt with a wide range of issues and I served with a variety of colleagues. With each issue, whether it was finances, academics, construction or negotiations, I researched, listened to the public and experts, and made decisions that were in the best interests of the children. I learned from many and worked collaboratively with my colleagues to reach common goals. I am proud of my 8 year tenure on the BH Board of Education.

Since my husband's stroke almost 6 years ago, I have focused on the health and welfare of my family and the community. I am also keenly interested in many issues in our city - among them, bike lanes, smart development, parking permit zones, disabled placards, and living healthy and secure lives. To address these concerns I have worked with city agencies and advocated for participation in CERT, earthquake preparedness, the Neighborhood Watch program and programs for the disabled. To ensure healthy lifestyles I took the lead on a "Dangerstoppers" video on "staying active" and participate in National Night Out and other activities to promote awareness.

The City Council safeguards residents' quality of life while respecting businesses' and tourists' interests. Serving as a councilperson would be a challenging and rewarding experience. I know I can serve the community in a smart, non-political way.

**Attachment to City Council Application**

There are probably plenty of people in Beverly Hills who could do a good job filling this temporary council seat, and I think my resume of city service and experience makes me one of them.

The departure of council member Willie Brien, along with his perspective and experience, leaves a significant void on the council for the next several months. I believe I could contribute to a smooth, temporary transition and the on-going work of the city council until the election in March.

My experience participating in Beverly Hills began with the PTA many years ago and soon evolved to include an active role in city government.

I've had the satisfaction of seeing a project I worked on develop into a great asset for the city, and the occasional disappointment of seeing one we could have done better. I've had the challenge of sitting down with residents and business owners on opposite sides of a contentious issue and the pleasure of working with them to come to a reasonable compromise.

While serving as member and chair of the Planning Commission, I had the experience of working during an important period of growth and change for Beverly Hills. The commission worked diligently on a new general plan for our city, the development of Beverly Canon Park, and the Montage Hotel, among other major developments and land use issues.

I've had the benefit of serving on the Budget Review Committee under the leadership of City Treasurer Elliot Finkle as the city has dealt with a changing economy. I also served on the Santa Monica Blvd Reconstruction Committee as we developed recommendations to present to the City Council.

I've worked with commissions, committees, residents, business owners, city staff, and city councils and it would be an honor to have the opportunity to use my experience to serve as a temporary member of the City Council.

## **Martin D Geimer**

May 20, 2016

Over the past 26 years in the city of Beverly Hills, I have had many opportunities to participate and become involved in contributing to the quality of life for our residents. By actively participating in the day to day diverse aspects of our community I have a broad based grass roots working knowledge.

I have been an ardent continuous supporter of all needs that may come up within the city that are in our residents best interests. Through my involvement in the many committees and the Recreation & Parks Commission I have been involved in the decision making process. Looking out for our children, seniors and parks has always been in the forefront of my interests. With my diverse knowledge and experience I have been listening to the residents for many years. Understanding the need for someone to be able to actively participate on the council immediately will be an asset to the current members.

Over the years I have continually watched the televised council and commission meetings to stay abreast of current happenings throughout our wonderful city.

The City Council members are the true volunteers elected by the residents to speak for them in decisions and concerns facing our city. The council is to listen to both sides but always do what is in the best interest of our residents and the city.

I respectfully submit my application to fill the council seat recently vacated by the Honorable William Brien MD.

Thank you for your consideration.

Martin D Geimer

**PLEASE NOTE: INFORMATION (INCLUDING ESSAY &  
RESUME) PROVIDED BY APPLICANT IS PUBLIC RECORD  
AND WILL BE POSTED ON THE CITY'S WEBSITE.**

Please type the numbers and/or letters inside the box:

I am honored to submit my application for the city council appointment. I am confident that my background with the largest law corporations in US, especially in labor and employment, supervisory experience, and continuing professional education including human resources, will enable me to provide exceptional service to our city.

In addition to my professional skills, I have been deeply involved with our city and community. I am presently serving on the Citizens' Oversight Committee and Next Beverly Committee. In the past, I served on BV School Site Council and Next 100 Year Committee. I successfully completed the city leadership program Team BH and have my extensive knowledge about working with staff not only from my work experience but also from this program. I have been volunteering for many city events including Special Olympics.

Some priorities:

*Strong, Dynamic School System*

I believe that good schools are at the heart of a healthy city. As a parent, I truly believe that, through its budgetary oversight responsibilities, the City Council has some responsibilities for our schools. I also believe that providing a better educational experience for all of our children requires a strong teamwork between the Beverly Hills School District, our city government and city departments that support our families and youth.

*Updated Housing Policies*

For Beverly Hills to maintain our strong residential community, we have to update our housing policies. We need a very strong Division of Rent Stabilization and Housing that develops housing programs and policies for the City with emphasis on the quality of residential life, including rent control, building maintenance, affordable housing for aged and young residents, and needs of families with children.

*Transportation System*

We need to develop a better affordable transportation system for our aged and youngest residents that will allow them to reach any local location. Many important places are not walkable distance. Taxi cabs are very resistant to drive short distances and a city bus ride has weeks of waiting.

*Technology Reinforcement*

I will continue innovative projects to use technology to provide creative and forward-looking services. From transparency to connectivity to rethinking customer experiences.

I believe I am an asset for the next phase of Beverly Hills' growth because I have been always recognized for being detailed oriented and for having positive attitude. I have always been commended for having the ability to foresee an issue, research, analyze, and solve it quickly and efficiently.

## **Why I would be one of the best persons to appoint to the Beverly Hills Council**

**I want to help assure that Beverly Hills remains one of the best cities in the world, by protecting against over development, maintaining the good qualities of our city, and helping to make improvements. I have endeavored to do these things as a resident for years—this is not a new interest. But if I were a council member, I could be much more effective.**

**I am especially interested in improving our website and notice procedures, and investigating the possibility of underground utility poles and gated alleys. Our website for utility bill payments should have the capability of saving payment information so residents would not have to input the same information repeatedly. And e-mail notices to residents often contain links to a notice when the actual notice itself could easily be e-mailed, which would be much more effective and convenient. Further, investigating measures to enhance the beauty and safety of our environment are worthwhile endeavors which may ultimately prove feasible.**

**I am well qualified to handle work which requires diligence and concentration because as an attorney, I am accustomed to working hard, delving into complicated subjects, and gathering and assimilating all facts necessary to make a careful, reasonable, thoughtful decision.**

**Since I have pared down my law practice, I would have the time to devote to this work, and a stint of less than a year, to March of 2017, seems perfect.**

**Unlike a number of others who have served on the city council, it is not my intention to gain knowledge and connections for the purpose of obtaining future work from developers on projects which will likely adversely affect our good quality of life.**

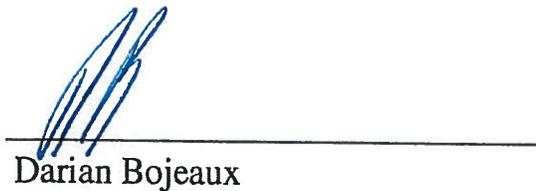

**I like and respect all of the present council members, and since I am a straightforward, genuine person, I believe I could get along and work well with all of them.**

If appointed as a city council member, I would do my best to treat everyone with respect, kindness, and consideration, and to promote a feeling of community and inclusion among residents.

Serving as a council member would be an incredible honor, and having a majority of women on the city council would be a charming, advanced, historical event, not unexpected for our fine city.

Thank you for your consideration.

Dated: May 11, 2016.

My name is Meredith Chunyi Qian. I'm a first generation Chinese-American from Beijing, China. I love the city of Beverly Hills and want to work for and serve this community. I have dedicated my life to the service of others. Ever since I became a Gynecologist and an Acupuncturist in China at the age of 22, I have been a healthcare provider and a professor of integrative medicine. I have extensive trans-continental lecturing experiences in Israel, China, Italy, and the States. From 1992-1998, I was a visiting physician and the head of the Integrative Medicine department at the Chaim-Sheba Medical Center in Tel HaShomer, Israel, where I took care of thousands of injured Israeli civilians and soldiers. Since 1998, I have been a full time professor at universities of Oriental Medicine in Los Angeles. I have trained hundreds of Master's and Doctorate students in alternative medicine and Acupuncture. Since 2000, I have owned a private Acupuncture clinic in Beverly Hills.

With all of my educational and healthcare experiences, I feel that I have the ability to represent the community in properly navigating complex educational and health issues.

SCHOOLS/COLLEGE(S)	University of Wisconsin
DEGREES/TITLES	Bachelor of Science, majors in mathematics & psychology, minor in creative writing

**INVOLVEMENT**

HOW LONG HAVE YOU LIVED IN BEVERLY HILLS? 42 years, since February, 1974

NAME/TITLE OF ANY CURRENT OR PREVIOUS ELECTED OFFICES HELD President of homeowners association board of 400 condominiums (Century Park East); president of homeowners association board of 106 condominiums (Westchester Woods), both in Los Angeles.

DESCRIPTION OF OTHER COMMUNITY PARTICIPATION & SERVICE Served 6-year maximum term as vice president on the board of directors of the Coalition to Abolish Slavery & Trafficking (CAST); served 6-year maximum term as treasurer on the board of directors of the El Nido Family Centers (the oldest & largest non-profit serving teen parents, mostly minority, in LA County); served 5 years on the board of directors of Southern Area Fostercare Effort (SAFE).

CIVIL, FRATERNAL, OR PROFESSIONAL MEMBERSHIPS Beverly Hills Apartment Association (BHAA); Beverly Hills Property Owners Association (BHPOA); Apartment Association of Greater Los Angeles (AAGLA); California Apartment Association (CAA); National Apartment Association (NAA); Writers Guild of America (WGA); Screen Actors Guild (SAG); Actors Equity; MENSA; NAACP; Union of Concerned Scientists (UCS); Amnesty International; Free the Slaves; South Asian Coalition on Child Servitude; Center for Victims of Torture; Childreach/Plan International

LOCAL ISSUES OF PARTICULAR INTEREST (1) Maintaining quality of Beverly Hills school system (2) Two projects at intersection of Wilshire & Santa Monica Boulevards: The Hilton & Astoria Hotels & the 9900 Wilshire (One Beverly Hills) development; (3) Development of vacant strip of land along Santa Monica Boulevard; and (4) Thirty-one sequoia redwood trees planted in Roxbuty Park.

DO YOU HAVE ANY CURRENT OBLIGATIONS OR RESPONSIBILITIES THAT COULD BE CONSTRUED AS A CONFLICT OF INTEREST? IF SO, DESCRIBE. No.

HAVE YOU EVER BEEN A LEGISLATIVE ADVOCATE OR ENGAGED IN LEGISLATIVE ADVOCACY? IF SO, DESCRIBE. As a member and officer on the board of CAST (Coalition to Abolish Slavery & Trafficking), our organization was involved in considerable legislative advocacy at the state and national level against human trafficking and slavery. For example, at the federal level, we were instrumental in the State Department's creation of the Trafficking Visa ("T-visa) for victims who were brought into the USA as a consequence of trickery or threats of violence; and at the state level, we were advocates of the supply chain legislation which restricts corporation from importing or selling products where forced (slave) labor was used in their manufacture.

PLEASE ATTACH AN ESSAY OF NO MORE THAN 400 WORDS STATING WHY YOU ARE THE BEST PERSON TO APPOINT TO THE BEVERLY HILLS CITY COUNCIL. THE ESSAY MAY, BUT NEED NOT, ADDRESS ANY OF THE FOLLOWING TOPICS: (1) REASONS YOU WANT TO SERVE ON THE CITY COUNCIL, (2) SIGNIFICANT EXPERIENCES, PERSPECTIVES, OR OTHER ASSETS YOU WOULD CONTRIBUTE TO THE CITY COUNCIL, OR (3) VIEWS ON THE CITY'S COUNCIL ROLE IN BEVERLY HILLS.

(THIS IS OPTIONAL. YOU NEED NOT SIGN TO SUBMIT APPLICATION.)

If appointed, my term will expire in March of 2017. I pledge not to run for City Council in the March 2017 election.

## **Essay with Application for City Council**

**Kevin R. Davis**

**456 South Spalding Drive**

**Beverly Hills, 90212**

**310-277-3642**

**kevinsdesk@aol.com**

For starters, I want to mention that I have no designs on being elected to the City Council beyond the end of the 9-month term for which I am applying, so if I am chosen, you can moot all further discussion of that concern.

Although I have not previously been active in Beverly Hills politics, building up my resume by serving on the school board or the like, I have been active for many years in charitable and nonprofit organizations that function on the international, national, state and countywide levels, as well as a couple of HOA boards. I have also been to many BH City Council meetings and some City Planning meetings and have spoken out at several, particularly in connection with a conflict about a decade ago between Dr. Bernard Salick, who had built a large office building on the west side of the 400-North block of Maple Drive, and all the rest of the residents and business-owners on the street, who opposed his intention to convert the newly constructed building to a medical center. Our side prevailed.

I have lived in Beverly Hills since I bought my first home here, on Swall Drive, in 1974. I left that upon my divorce and soon bought my second home, on Spalding Drive, where I live now. I have owned a number of apartment buildings in the city, starting in 1996, and currently hold two comprising 60 units. I have 3 sons, all of whom went through the Beverly Hills school system & graduated Beverly Hills High School.

I love Beverly Hills and, frankly, feel like I have shortchanged the city which has given so much to me. I want to give something back. If I can be of service in assisting the City Council in getting through this 9-month rough patch with Willy Brien's departure, then I am happy to do so. I will apply my intellect, skills and energy to the utmost and I believe that the 4 remaining council members the Council will feel that they made the right choice. But if you find someone who is more suitable for the job, then I am happy for that, too. As I said in the first paragraph, I have no political ambitions beyond this brief term of service.

Kevin R. Davis, 5/8/'16

## Biography: Kevin R. Davis

**Personal.** I was born in Milwaukee of Irish Catholic parents. After my father died in an automobile accident when I was age 5, leaving my mother with five young children, we moved to Delavan, Wisconsin (population 5,000) where she spent the rest of her life working to support and raise me, my brother and three sisters. Her secretary's salary was meager and we were always below the poverty line. We received baskets of food around Christmas or a turkey at Thanksgiving from Goodwill and Oddfellows. We were a rambunctious bunch of kids and I was the worst. I developed a wanderlust in my adolescence but with no money, took to hitchhiking to explore Wisconsin and later on, in my teens, the rest of the country. Without money, I slept in unlocked cars or Salvation Army shelters (and once in a jail). To this day, I contribute regularly to Goodwill and the Salvation Army. Following high school graduation, I married my sweetheart and we soon became the parents of our first son.

**Educational.** Though my older brother and sister dropped out of high school before finishing, I did well and with the highest IQ in my class, had been a subject in a research program at the University of Wisconsin where I was admitted on scholarship. I carried heavy credit loads and finished in 7 semesters, earning a B.S. Degree with majors in mathematics and psychology and an inadvertent minor in English from the numerous creative writing courses I took for enjoyment. Extracurricular activities included golden gloves boxing, fencing, sailing and drama as well as continuing (from high school) with trumpet and guitar, forming small semi-professional bands of my own.

**Professional.** After graduating from the U of W, I worked for IBM in Madison, selling large, mainframe computers. My literary creativity turned toward movies and, after completing a postgraduate course in screenwriting and finishing my first movie script, at age 24 I packed myself and my family off to Hollywood. There I got a part-time job afternoons as a computer systems analyst in the Space & Communications Lab of Hughes Aircraft Company, leaving my mornings free for writing and other theatrical interests. Also, I took the \$3,500 termination bonus from IBM and used it as a down payment on the purchase of a 6-bungalow property, into which I moved with my family. The story of my life since then has been one of balancing between those two different activities, apartment investment (which has earned my income) and screenwriting (my creative outlet). Over the years, I have written a dozen scripts, two of which have been made into feature films ("The Hoax" and "Fatal Inheritance") and have owned over a thousand units in the greater Los Angeles area and in Houston, Texas. Currently, my real estate activity is scaled smaller and I focus on owning boutique properties in Beverly Hills. I am also a patented inventor with a folding tripod stool licensed to an outdoor chair manufacturing company that is being sold in sporting goods stores across the country and on the Internet.

**Professional Memberships.** I am a member of the following professional organizations:

Writers Guild of America  
Screen Actors Guild  
Actors' Equity  
American Federation of Television and Radio Artists  
American Federation of Musicians  
Apartment Association of Greater Los Angeles  
California Apartment Association

**Charitable Memberships.** I am a member of or contributor to the following socially conscious organizations:

Amnesty International (since the mid-1970s)  
Center for the Victims of Torture  
Free the Slaves  
CAST (Coalition to Abolish Slavery and Trafficking)  
South Asian Coalition on Child Servitude  
National Association for the Advancement of Colored People (though I'm not black)  
Women for Women International (though I'm not a woman)  
World Affairs Council of Los Angeles  
MENSA  
Union of Concerned Scientists  
United Friends of the Children  
El Nido Family Centers of Los Angeles  
Childreach/Plan International

Through this last-mentioned organization, Childreach/Plan International, I have sponsored "foster" children in the Philippines, China, Bangladesh, Indonesia, Thailand, Cambodia and Vietnam. I have made multiple trips to China, where I have visited the families of three of my foster children, and to the Philippines, where I have visited two of them. (My early wanderlust has become a lifelong passion for travel and I have been to more than 50 countries, many of them 3<sup>rd</sup>-world and including most communist countries.)

I am a director on the board of Coalition to Abolish Slavery and Trafficking (CAST) which combats those activities nationwide.

I am a past director (for 6 years) on the board of El Nido Family Centers, a charitable organization which aids young families in crisis through counseling and scholarships, the oldest (80 years) and largest (150 staff and counselors) such organization serving the greater Los Angeles area. I am a past director (for 5 years) on the board of Southern Area Fostercare Effort ("SAFE"), a charitable organization which aids youngsters who have grown up in, and are being emancipated from, the county foster care systems in Southern California.

Incidentally, my marriage ended in divorce and I now have 3 sons and 3 granddaughters.

ARI BUSSEL

Serving for nine months on the City Council is an extraordinary – and rare – opportunity. Rather than generating the commitment of 3-5,000 voters and spending in excess of \$50,000, here within a ten-day period from start to finish, the four members of the Council will appoint for a “one-off” term one candidate with whom they feel they can work. Anyone who has ever participated in an election knows what a relief the current process provides.

To become a member of the current team is a dream-come-true. One member fights for those who may not have a voice. Another stands firm to protect the integrity of processes. Yet another is a leader in community building. None can be bought, and none looks for an afterlife-of-benefits. All work to strengthen our City and its future.

For more than three decades, I have been involved in what is happening in the City. To name just a few examples: The litigation at the high school and its ramification on the community. The conversion of an office building to medical on Maple Drive. 9301 Wilshire Blvd. Skipping over a Planning Commissioner. The Snyder Project and the Montage. The Hilton (first) referendum. I taught CPR for seven years. I spent close to two years on the Environmental Sustainability Topic Committee of the General Plan Update. I have always been involved in local politics, as a participant in the process and as a professional journalist.

My professional area of expertise is optimization of systems and processes, something in which I am good and enjoy. As an officer, I lead by example.

As I look around, I see things today that are a result of action of previous years: The Farmers Market, The Cultural Center, Team BH, the 9/11 Memorial, the Water Treatment Plant, the Forum Series, the Joint Powers Agreement. I also see things that did not happen, primarily height and density that were kept at bay, mega-mansions that were disallowed and open spaces that were preserved, allowing quality of life to be sustained.

There are many excellent applicants. It is truly a privilege to be among them and part of this process. I am committed, energetic, passionate and appreciative. I care. I come with experience and knowhow. I am dedicated and loyal. I would be most honored to serve the residents and business owners of the City for a brief nine months period.

May 20, 2016

## ARI BUSSEL

Ari Bussel is Vice President of Operations at Saybrex International, a privately held family business specializing in the distribution of fine wines and spirits. He is responsible for the day-to-day operations of the company and has held various positions in the company since 1993.

Prior to joining Saybrex, Mr. Bussel served as First Lieutenant in the Center for Systems Analysis at General Headquarters of the Israel Defense Forces, where he led the implementation of the Logistics War Doctrine in the Computerized Wargame Program.

Mr. Bussel is involved in a variety of philanthropic and civic activities. Mr. Bussel completed the Team Beverly Hills Leadership Program and served on the Environmental Sustainability Topic Committee of the City of Beverly Hills. He was a member of the Steering Committees of former Beverly Hills Mayor MeraLee Goldman and the current Beverly Hills City Treasurer, the Hon. Eliot Finkel. Mr. Bussel also completed and participated in the Community Emergency Response Training Program of the City of Beverly Hills as well as the Crisis Response Team of the Maple Counseling Center.

Mr. Bussel was among the founding members and served on the boards of Gen. Shimon Erem's Israel Christian Nexus, the Western Region of Friends of Israel Firefighters and the Israel Institute for Alternative Energy Advancement. He completed the Salvin Leadership Program of the Anti Defamation League.

Mr. Bussel writes regularly. For the past decade, his weekly columns appeared in print in Israel Jewish Life, Shalom LA, Muslim World Today and Israeli Week. Mr. Bussel's articles appear on numerous websites, including Canada Free Press, Free Republic, NewsBlaze, SlantRight and OpEdNews. He is a member of the Los Angeles Press Club.

Mr. Bussel received a Master of Science in Operations Research from Stanford University and Bachelor's degrees from UCLA in Applied Mathematics and in Economics with a specialization in Computing.

Mr. Bussel was an avid runner who completed the 2005 and 2006 Los Angeles Marathon.

Mr. Bussel divides his time between Israel and the United States, writing about the social, political, military and foreign policy fabrics of the two countries. Mr. Bussel is a member of the foreign press corps in Israel. Since 2008, Mr. Bussel has cooperated with award-winning investigative journalist and author in a series of essays "Postcards from America – Postcards from Israel," and since 2011 in a series of radio broadcasts "Conversations Eye to Eye."

ANN ANOOSHIAN

APPLICANT FOR CITY COUNCIL

I am very interested in improving Beverly Hills in the following areas: Increasing the safety for pedestrians throughout the city; posting speed limit signs which are sorely lacking; preserving the city's beauty and limiting development; homeless and pandering issues; as well as many others areas of life.

I have a gift of far sightedness in my decision-making – I look beyond the immediate “fix” to determine the most long-term benefit/solution, to a problem or issue.

My experience and contacts will also lend themselves to my position as a city council member. I have a sense of humor and play well with others.

# ANN ANOOSHIAN

Residence: 147 S Bedford Drive Beverly Hills, CA 90212  
Telephone: (805) 284-6488 cell Email: [thencoosh@yahoo.com](mailto:thencoosh@yahoo.com)

Admitted to the State Bar of California in 1994. Admitted to Washington, DC 2006 (retired D.C. license in 2014)

## Litigation Experience

L.A. Trial Lawyers Senior Associate Plaintiff personal injury and business litigation 2015-2016  
Arent Fox (Los Angeles) - SEC investigation - contract defense counsel (2014-1015)
