taxes existed on the Effective Date of this Agreement. Notwithstanding the foregoing, a transfer of all or a portion of the Property as a result of a judicial or non-judicial foreclosure, or by deed in lieu of foreclosure, initiated by a Mortgagee (as defined in Section 24 below), shall not be deemed a Sales Transaction. (dd) "Zoning Regulations" shall mean the official zoning regulations of the City adopted as of the Effective Date of this Agreement.

2. Recitals of Premises, Purpose and Intent.

(a) State Enabling Statute. To strengthen the public planning process, encourage private participation in comprehensive planning and reduce the economic risk of development, the Legislature of the State of California adopted the Development Agreement Act which authorizes any city to enter into binding development agreements establishing certain development rights in real property with persons having legal or equitable interests in such property. Section 65864 of the Development Agreement Act expressly provides as follows:

"The Legislature finds and declares that:

(a) The lack of certainty in the approval of development projects can result in a waste of resources, escalate the cost of housing and other development to the consumer, and discourage investment in and a commitment to comprehensive planning which would make maximum efficient utilization of resources at the least economic cost to the public.

(b) Assurance to the applicant for a development project that upon approval of the project, the applicant may proceed with the project in accordance with existing policies, rules and regulations, and subject to conditions of approval will strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic cost of development.”

Notwithstanding the foregoing, to ensure that the City remains responsive and accountable to its residents while pursuing the benefits of development agreements contemplated by the Legislature, the City accepts restraints on its police powers contained in development agreements only to the extent, and for the duration, required to achieve the mutual objectives of the Parties.

(b) The Project. It is the Developer’s intent to develop the Property as described in the Project Approvals and the EIR subject to the Applicable Rules, the Project Approvals, and the Conditions of Approval and this Agreement. The Parties hereby agree that, for the Term of this Agreement, the permitted uses, the density and intensity of use, the subdivision requirements, the maximum height and size of proposed buildings, parking requirements, setbacks, and development standards, provisions for reservation or dedication of land for public purposes and location of public improvements, and the design, improvement, construction and other guidelines, standards and specifications applicable to the development of the Property shall be those set forth in the Project Approvals, the Applicable Rules and this Agreement, including the Conditions of Approval for the Project.

3. Property Subject to Agreement. This Agreement shall apply to all of the real property described in Exhibit A attached hereto (the “Property”), and all such real property shall be subject to this Agreement.

4. Application of Agreement. This Agreement shall apply to the development and use of the Property. Such development shall be in accordance with the Project Approvals and this Agreement.

5. Term of Agreement and Tract Map. The initial term of this Agreement shall commence on the Effective Date of this Agreement, and shall continue for five (5) years or until the Project is complete and a certificate of occupancy has been issued, whichever is earlier. Upon approval of a final map for the Project, the term of this Agreement shall be extended until the expiration of the vested rights that accompany the vesting tentative tract map for the Project. The term of the vesting tentative tract map for the Project shall be extended to five years from the Effective Date of this Agreement. Notwithstanding the term set forth above, the obligation to pay the Environmental Mitigation and Sustainability Fee, the obligation to provide two Designated Units and the obligation to provide Excess Parking Spaces shall continue indefinitely as provided for in this Agreement.

6. Timing of Development. The parties acknowledge that Developer cannot at this time predict when or if the Property will be developed. Such decisions depend upon numerous factors, which are not within the control of Developer. Because the California Supreme Court held in *Pardee Construction Co. v. City of Camarillo* (1984) 37 Cal. 3d 465, that the failure of the parties therein to provide for the timing of development resulted in a later adopted initiative

restricting the timing of development to prevail over such parties' agreement, it is the Parties' intent to cure that deficiency by acknowledging and providing that Developer shall have the right to develop the Property consistent with the Project Approvals and the Conditions of Approval in such order and at such rate and at such times as the Developer deems appropriate within the exercise of its sole and subjective business judgment during the Term of this Agreement.

7. Permitted Uses; Density; Building Heights and Sizes; Required Dedications. The City and the Developer hereby agree that the permitted uses of the Property, the density and intensity of such uses, the maximum heights and sizes of the buildings and improvements to be constructed on the Property, and the reservation and dedication of land for public purposes required in connection with the development of the Property shall be as set forth in and consistent with the Project Approvals or Subsequent Project Approvals. The Developer shall not cause or permit any use of the Property that is not permitted by the Project Approvals, and shall not cause or permit the construction of any building or improvement that exceeds the maximum density, building heights, and/or building sizes, set forth in or otherwise required by the Project Approvals and any Subsequent Project Approvals.

8. Developer's Rights. The Developer shall have and is hereby vested with the rights, during the term of this Agreement, to develop the Project as set forth in the Project Approvals, all of which are hereby incorporated in this Agreement by reference.

9. Changes in Applicable Rules.

(a) Nonapplication of Changes in Applicable Rules. The adoption of any Subsequent Land Use Regulations after the Effective Date of this Agreement, or any change in, or addition to, the Applicable Rules (other than changes in Development Fees and Processing Fees or other changes as provided in this Agreement), including, without limitation, any changes in the General Plan or the Zoning Regulations (including any regulation relating to the timing, sequencing, or phasing of the Project or construction of all or any part of the Project), adopted after the Effective Date of this Agreement, including, without limitation, any such change by means of ordinance, initiative, referendum, resolution, motion, policy, order or moratorium, initiated or instituted for any reason whatsoever and adopted by any board, agency, commission or department of the City, or by the electorate, as the case may be, which would, absent this Agreement, otherwise be applicable to the Project and which would conflict in any way with the Project Approvals shall not be applied to the Project unless such changes represent an exercise of the City's Reserved Powers. The City's Reserved Powers is defined as the enactment of regulations, and/or the taking of Discretionary Actions, if the same is expressly found by the City to be necessary to protect the residents of the Project or the residents of the City from a condition that is dangerous to public health and/or safety or if the same is required to comply with State or Federal laws (whether enacted previous or subsequent to the Effective Date of this Agreement).

(b) Changes in Uniform Codes. Notwithstanding any provision of this Agreement to the contrary, development of the Project shall be subject to changes occurring from time to time in the provisions of the City's building, fire mechanical, plumbing, swimming pool, spa, hot tub, energy and electrical regulations which are based on the recommendations of a multi-state professional organization and become applicable throughout the City, including, but not limited to, the California Building Code and other similar or related uniform codes.

(c) Changes Mandated by Federal or State Laws or Regulations. Changes in, or additions to, the Applicable Rules adopted or made operative on or after the Effective Date of this Agreement shall apply to the Project, if such changes or additions are specifically mandated to be applied to developments such as the Project, by applicable State or Federal laws or regulations. Where City or Developer believes that such a change or addition exists, that Party shall provide the other Party hereto with a copy of such State or Federal law or regulation and a statement of the nature of its conflict with the provisions of the Applicable Rules and/or of this Agreement. The City's determination shall be final and conclusive.

(d) Changes in Processing Fees Under Applicable Rules. The Project shall be subject to any increase in Processing Fees imposed by the City, provided that no such change shall be solely applicable to the Project.

(e) Applicable Developer Fees. The Project shall be subject to the payment of Developer Fees no matter when adopted, in the amount in effect at the time that the Developer Fee becomes due under the Applicable Rules or any law adopted after the Effective Date of this Agreement.

10. Developer's Obligations.

(a) Conditions of Approval. The Developer shall comply with the Conditions of Approval.

(b) Payment of Developer Fees and Processing Fees. The Developer shall pay all Developer Fees and Processing Fees when such fees are required to be paid under the laws of the City, whether or not such fees are adopted or increased before or after the Effective Date of this Agreement.

(c) Payment of Other Fees. On the Effective Date of this Agreement, Developer shall pay all outstanding City Processing Fees, including the costs for processing of the Project applications and for the environmental impact report, and legal costs for the preparation of this Agreement.

(d) Infrastructure Fee. Prior to the issuance of a building permit for the Project, Developer shall pay to City an infrastructure fee in the amount of Two-Hundred Six Thousand and Two Hundred and Fifty Seven Dollars (\$206,257.00).

(e) Public Benefit Contribution. Prior to the issuance of a building permit for the Project, Developer shall pay to City a public benefit contribution of Nine Hundred Thousand Dollars (\$900,000.00).

(f) Affordable Housing. Developer shall address affordable housing needs by constructing two (2) Designated Units within the portion of the Project located in the C-3 underlying zone, and within the 33,230 square feet otherwise approved for residential units in the C-3 Zone. The sale and resale of the Designated Units shall be limited to Moderate Income Households at a price that does not exceed the Affordable Housing Cost in accordance with the Affordable Housing Agreement. Prior to issuance of any building permit for the Project, Developer shall execute, acknowledge and deliver to the City the Affordable Housing

Agreement, in the form attached hereto as Exhibit B. This restriction shall run with the land in perpetuity or for the longest period of time permissible under law. Prior to the sale of any residential unit within the project or prior to certificate of occupancy, whichever comes first, Developer and City shall cause to be recorded the Affordable Housing Agreement, in form and content approved by the City Attorney, implementing and consistent with this Section 10(f). The regulatory agreement shall be recorded on title to the two Designated Units.

Developer hereby covenants, represents and warrants that Developer will obtain and deliver to the City a recordable subordination of any lien that is prior or superior to the Affordable Housing Agreement and will cause said lienholder(s) to subordinate its lien to the Affordable Housing Agreement prior to issuance of any building permit for the Project and at the time of recordation of the Affordable Housing Agreement. Developer shall cause a title company reasonably acceptable to the City to issue CLTA policy of title insurance (at no cost to the City) insuring that the Affordable Housing Agreement is superior to all liens and conflicting encumbrances, with a policy amount equal to the fair market value of the two Designated Units as determined in good faith by the City.

(g) Environmental Mitigation and Sustainability Fee.

(i) *Amount of fee.* Concurrent with the close of each Sales Transaction, the seller shall pay or cause to be paid to City an Environmental Mitigation and Sustainability Fee ("EMS Fee"). The amount of the EMS Fee shall be equal to \$4.50 for each \$1,000 of the consideration or value of the interest or property conveyed (exclusive of the value of any lien or encumbrance remaining thereon at the time of sale), subject to adjustment as set forth in Section 10(g)(ii) below. The EMS Fee shall be paid from the escrow account set up for the Sales Transaction. The fee shall be paid upon any Sales Transaction by Developer, and upon each subsequent Sales Transaction by the then current owner.

(ii) *Adjustment of EMS Fee.* If, after the Effective Date of this Agreement, the City adopts or increases a real estate transfer tax or documentary transfer tax for Beverly Hills, so that the combined total of the City's taxes and the County of Los Angeles Documentary Transfer Tax exceeds the current \$1.10 per \$1000 of City and County documentary transfer taxes, then the EMS Fee imposed upon all subsequent Sales Transactions shall be reduced by the amount of the combined taxes that exceeds \$1.10 per \$1000. For example, if City adopts a real estate transfer tax of \$2.20 per \$1000, thus increasing the combined City and County real estate transfer taxes and documentary transfer taxes to \$3.30 per \$1,000 of sales price, then the EMS Fee on all subsequent Sales Transactions would be \$2.30 per \$1000 of sales price ($\$4.50 - \$2.20 = \$2.30$). If the City increases the documentary transfer tax or adopts a real estate transfer tax so that the combined taxes exceed \$5.60 per \$1000 of sales price, then no further EMS Fee shall be due or payable.

(iii) *Liens for EMS Fee Payable Upon Sale.* Developer hereby grants to the City, with power of sale, a lien on the Property to secure the payment of the EMS Fee payable upon each Sales Transaction. In the event that the EMS Fee secured by such lien is not paid concurrently with and as a condition to the closing of a Sales Transaction by Developer or any successor-in-interest to Developer, then City may enforce such lien by sale by City, its attorney or any other person or entity authorized by the City Manager to conduct the sale. Any

such sale shall be conducted in accordance with California Civil Code Sections 2924, 2924b, 2924c, 2924f, 2924g, and 2924h, or in any other manner permitted or provided by law. City, through its agent authorized by the City Manager, shall have the power to bid on the encumbered property at the sale, using as a credit bid the amounts secured by such lien, its own funds, or funds borrowed for such purpose, and to acquire the lot or parcel. City is hereby granted, in trust, the applicable lot or parcel and is appointed as trustee for purposes of noticing and effecting any sale pursuant to the provisions of this Section and is hereby expressly granted a "power of sale" in connection therewith. Developer, or any subsequent owner of the Property or any portion thereof, shall provide notice to City, in a form satisfactory to the City, upon any opening of escrow that will result in a Sales Transaction or any other conveyance of the Property or portion thereof. The notice shall include a declaration stating the amount of the EMS Fee due upon closing of any Sales Transaction, or in the case of a conveyance that is not a Sales Transaction, the reason that such conveyance is not a Sales Transaction and therefore not subject to the EMS Fee. Upon receipt of the full amount of the EMS Fee payable with respect to a sale, City shall execute and deliver such documentation, in recordable form, as Developer, the buyer or the title company may reasonably request to evidence the payment of the EMS Fee and extinguishment of the City's lien rights with respect to such sale. Such documentation shall also indicate that payment of the EMS Fee shall not extinguish the City's lien rights with respect to subsequent Sales Transactions.

(h) Excess Parking Spaces. The Project contains the Excess Parking Spaces. Prior to issuance of any building permit for the Project, Developer shall execute, acknowledge and deliver an easement to the City, in the form attached hereto as Exhibit C, granting the City an easement for the use of the Excess Parking Spaces by the City, its lessees, invitees and/or the general public (the "Easement"). The Excess Parking Spaces shall: (i) be constructed by the Developer at its sole cost; (ii) be in a location reasonably selected by the City; (iii) be clearly striped and marked for sole use by the City or its designees; (iv) be maintained in a good condition; and (v) display signs acceptable to the City to allow City or its designees the right to tow unauthorized users of said spaces. Developer shall cause any association formed that adopts covenants, conditions and restrictions ("CCR's") to maintain the parking and common areas of the commercial portion of the Project, include these provisions and that said CCR's implementing this section shall not be amended without prior notice and approval of the City.

Developer hereby covenants, represents and warrants that Developer will obtain a recordable subordination of any lien that is prior or superior to the Easement and will cause said lienholder(s) to subordinate its lien to the Easement prior to issuance of any building permit for the Project and at the time of recordation of the Easement. Developer shall cause a title company reasonably acceptable to the City to issue CLTA policy of title insurance (at no cost to the City) insuring that the Easement is not subordinate to any lien or conflicting encumbrance (however the Easement may be junior to the Affordable Housing Agreement) with a policy amount equal to the replacement cost of the Excess Parking Spaces as determined in good faith by the City.

(i) Notwithstanding 9(d) and (e), if, after the Effective Date, the City adopts a Developer Fee or Fees for the purpose of addressing a project's impact on the City's infrastructure (such as streets, utilities, lights), or to offset the loss of business taxes, Developer shall not be required to pay said fee or fees since this Agreement requires Developer to pay the infrastructure and public benefit fees set forth in paragraphs (d) and (e) of this Section. The

determination of whether a Developer Fee addresses a project's impact on the City's infrastructure (such as streets, utilities, lights), or whether a Developer Fee is adopted to offset the loss of business taxes, shall be determined by the City in its sole discretion.

(j) Prior to any Sales Transaction, City and Developer shall record a document containing forms and procedures for implementation of paragraph 10(g).

(k) Nothing in this section shall excuse the Developer from paying any increases in existing Developer Fees.

(l) Developer covenants and agrees that neither tenants nor other occupants of the Project shall qualify to participate in any preferential parking district that may be established by the City.

11. Issuance of Building Permit. The City shall be under no obligation to issue a building permit(s) for the Project until all the fees set forth in Sections 9 and 10 (except for the EMS fee) have been fully paid to City and Developer has fulfilled all other obligations that are required to be performed before issuance of a building permit.

12. Default. Failure by City or Developer to perform any term or provision of this Agreement for a period of thirty days from the receipt of written notice thereof from the other shall constitute a default under this Agreement, subject to extensions of time by mutual consent in writing. Said notice shall specify in detail the nature of the alleged default and the manner in which said default may be satisfactorily cured. If the nature of the alleged default is such that it cannot reasonably be cured within such thirty day period, the commencement of the cure within such time period and the diligent prosecution to completion of the cure shall be deemed a cure within such period.

Subject to the foregoing and except as provided below, after notice and expiration of the thirty (30) day period without cure, the notifying party, at its option, shall have all rights and remedies provided by law and/or may give notice of intent to terminate this Agreement pursuant to Government Code Section 65868. Following such notice of intent to terminate, the matter shall be scheduled for consideration and review by the Council within thirty calendar days in the manner set forth in Government Code Sections 65867 and 65868.

Upon any such termination, the respective rights, duties and obligations of the parties hereto shall without further action cease as of the date of such termination (except as to duties and obligations that arose prior to the date of such termination). In no event shall monetary damages be available against the City for any alleged default or breach by the City.

13. Expiration. Upon the expiration of the Term, this Agreement shall terminate and be of no further force or effect; provided, however, such termination shall not affect Developer's obligations under Section 10, subsections (f), (g) (h) and (l) nor the obligation to pay any claim of any Party hereto, arising out of the provisions of this Agreement, prior to the effective date of such termination. The obligations under Section 10, subsections (f), (g) (h) and (l) and the obligations to pay any claim arising before the effective date of termination shall continue after termination in perpetuity or until completed.

14. Transfers of Interests in Property or Agreement.

(a) In the event of a proposed transfer of interest in the Property or in this Agreement by Developer, Developer agrees to provide City at least thirty days written notice of such proposed assignment prior to the proposed transfer and shall provide satisfactory evidence that the assignee will assume in writing through an assignment and assumption agreement all obligations of Developer under this Agreement. Notwithstanding the foregoing: (i) the terms, covenants and conditions of this Agreement shall be binding upon any transferee whether or not such an assignment and assumption agreement is signed by the assignee upon acquiring the Property; and (ii) no such transfer shall relieve the Developer (transferor) of any obligations under this Agreement.

(b) Assignment and Assumption of Obligations. For all proposed transfers of interest in the Property or in this Agreement, Developer shall provide to City an assignment and assumption agreement a form reasonably satisfactory to the City Attorney.

(c) Successors and Assigns. All of the terms, covenants and conditions of this Agreement shall be binding upon Developer and its successors and assigns. Whenever the term "Developer" is used in this Agreement, such term shall include any other successors and assigns as herein provided.

15. Covenants. All of the provisions, agreements, rights, powers, standards, terms, covenants and obligations contained in this Agreement shall be binding upon the parties and their respective heirs, successors (by merger, reorganization, consolidation or otherwise) and assigns, devisees, administrators, representatives, lessees, and all other persons acquiring the Property, or any portion thereof, or any interest therein, whether by operation of law or in any manner whatsoever, and shall inure to the benefit of the parties and their respective heirs, successors and assigns. All of the provisions of this Agreement shall constitute covenants running with the land.

16. Indemnification.

(a) Developer agrees to and shall indemnify, hold harmless, and defend, City and its respective officers, officials, members, agents, employees, and representatives, from liability or claims for death or personal injury and claims for property damage which may arise from the acts, errors, and/or omissions of Developer or its contractors, subcontractors, agents, employees or other persons acting on its behalf in relation to the Project and/or in any manner arising from this Agreement. The foregoing indemnity applies to all deaths, injuries, and damages, and claims therefore, suffered or alleged to have been suffered by reason of the acts, errors and/or omissions, or a combination thereof, referred to in this Section 16, regardless of whether or not City prepared, supplied, or approved plans or specifications, or both. In the event of litigation, City agrees, at no cost to City, to cooperate with Developer. This indemnification, hold harmless and defense requirement shall survive the termination or expiration of this Agreement. City reserves the right, in cases subject to this indemnity, to reasonably approve the attorney selected by Developer to defend Developer and City in any such action.

(b) In the event of any court action or proceeding challenging the validity of this Agreement, any of the Project Approvals or the EIR prepared and certified for the Project,

Developer shall defend, at its own expense, the action or proceeding. In addition, Developer shall reimburse City for City's actual costs in defending any court action or proceeding challenging the validity of this Agreement, any of the Project Approvals or the EIR and the Developer shall also pay any award of costs, expenses and fees that the court having jurisdiction over such challenge makes in favor of any challenger and against the City. Developer shall cooperate with City in any such defense as City may reasonably request and may not resolve such challenge without the agreement of City. In the event Developer fails or refuses to reimburse the City for its costs to defend any challenge to this Agreement, the Project Approvals or the EIR, City shall have the right to terminate this Agreement, subject to the notice and cure requirements of Section 12 above. In all events, City shall have the right to resolve any challenge in any manner, in its sole discretion.

(c) In order to ensure compliance with this section, within twenty days after notification by the City of the filing of any claim, action or proceeding to attack, set aside, void or annul this Agreement, any of the Project Approvals or the EIR prepared and adopted for the Project, the Developer shall deposit with the City cash or other security in the amount of \$25,000, satisfactory in form to the City Attorney, guaranteeing indemnification or reimbursement to the City of all costs related to any action triggering the obligations of this section. If the City is required to draw on that cash or security to indemnify or reimburse itself for such costs, the applicant shall restore the deposit to its original amount within fifteen (15) days after notice from the City. Additionally, if at any time the City Attorney determines that an additional deposit or additional security is necessary to secure the obligations of this section, the Developer shall provide such additional security within fifteen (15) days of notice from the City Attorney. The City shall promptly notify the Developer of any claim, action or proceeding within the scope of this Section and the City shall cooperate fully in the defense of any such claim or action, but shall have the right to resolve any challenge, in any manner, in its sole discretion.

(d) Notwithstanding anything to the contrary contained herein, Developer's obligations under subsection (b) of this Section 16 shall not extend to any challenge to the legality or enforceability of the EMS Fee that arises or is asserted more than ninety (90) days after the recordation of the final map for the Project or the issuance of a building permit for the Project, whichever is later.

17. Relationship of the Parties. The Parties acknowledge and agree that the Developer is not acting as an agent, joint venturer or partner of the City, but is, in fact, an independent contractual party and not in any way under the control or direction of the City except as is expressly provided to the contrary in this Agreement.

18. Recordation. As provided in Government Code Section 65868.5, the City Clerk shall record a copy of this Agreement with the Registrar-Recorder of the County of Los Angeles within ten (10) days following its execution by both Parties. Developer shall reimburse the City for all costs of such recording, if any.

19. No Third Party Beneficiaries. The only Parties to this Agreement are the City and Developer and their respective successors-in-interest. There are no third party beneficiaries and

this Agreement is not intended and shall not be construed to benefit or be enforceable by any other person whatsoever.

20. Advice; Neutral Interpretation. Each Party has received independent legal advice from its attorneys with respect to the advisability of executing this Agreement and the meaning of the provisions hereof. This Agreement has been drafted through a joint effort of the Parties and their counsel and therefore shall not be construed against either of the Parties in its capacity as draftsman, but in accordance with its fair meaning.

21. Certificate of Compliance. At any time during the term of this Agreement, any lender or other Party may request any Party to this Agreement to confirm that (i) this Agreement is unmodified and in full force and effect (or if there have been modifications hereto, that this Agreement is in full force and effect as modified and stating the date and nature of such modifications) and that (ii) to the best of such Party's knowledge, no defaults exist under this Agreement or if defaults do exist, to describe the nature of such defaults and (iii) any other information reasonably requested. Each Party hereby agrees to provide a certificate to such lender or other Party within ten (10) business days of receipt of the written request therefore. The failure of any Party to provide the requested certificate within such ten (10) business day period shall constitute a confirmation that this Agreement is in full force and effect without modification except as may be represented by the requesting Party and that to the best of such Party's knowledge, no defaults exist under this Agreement, except as may be represented by the requesting Party.

22. Consideration. The City and Developer acknowledge and agree that there is good, sufficient and valuable consideration flowing to the City and to Developer pursuant to this Agreement, as more particularly set forth in the Recitals and Sections 2, 8 and 10 of this Agreement. The Parties further acknowledge and agree that the exchanged consideration hereunder is fair, just and reasonable.

23. Periodic Reviews.

(a) Annual Reviews. City shall conduct annual reviews to determine whether Developer is acting in good faith compliance with the provisions of this Agreement and Government Code Section 65865.1. The reasonable cost of each annual review conducted during the term of this Agreement shall be reimbursed to City by Developer. Such reimbursement shall include all direct and indirect expenses actually and reasonably incurred in such annual reviews.

(b) Special Reviews. In addition, the City Council of the City may order a special periodic review of Developer's compliance with this Agreement at any time. The cost of such special reviews shall be borne by the City, unless such a special review demonstrates that Developer is not acting in good faith compliance with the provisions of this Agreement. In such cases, Developer shall reimburse City for all costs, direct and indirect, incurred in conjunction with such a special review.

(c) Procedure for Review. The City's Director of Community Development shall conduct the review contemplated by this Section 23 to ascertain whether the Developer has

complied in good faith with the terms and conditions of this Agreement during the period for which the review is conducted. The Director of Community Development shall give the Developer written notice that any such review has been commenced, and shall give the Developer at least twenty (20) days after the Developer's receipt of such notice to provide to the Director of Community Development such information as the Developer deems relevant to such review. In addition, upon the written request of the Director of Community Development, the Developer shall furnish such documents or other information as requested by the Director of Community Development.

(d) Result of Review. If, following such a review, the Director of Community Development finds good faith compliance by the Developer with the terms and conditions of this Agreement, the Director of Community Development shall issue to the Developer an executed certificate of compliance, certifying the Developer's good faith compliance with the terms and conditions of this Agreement through the period of such review. Such certificate shall be in recordable form, and shall contain such information as may be necessary to impart constructive record notice of the finding of good faith compliance hereunder. The Developer shall have the right to record such certificate of compliance in the Official Records of the County of Los Angeles.

If, following such a review, the Director of Community Development, finds that the Developer has not complied in good faith with the terms and conditions of this Agreement, the Director of Community Development shall specify in writing the respects in which the Developer has failed to so comply. The Director of Community Development shall provide the Developer with written notice of such noncompliance in the manner provided in Section 30, together with a written specification of the reasons therefore. Such written notice shall also specify a reasonable time for the Developer to cure such non-compliance, which time shall be not less than thirty (30) days after the Developer's receipt of such notice.

(e) Appeals to City Council. A determination of non-compliance by the Director of Community Development pursuant to this Section 23 shall be appealable to the City Council within thirty (30) days after the Developer's receipt of the Director of Community Development's written notice of non-compliance given pursuant to Section 23(d) above. If the Developer appeals such a determination to the City Council, then the City Council shall schedule a public hearing thereon not later than thirty (30) days after the date on which the Developer gives its notice of appeal to the City. At such hearing, the Developer shall be entitled to address all of the issues considered by the Director of Community Development in making such determination. Information presented by the Developer at such hearing may be presented orally and/or in writing. If, after receiving any written response of the Developer to the Director of Community Development's determination, and after considering all of the information presented at such hearing, the City Council finds and determines that the Developer has not in good faith complied with the terms and conditions of this Agreement, then the City Council shall specify in writing to the Developer the respects in which the Developer has failed to so comply, and shall also specify a reasonable time for the Developer to ensure such non-compliance, which time shall be not less than thirty (30) days after the Developer's receipt of such notice. A determination by the City Council of non-compliance shall be in writing delivered in accordance with Section 30, and shall specify in detail the grounds therefore, so that the Developer shall have the opportunity to implement any measures necessary to cure such non-compliance. If the

non-compliance so specified by the City Council is not cured within the time so specified, then the City may terminate this Agreement by providing written notice of termination.

(f) Effect on Default. Nothing in this Section 23 shall be interpreted to prevent the City from providing the Developer with a notice of default hereunder at any time other than during a periodic review under this Section 23, or from terminating this Agreement pursuant to the provisions hereof following any event of default by the Developer, subject to the notice and cure provisions of Section 12 above.

(g) Failure of Periodic Review. The City's failure to review, at least annually, compliance by Developer with the terms and conditions of this Agreement shall not constitute or be asserted by any Party as a breach by any other Party of this Agreement.

24. Mortgagee Protection. This Agreement shall not prevent or limit Developer, in any manner, at Developer's sole discretion, from encumbering the Property or any improvements thereon by any mortgage, deed of trust or other security device. The City acknowledges that the lender(s) providing such financing ("Mortgagee") may require certain Agreement interpretations and agrees, upon request, from time to time, to meet with Developer and representatives of such lender(s) to provide within a reasonable time period the City's response to such requested interpretations. Any Mortgagee of a mortgage or a beneficiary of a deed of trust or any successor or assign thereof, including without limitation the purchaser at a judicial or non-judicial foreclosure sale or a person or entity who obtains title by deed-in-lieu of foreclosure on the Property must be entitled to the following rights and privileges:

(a) Mortgage Not Rendered Invalid. Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish, or impair the priority of the lien of any mortgage or deed of trust on the Property made in good faith and for value, provided, however, that each lien securing EMS Fees described in Section 10(g) above shall be prior and superior to mortgage or deed of trust security financing used to purchase the applicable condominium unit if the EMS Fee payable upon such purchase and sale shall not have been paid and all liens must be junior and subordinate to the Affordable Housing Agreement and the Easement. No Mortgagee shall have an obligation or duty under this Agreement to perform Developer's obligations, or to guarantee such performance, before taking title to all or a portion of the Property.

(b) Request for Notice to Mortgagee. The Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, who has submitted a request in writing to the City in the manner specified herein for giving notices, shall be entitled to receive a copy of any notice of default hereunder delivered to Developer.

(c) Mortgagee's Time to Cure. The City shall provide a copy of any notice of default hereunder to the Mortgagee within ten (10) days of sending the notice of default to Developer. The Mortgagee must have the right, but not the obligation, to cure the default for a period of thirty (30) days after receipt of such notice of default. Notwithstanding the foregoing, if such default is a default which can only be remedied by such Mortgagee obtaining possession of the Property, Mortgagee shall have the right to seek to obtain possession with diligence and continuity, and to remedy or cure such default within thirty (30) days after obtaining possession,

and except in cases of emergency or to protect the public health or safety, the City may not exercise its remedies set forth herein until expiration of such thirty (30) day period; provided, however, that in the case of a default which cannot with diligence be remedied or cured or the remedy or cure of which cannot be commenced within such thirty (30) day period, the Mortgagee shall have such additional time as it is reasonably necessary to remedy or cure such default, provided that Mortgagee diligently proceeds to cure and provided further that in no case shall such default be cured no later than one (1) year after Mortgagee obtains such possession. In no case will the time to remedy or cure the default extend the term of this Agreement.

(d) Cure Rights. Any Mortgagee who takes title to all of the Property, or any part thereof, pursuant to foreclosure of the mortgage or deed of trust, or a deed in lieu of foreclosure, may succeed to the rights and obligations of Developer under this Agreement as to the Property or portion thereof so acquired; provided, however, in no event shall such Mortgagee be liable for any defaults or monetary obligations of Developer arising before acquisition of title to the Property by such Mortgagee, except that any such Mortgagee shall not be entitled to a building permit or occupancy certificate until all delinquent and current fees and other monetary or non-monetary obligations due under this Agreement for the Property have been satisfied.

(e) Bankruptcy. If any Mortgagee is prohibited from commencing or prosecuting foreclosure or other appropriate proceedings in the nature of foreclosure by any process or injunction issued by any court or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceedings involving Developer, the times specified in Section 24(c) above shall be extended for the period of the prohibition as long as the Mortgagee is diligently attempting to obtain possession by seeking relief of the automatic stay and/or other reasonable means, except that any such extension shall not extend the term of this Agreement.

25. Future Litigation Expenses.

(a) Payment of Prevailing Party. If City or Developer brings an action or proceeding (including, without limitation, any motion, order to show cause, cross-complaint, counterclaim, third-party claim or arbitration proceeding) by reason of defaults, breaches, tortious acts, or otherwise arising out of this Agreement, the prevailing party in such action or proceeding shall be entitled to its costs and expenses of suit including, but not limited to, reasonable attorneys' fees and expert witness fees.

(b) Scope of Fees. Attorneys' fees under this Section shall include attorneys' fees on any appeal and, in addition, a party entitled to attorneys' fees shall be entitled to all other reasonable costs and expenses incurred in connection with such action. In addition to the foregoing award of attorneys' fees to the prevailing party, the prevailing party in any lawsuit shall be entitled to its attorneys' fees incurred in any post-judgment proceedings to collect or enforce the judgment. This provision is separate and several and shall survive the merger of this Agreement into any judgment on this Agreement.

26. Headings. The section headings used in this Agreement are for convenient reference only and shall not be used in construing this Agreement. The words "include," "including" or other words of like import are intended as words of illustration and not limitation and shall be construed to mean "including, without limitation."

27. Amendment; Waiver. No alteration, amendment or modification of this Agreement shall be valid unless evidenced by a written instrument executed by the parties hereto with the same formality as this Agreement, and made in the manner required by the Development Agreement Act. The failure of either party hereto to insist in any one or more instances upon the strict performance of any of the covenants, agreements, terms, provisions or conditions of this Agreement, or to exercise any election or option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant, agreement, term, provision, condition, election or option, but the same shall continue and remain in full force and effect. No waiver by any party hereto of any covenant, agreement, term, provision or condition of this Agreement shall be deemed to have been made unless expressed in writing and signed by an appropriate official or officer on behalf of such party.

28. Severability. If any article, section, subsection, term or provision of this Agreement, or the application thereof to any party or circumstance, shall, to any extent, be invalid or unenforceable, the remainder of the article, section, subsection, term or provision of this Agreement, or the application of the same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each remaining article, section, subsection, term or provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law, except that if any provision of Section 10 (Developer's obligations) is held invalid or unenforceable, this entire Agreement shall be void and unenforceable and of no further force and effect.

29. Binding Effect. Except as may otherwise be expressly provided herein to the contrary, this Agreement and each of the provisions hereof shall be binding upon and inure to the benefit of each of the Parties hereto, and their respective successors and assigns.

30. Notices. All notices, disclosures, demands, acknowledgements, statements, requests, responses and other communications (each, a "Communication") to be given under this Agreement shall be in writing, signed by the party hereto (or an officer, agent or attorney of such party) giving such Communication, and shall be deemed effective (i) upon receipt if hand delivered or sent by overnight courier service; or (ii) upon delivery or the date of refusal if sent by the United States mail, postage prepaid, certified mail, return receipt requested, in either case addressed as follows:

**AFFORDABLE HOUSING AGREEMENT
INCLUDES LIMITATIONS ON RESALE**

This Affordable Housing Agreement (the "Agreement") is entered into as of this _____ day of _____, 2007 by and between the CITY OF BEVERLY HILLS, a California municipal corporation ("City"), and WILSHIRE COLONIAL PARTNERS, LLC, a California Limited Liability Company ("Developer"), as follows:

RECITALS

A. Developer is the owner of certain real property located in the City of Beverly Hills, County of Los Angeles, State of California, commonly known as 8600 Wilshire Boulevard (the "Property"), and legally described in Exhibit "A" attached hereto and incorporated herein by reference; and

B. City and Developer entered into a Development Agreement effective as of _____ for the development of a mixed-use project with 6,383 square feet of ground-floor commercial space, 23 residential condominium units, three townhouses and parking located in a multi-level subterranean garage ("Development Agreement"). Pursuant to the Development Agreement, Developer has agreed that two of the 23 condominium units ("Designated Units"), will be sold at an Affordable Sales Price to Moderate Income Households.

C. The Development Agreement further requires the Developer to enter into this Agreement with the City to regulate the Designated Units to ensure that they remain restricted to sale at an Affordable Sales Price to Moderate Income Households in perpetuity or for as long as the law allows.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties agree as follows:

AGREEMENT

1. Recitals. The Recitals set forth above are true and accurate, and incorporated herein.

2. Definitions. All defined terms, as indicated by initial capitalization, shall have the meanings set forth in the Development Agreement, except as expressly indicated otherwise. In addition, the terms listed below shall have the meanings thereafter specified:

(a) Affordable Housing Cost means a housing cost which is calculated pursuant to California Health and Safety Code Section 50052.5, as amended from time to time, and the regulations adopted by the California Department of Housing and Community Development pursuant to Section 50052.5, as such regulations may be amended from time to time.

(b) Affordable Sales Price means a price that does not exceed an amount such that the Qualified Purchaser's aggregate monthly payment for Housing Costs does not exceed the Affordable Housing Cost. A sample calculation of the Affordable Sales Price is shown on Exhibit "C". The figures shown on Attachment No. C are for the purpose of illustrating the methodology of calculating the prices; the actual maximum Affordable Sales Prices will be determined at the time of Project completion.

(c) City's Buyer List means a list maintained by the City of Qualified Purchasers.

(c) Housing Cost shall have the meaning ascribed in Section 6920 of Title 25 of the California Code of Regulations, as such regulation may be amended from time to time.

(d) Moderate Income Household means households whose income is between eighty percent (80%) and one hundred twenty percent (120%) of the area median income, adjusted for family size, as determined by regulations adopted by the California Department of Housing and Community Development pursuant to Health and Safety Code Sections 50052.5 and 50093, as such statutes and regulations may be amended from time to time.

(c) Qualified Purchaser means an individual whose household is a Moderate Income Household.

(d) "Designated Units" means two of the dwelling units to be constructed on the Property as authorized by the Development Agreement, specifically the units designated on Exhibit "B".

(e) "Property" shall have the meaning defined in Recital "A".

3. Provision of Affordable Units

(a) Developer hereby agrees to provide two one-bedroom units, 750 square feet in size, at the location set forth in Exhibit "B" attached hereto and incorporated herein by this reference, to be sold exclusively to Moderate Income Households at an Affordable Sales Price ("Designated Units"). The location of the Designated Units shall not be changed without the prior written approval of the Director of Community Development. The Designated Units shall be equal to the Project's residential development's base plan in terms of design, appearance, and interior and exterior amenities. The materials and finished quality of the Designated Units shall be comparable to that of the remaining units subject to prior review and approval by the Director of Community Development. Completion of the construction of the Designated Units shall occur concurrently with the remainder of the proposed Project.

(b) The Designated Units are reserved for Moderate Income Households at an Affordable Sales Price. The applicable income limits and maximum Affordable Sales Price in effect as of the date of this Agreement are shown on Exhibit "C". The income limits, and therefore the maximum Affordable Sales Prices, are adjusted annually. It shall be the obligation of Developer to obtain from City the applicable income limits and maximum Affordable Sales Prices in effect at the time of initial sale of the Designated Units.

(c) The maximum number of persons that may occupy a Designated Unit shall not exceed three (3) persons.

4 Ineligible Purchasers of Designated Unit

(a) The following individuals, by virtue of their position or relationship, are ineligible to purchase a Designated Unit:

(i) All employees and officials of the City or its agencies, authorities, or commission who have, by virtue of their position, policy-making authority or influence over the implementation of the City's housing program or the City's zoning and land use decisions, as well as the immediate relatives of such employees or officials, including spouse, children, parents, grandparents, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, sister in-law and brother-in-law.

(ii) The members of Developer and their owners, officers, and employees, and their immediate families, including spouse, children, parents, grandparents, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, sister in-law and brother-in-law.

5 Initial Sale of Designated Units.

(a) Developer agrees to sell the Designated Units solely to a Qualified Purchaser from the City's Buyer List, at not more than the applicable Affordable Sales Price. In the event City cannot or does not refer a Qualified Purchaser from the Buyer List to Developer within the time period established for sale, each Designated Unit may be sold to a Qualified Purchaser selected by Developer who meets the income and affordability requirements provided herein, subject to the approval of the proposed Qualified Purchaser by Director of Community Development.

(b) As a condition of the close of escrow of the sale of a Designated Unit, Developer shall certify to City the income of the initial purchaser. The certification shall be on a form provided by the City. Developer may request an income certification from the proposed purchaser of the Designated Unit in one or more of the following methods:

(i) Obtain from the proposed purchaser paycheck stubs from the three (3) most recent months;

(ii) Obtain a true copy of an income tax return from the proposed occupant for the most recent tax year in which a return was filed;

(iii) Obtain an income verification certification from the employer of the proposed occupant;

(iv) Obtain an income verification certification from the Social Security Administration and/or the California Department of Social Services if the proposed buyer receives assistance from such agencies; or

6 Purchaser Affordability Agreement

(a) Each Designated Unit shall be subject to the covenants, restrictions and option to purchase contained in the "Purchaser Affordability Agreement" in the form attached hereto as Exhibit "D". Provisions governing resale of a Designated Unit are set forth in the Purchaser Affordability Agreement.

(b) At the close of escrow for the sale of a Designated Unit, the Purchaser Affordability Agreement shall be recorded among the land records in the Office of the County Recorder for Los Angeles County, subordinate only to the grant deed conveying the Designated Unit to the Purchaser. A request for notice of default under any Deed of Trust, in favor of the City, shall also be recorded.

(c) Upon the recordation of a Purchaser Affordability Agreement for a Designated Unit in a position subordinate only to the grant deed conveying the Designated Unit to the Purchaser, this Agreement shall be of no further force or effect as to that Designated Unit. The parties shall execute, acknowledge and record such further documentation as is reasonably necessary to evidence the release of the Designated Unit from the provisions of this Agreement.

7. Covenants Running with the Land. It is the express intent that the Designated Units be offered for sale at an Affordable Sales Price in perpetuity or the longest period allowed by law. This covenant and restrictions set forth herein regarding the Designated Units shall be deemed covenants running with the land and shall pass to and be binding upon all parties having any interest in the Designated Units, as the case may be. Each and every contract, deed, lease or other instrument covering, conveying or otherwise transferring a Designated Unit or any interest therein, as the case may be, (a "Contract") shall conclusively be held to have been executed, delivered and accepted subject to the this restriction regardless of whether the other party or parties to such Contract have actual knowledge of this restriction.

The Developer and the City hereby declare their understanding and intent that (a) the covenants and restrictions contained in this restriction shall be construed as covenants running with the land pursuant to California Civil Code Section 1468 and not as conditions which might result in forfeiture of title by Developer; (b) the burden of the covenants and restrictions set forth in this restriction touch and concern the Designated Units in that the Developers' legal interest in the Designated Unit and all improvements thereon may be rendered less valuable thereby; and (c) the benefit of the covenants and restrictions set forth in this restriction touch and concern the land by enhancing and increasing the enjoyment and use of the Designated Units by Qualified Purchasers, the intended beneficiaries of such covenants and restrictions.

All covenants and restrictions contained herein without regard to technical classification or designation shall be binding upon Developer for the benefit of the City and Qualified Purchasers and such covenants and restrictions shall run in favor of such parties for the entire period during which such covenants and restrictions shall be in force and effect, without regard to whether the City is an owner of any land or interest therein to which such covenants and restrictions relate.

Developer shall attach a copy of this restriction to any purchase and sale contract with respect to the Designated Unit in the form approved by the City Attorney.

8. Utilization of Designated Units. All Designated Units required by this Agreement shall be sold and fully utilized in accordance with this Agreement; no Designated Unit shall be withdrawn from the market or otherwise held vacant. No Designated Unit shall be leased or rented without the written permission of City. The City shall not grant permission to lease, rent, or sublet the Designated Unit if it finds that the prospective tenant or occupant is not a Qualified Purchaser.

9. Maintenance of Units. Developer or any successors, including but not limited to any homeowners association that may be formed, shall provide the Designated Units with the same levels of services and maintenance as is provided to the other dwelling units on the Property. The Developer shall cause the covenants, conditions and restrictions governing the residential units at the Project provide that there shall be no discrimination in benefits and services to the Designated Units.

10. Federal and State Laws. Nothing contained herein with regard to the Designated Units shall require Developer or City to do anything contrary to or refrain from doing anything required by Federal and State laws and regulations promulgated thereunder applicable to the construction, management, maintenance and sale of the Designated Units.

11. Prohibition Against Discrimination. Developer shall not discriminate against any tenant or potential tenant on the basis of sex, color, race, religion, ancestry, national origin, age, pregnancy, marital status, family composition, sexual orientation, or the potential or actual occupancy of minor children. Developer further agrees to take affirmative action to ensure that no such person is discriminated against for any of the above-mentioned reasons.

12. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of City and Developer, and their respective successors, owners and assigns. Developer shall not assign this Agreement without the prior written approval of City.

13. Attorney's Fees. In any action brought to declare the rights granted herein or to enforce or to interpret any of the terms of this Agreement, the prevailing party shall be entitled to an award of reasonable attorney's fees in an amount determined by the court.

14. Entire Agreement. The text herein, consisting of _____ pages and four (4) exhibits, constitutes the entire agreement between the parties. Each party to this Agreement acknowledges that no representations, inducements, promises or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that any other agreement, statement or promise not contained in this Agreement shall not be valid or binding. This Agreement may be amended only by written instrument signed by both City and Developer.

15. Non-Waiver. Failure to exercise any right City may have or be entitled to, in the event of default hereunder shall not constitute a waiver of such right or any other right in the event of a subsequent default.

16. Indemnification. Developer shall defend, indemnify and hold harmless the City of Beverly Hills and its elected officials, officers, agents, employees, representatives, and volunteers from and against any loss, liability, claim or judgment relating in any manner to this Agreement.

17. Default. Failure or delay by either party to perform any term or provision of this Agreement, which is not cured within thirty (30) days after receipt of notice from the other party, constitutes a default under this Agreement. The party who so fails or delays must immediately commence to cure, correct or remedy such failure or delay, and shall complete such cure, correction or remedy with due diligence. The injured party shall give written notice of default to the party in default specifying the default complained of by the injured party. Except as required to protect against further damages, the injured party may not initiate proceedings against the party in default until 30 days after giving such

notice. Failure or delay in giving such notice shall not constitute a waiver of any default, nor shall it change the time of default

18. Remedies regarding Designated Units.

(a) Any individual who sells or rents (including subleasing) a Designated Unit in violation of the provisions of this Agreement shall be required to forfeit to City all monetary amounts so obtained.

(b) City may institute any appropriate legal actions or proceedings necessary to ensure compliance with this Agreement, including but not limited to: (i) actions to revoke, deny or suspend the Project Approvals, building permit, and/or certificate of occupancy; and (ii) actions for injunctive relief or damages.

19. Further Assurances and Recordation. Developer shall execute any further documents consistent with the terms of this Agreement, including documents in recordable form and do such further acts as may be necessary, desirable or proper as City shall from time to time find necessary or appropriate to effectuate its purpose in entering this Agreement.

20. Governing Law. The laws of the State of California shall govern this Agreement. Any legal action brought under this Agreement must be instituted in the Superior Court of the County of Los Angeles, State of California, in an appropriate municipal court in that County, or in Federal District Court in the Central District of California.

AGREEMENT AND GRANT OF EASEMENTS

This Agreement and Grant of Easements (the "Agreement"), dated _____, 200____, is entered into by and between Wilshire Colonial Partners, LLC, a California Limited Liability Company ("Developer"), and the City of Beverly Hills, a California municipal corporation ("City"), with reference to the following facts and objectives:

A. Developer is the owner of certain real property located in the City of Beverly Hills, County of Los Angeles, State of California, which is more particularly described in Exhibit 1, attached hereto and incorporated herein (the "Property").

B. Developer and City have entered into a Development Agreement, effective on _____, for the construction of a mixed-use development generally consisting of 6,383 square feet of ground floor retail/commercial space and a maximum of 26 residential condominiums units, as is more particularly described therein ("Development Agreement").

C. Pursuant to the Development Agreement, the Developer has an obligation to grant to the City for its own exclusive use or that of its designees, nine parking spaces referred to as the "Excess Parking Spaces" and to execute, deliver and grant to the City an easement for said Excess Parking Spaces.

D. The Excess Parking Spaces are located with the subterranean parking garage on the Property and are more particularly depicted in terms of location and spaces in Exhibit 2, attached hereto and incorporated herein. ("Easement Area")

E. The parties now desire to enter into this Agreement to provide for the grant of easement rights described above under the terms and conditions of this Agreement.

NOW, THEREFORE, for valuable consideration, the parties agree as follows:

1. Accuracy of Recitals. The City hereby acknowledges and confirms the accuracy of the Recitals in this Easement, which Recitals are hereby incorporated into and made part of this Easement.

2. Grant of Easement. Developer hereby grants to City a perpetual and exclusive easement on, over and under Easement Area for the respective purposes described in Paragraph 3. Developer shall not install or construct any structure in such a manner as to adversely affect the City's use of the Easement Areas as permitted by this Agreement, nor shall Developer operate the parking garage so as to prevent the City from having access to the Easement Area.

3. Purpose/Use of Easement Area A. City shall have the right of ingress and egress to and from Stanley Drive (or such other location from which access is provided from the public street to the Property) through the parking garage to the Easement Area for the purposes of parking vehicles in said Excess Parking Spaces. City and its designees shall have the right to park exclusively in the Easement Area. City shall have the sole right to determine who may park in the Easement Area.

4. Property Taxes. The fee owner of the Easement Area shall be solely responsible for the payment of all real property taxes and assessments, with respect to the Easement Area, if any.

5. Developer Obligations of Easement Area. Developer shall have the obligations over the Easement Area as is described in the Development Agreement and those obligations are incorporated herein by this reference.

5. Indemnity. Developer shall indemnify, defend and hold City and all successors and assigns harmless from any and all claims, demands (including demands by any governmental agency), costs, expenses, penalties, damages, losses, or judgments and liens, including without limitation, reasonable attorneys' fees (collectively, "Liabilities") arising or which are alleged to arise from any breach of Developer's obligations under this Agreement. Such indemnity shall survive the expiration or termination of this Agreement.

6. Miscellaneous.

6.1 This Agreement shall be binding upon the successors and assigns of the Developer and shall inure to the benefit of the successors and assigns of the City. This easement is intended to burden the parking garage and land on which the parking garage is located and shall "run with such land" and shall benefit property owned by the City in the City of Beverly Hills and property owned by any of City's designees who are permitted by the City to enter the Property and use and park in the Excess Parking Spaces.

6.2 This Agreement shall be governed by and interpreted under the laws of the State of California. The parties' respective rights and remedies under this Agreement

are cumulative with and in addition to all other legal and equitable rights and remedies which the parties may have under applicable law. The invalidity of any term or provision of this Agreement, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other term or provision hereof.

6.3 If any action or proceeding is commenced by any party to enforce the terms or provisions of this Agreement, the prevailing party shall be entitled to recover from the other party reasonable attorneys' fees and costs in addition to any other relief awarded by the court.
