RECOMMENDATION

It is recommended that the City Council accept the described contract work with TrueLine Surfacing and authorize the recordation of the Notice of Completion.

INTRODUCTION

In accordance with the contract documents, this report requests City Council acceptance of the contract work by TrueLine Surfacing, and requests authorization to record the Notice of Completion with the County Recorder.

DISCUSSION

On April 10, 2007, a contract was awarded on the basis of sealed, competitive bids received after public advertising and public bid opening for the Resurfacing of the La Cienega Tennis Courts. The contract, which was awarded to TrueLine Surfacing, consisted of the resurfacing of 16 tennis courts, the installation of new windscreen material on all courts and painting of light poles and railings.

Field inspection by Project Administration and Community Services Parks Division staff during and upon completion of the work has assured that the work was performed according to, and in compliance with, the contract documents for this project, the requirements of the Municipal Code and all other applicable codes.

FISCAL IMPACT

The original contract was awarded in the amount of \$114,300. One change order was issued during this project, in the amount of \$3,017 for the installation of 2 silk screened City shields on the new windscreen and additional painting not included as part of the original scope of work. The final contract amount is \$117,317.

The amount paid on the contract to date is \$102,870 with the balance of \$14,447 due to be paid 30 days after the recordation of the Notice of Completion.
