RECOMMENDATION

Staff recommends that the Council of the City of Beverly Hills adopt the modified resolution, which incorporates Charleville Boulevard and Gregory Way with the Preferential Permit Parking Zone "QQ" approved on the 200 and 300 blocks of Spalding Drive.

DISCUSSION

At the November 13, 2007 City Council meeting, the City Council unanimously approved establishment of Preferential Permit Parking Zone "QQ" on the 200 and 300 blocks of Spalding Drive. The agenda statement and the notice to the residents (Exhibit 1) also recommended including adjacent portions of Charleville Boulevard and Gregory Way with Zone "QQ." Unfortunately due to a clerical error, these segments were not included in the resolution. The attached resolution incorporates the adjacent portions of these two streets with existing parking regulations.
