SUBJECT: Resolution denying a
Development Plan Review Permit
and Conditional Use Permit to allow the construction of a new 2-story, 3-
level parking structure on the property located at 8955 Olympic
Boulevard.

SUMMARY

On September 11, the Planning Commission reviewed a request for a Development Plan Review Permit and Conditional Use Permit to allow the construction of a 2-story, 3-level parking structure on the property located at 8955 Olympic Boulevard. The Commission reviewed the request, and determined that several of the findings for approval could not be made. Because the findings for approval could not be made, the Commission voted to deny the request and directed staff to prepare a resolution of denial. The resolution will be provided to the Commission under separate cover, and formalizes the Commission's action with respect to the project by denying the request for a Development Plan Review Permit and Conditional Use Permit.
