

CITY OF BEVERLY HILLS
TRAFFIC & PARKING COMMISSION

February 6, 2014

TO: Traffic & Parking Commission
FROM: Aaron Kunz, Deputy Director of Transportation
SUBJECT: Santa Monica Boulevard Construction Mitigation

The Santa Monica Boulevard Reconstruction Project, the Psomas Team will not be scheduled for the February Traffic & Parking Commission. Staff and the Psomas team will focus on preparing for presentation of the Blue Ribbon Committee recommendations to the City Council in March. At this time, the Psomas team is scheduled to return to the Traffic & Parking Commission at the March 6, 2014 meeting.

To prepare for the next meeting with the Psomas Team, please provide questions for the team to address and any ideas you may have for construction mitigation.
