

CITY OF BEVERLY HILLS
TRAFFIC & PARKING COMMISSION

May 1, 2014

TO: Traffic & Parking Commission
FROM: Martha Eros, Transportation Planner
SUBJECT: Reorganize Traffic & Parking Commission Ad Hoc Committees
ATTACHMENTS: None

The Traffic & Parking Commission has four ad hoc committees each represented by two Commissioners that meet with staff on an as-needed basis on project-specific items. There are currently four ad hoc committees: Bicycles, Disabled Parking, Parking, and Tour Bus Activity.

Recently retired Commissioner Jeffrey Levine served on three of the four ad hoc committees, thus the following assignments are available (listed in alphabetical order):

<u>Ad Hoc Committee</u>	<u>Commissioner</u>	<u>Commissioner</u>
Bicycles:	Alan Grushcow	Vacant
Disabled Parking:	Alan Grushcow	Vacant
Parking:	Lester Friedman	Julie Steinberg
Tour Bus Activity:	Julie Steinberg	Vacant

Staff recommends that the Traffic & Parking Commission Chair (1) reassign the vacancies among the Commissioners and/or (2) assess whether to continue or terminate any ad hoc committee. Staff recommends discontinuing the parking ad-hoc Committee as there is not a specific project at this time.
