TO: Traffic & Parking Commission

SUBJECT: Staff Status Report

The purpose of this staff report is to provide the Commission with updates on pending items; therefore, the Commission cannot make formal recommendations on these items.

a. Santa Monica Boulevard Reconstruction Project

The "Notice to Bidders" was advertised in local newspapers (BH Weekly on April 21 and BH Courier on April 29) and will be posted on the City's website. Bids are due on June 2, 2016. City Council award of a construction contract is scheduled for July 5, 2016. Construction is scheduled to begin later this summer.

b. Bike Share

The Community Development Department will be hosting a ribbon cutting ceremony on May 10, 2016 at City Hall near the North Crescent Drive entrance to officially launch the Beverly Hills Bike Share Pilot Program. The following bike share stations have been installed:

- City Hall-1 (South Santa Monica Boulevard / North Crescent Drive)
- City Hall-2 (North Santa Monica Boulevard / North Crescent Drive)
- Wells Fargo Bank Adjacent (South Santa Monica Boulevard / North Camden Drive)
- Beverly Hills Courthouse (Civic Center Drive / Burton Way)
- Chase Bank Adjacent (Wilshire Boulevard / Beverly Drive)

The following bike share stations are scheduled to be installed the first week of May 2016:

- 280 South Beverly Drive (South Beverly Drive / Gregory Way)
- Entertainment Business District (Third Street / North Maple Drive)

The Doheny Drive / Burton Way station requires further analysis as it entails the installation of a concrete landing pad and possible irrigation system relocation. Staff will return to the Traffic & Parking Commission at a future meeting to propose the remaining 2-4 bike share station locations.
