

CITY OF BEVERLY HILLS
DEPARTMENT OF PUBLIC WORKS & TRANSPORTATION

MEMORANDUM

TO: Public Works Commission
FROM: Christian Di Renzo, Sr. Management Analyst 
DATE: April 11, 2013
SUBJECT: Recycling video demonstration
ATTACHMENTS: None

Staff anticipates presenting a brief video showcasing the City's solid waste operation and recycling practices. This video was made possible thanks to the invaluable assistance provided by Darren Howelton from the City's IT-Cable Division, and Daniel Cartagena and James Burnley from the Public Works & Transportation Department. A special thanks to Public Works Commission Chair Barry Pressman, M.D., for offering his time to narrate portions of the video and Tim Fry with Crown Disposal.
