

CITY OF BEVERLY HILLS
PUBLIC WORKS SERVICES DEPARTMENT

MEMORANDUM

TO: Public Works Commission

FROM: Trish Rhay, Assistant Director, Public Works Services Department 

DATE: June 12, 2014

SUBJECT: Status Update on Well Study

Commission requests that Public Works Services move forward with the design portion of a shallow groundwater well to be located at 342 Foothill Road. Public Works Services requested support from the Capital Assets Department for this project development. Mark Cuneo, City Engineer, will provide a status report on the development of the shallow groundwater well.
