

**CITY OF BEVERLY HILLS**  
**PUBLIC WORKS SERVICES**  
**MEMORANDUM**

**TO:** Public Works Commission

**FROM:** Daniel E. Cartagena, Senior Management Analyst 

**DATE:** June 12, 2014

**SUBJECT:** Discuss Empty Conduit Program in conjunction with street excavation activities

---

At the request of Chair Pressman, Mark Cuneo, City Engineer, has been invited to comment on a resident's proposal to create a program to require empty conduit be installed to accommodate future infrastructure needs when a section of street has been excavated.
