

CITY OF BEVERLY HILLS
PUBLIC WORKS SERVICES DEPARTMENT
MEMORANDUM

TO: PUBLIC WORKS COMMISSION

FROM: Michelle Tse, Senior Management Analyst 

DATE: October 9, 2014

SUBJECT: WATER SERVICE OBLIGATION TO CITY OF WEST HOLLYWOOD

Staff continues to research the water service obligations as it relates to the City of West Hollywood. Preliminary research suggests that the City of Beverly Hills issued bonds in the 1920's to acquire the Sherman Water Company's system to address the needs of the City's growing population. The Sherman Water Company supplied water to the unincorporated West Hollywood area. Staff will provide an update as additional information becomes available.
