

**CITY OF BEVERLY HILLS**  
**PUBLIC WORKS SERVICES DEPARTMENT**  
**MEMORANDUM**

**TO:** PUBLIC WORKS COMMISSION  
**FROM:** Michelle Tse, Senior Management Analyst *MMT*  
**DATE:** October 9, 2014  
**SUBJECT:** Status Report – Water Treatment Plant (CIP No. 0795)

---

GHD (design consultant) submitted a Preliminary Design Report in August 2014 outlining the recommended scope of work and preliminary construction budget for rehabilitating and updating various components of the existing water treatment plant. Final design, including the development of construction documents, is underway and expected to be completed by the end of 2014. Bidding and award of a construction contract is expected to occur in the 1st quarter of 2015. Construction is anticipated to begin in the spring of 2015.

The City Engineer, Mark Cuneo, will be present at the October 9, 2014, Public Works Commission meeting to answer any questions.
