**MEMORANDUM**

**TO:** PUBLIC WORKS COMMISSION

**DATE:** November 13, 2014

**SUBJECT:** Water Service Obligation to West Hollywood

**ATTACHMENT:** None

---

At the October Public Works Commission meeting, the Commission inquired about the City's water service obligation to the City of West Hollywood. Historical documents indicate that bonds were used to purchase the Sherman water system in the late 1920s-early 1930s; this is the system that services a portion of West Hollywood.

Representative(s) from the City's legal counsel will be present at the November Public Works Commission meeting to discuss this item.
