

CITY OF BEVERLY HILLS
PUBLIC WORKS SERVICES DEPARTMENT
MEMORANDUM

TO: PUBLIC WORKS COMMISSION
FROM: Daniel E. Cartagena, Senior Management Analyst 
DATE: December 11, 2014
SUBJECT: LED Streetlight Project

The City of Beverly Hills has hired the firm Climatec Building Technologies Group to conduct an energy efficiency study of various City owned buildings and systems. The company has provided staff with the preliminary finding of its study.

Staff will present the preliminary findings to the Commission for discussion.
