SUBJECT: WATER TREATMENT PLANT UPDATE

ATTACHMENT: 1. Project Update Sheet

Attached is an update regarding the water treatment plant project. Staff will be available during the May 11, 2015, Commission Meeting to provide additional details.

Reverse Osmosis Water Treatment Plant Rehabilitation Project

PROJECT STATUS

Bids were rejected by City Council on April 21, 2015 and the project was re-advertised on April 23, 2015. Bids are scheduled to be received on May 14, 2015.

SCOPE OF WORK

- Reconstruction/rerouting of the existing deteriorated industrial waste line
- Addition of baffle walls and an interior coating to the product water clearwell
- New plant floor coatings and upgrading of existing coatings
- New chemical dosing pump skids
- Addition of electric actuators to certain manual valves
- Addition of air gaps for existing brine box and CIP tank/scavenger tank (per regulatory requirements)
- Addition of new control hardware and associated programming to improve plant operability

PROJECT COST

Engineer's Estimate: \$2,219,000
